"The life of the flesh is in the blood," is a Scriptural maxim that Science proves to be true. The people talk of bad blood as the cause of many diseases, and, like many popular opinions, this of bad blood is founded in truth.

lar opinions, this of bad blood is founded in truth.

The symptoms of bad blood are usually quite plain. Bad digestion causes imperfect nutrition, and, consequently, the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad and frequently covered with a paety white coat. This condition soon shows itself in roughness of the skin, then in enurrive and ulcerative diseases, and, when long continued, results in serious lesions of the Brain, Liver, Lungs or Urinary Apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-difth of the human family are affected with Scrofula in some form.

When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood aries from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys, cannot estimate the importance of their healthy action.

Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. FEMALE REGULATOR!

FEMALE REGULATOR!

WOMAN'S BEST FRIEND.

This valuable medicine is prepared for women exclusively, and to be used by women only. It is adapted especially to those cases where the womb is disordered, and will cure any irregularity in the "menses," except in such cases as require a surgical operation. As these last are very rare, the FEMALE REGULATOR is of almost universal application. In a sudden cheek of the "monthly courses" from cold, trouble of mind, or like cause, it acts like a charm, by restoring the fever, headache, pain in the small of the back and "lower stomach," flushess of heat about the face, chilly sensations, burning of the cye-lide, and general restlessness. Taken in time, all these amptomach, "flushess of heat about the face, chilly sensations, burning of the cye-lide, and general restlessness. Taken in time, all these amptoma pass away immediately, without injury to the constitution. Frequently, however, the proper remedy is not applied in time, the disease becomes chronic, and the foundation laid for numberless evils to the constitution of the woman. The next "turn" comes around, and there is no "show," or perhaps the "whites" will appear. There will be some uncasiness about the womb, but very little or none of the natural fluid escaping. The complexion becomes sallow, bowels awollen, a sort of greenish caste about the face, constant, dull, aching pains in the head, weight in the lower stomach and back, with or without whites, palpitations of the heart, pallor, exhaustion, indigestion, weariness, languor, aching across the loins, loss of appetite, pain in left breast, tightness across the chest, cough and giddiness. If still allowed to go on, "green sickness" will be fully developed; the headacho becomes severe, with loss of memory, diminished sensibility, sick stomach, dyspessia, no relish for food, loss of flerh, in-"green sickness" will be fully developed; the headache becomes severe, with loss of memory, diminished sensibility. Sick Stomach, dyspepsis, no relish for food, loss of flech, increased fluttering of the heart, swelling of the first causes that the supplementary of the slightest effort causes hurring of blood. The slightest effort causes hurring breathing, almost to suffocation. The skin is flabby, and has a "doughy feel." This is a sad picture, but it is the condition of thousands of women between the ages of fifteen and forty-five, who are brought to the grave by ignorance, or neglect to take the proper remedy.

To all who are afflicted with any of the symptoms above-mentioned, in connection with an irregularity of the "monthly sickness," we earnestly say Take Pm. J. Bradfirhlo's Firmale Regulator. A few ounces taken, you will at once experience its benefit, and with a little patience, you will be fully restored to health.

To the Public in General.

I HAVE botter COTTON SEED than any man who advertises Seed for sale. Mine is the improved BOYD PROLIFIC, which excels any other. The price is \$2.50 per bushel. An examination of my proofs will be convincing. I refer to Jocob H. Wells and J. D. Bitt. Call and look at the growth, in Butcher Town. Dec 3

The Carolina House.

THIS HOUSE has always enjoyed the reputation of being the best place in the city for obtaining the coolest and most delicious mixed drinks. The new brand of Whiskey, THE HIBERNIAN, is something out of the ordinary run. Call and see me, on Washington street.
