> FROM KANSAS. Mahaska "Brick" Tells

To the Editor of The Herald: After a few days passed in city and country, meeting scores of pleasant, agreeable and intelligent persons from that occurred during the time of war, carnage and blood-shed in southwest souri, on the 13th we boarded the north-bound train at 3 A. M. for Kansas City where we spent a few hours taking in the town, its business, etc., all of which shows evidence of the vim found Atchison we make a short stay and see destroyed by a storm and ten persons Muddy." This is Kansas and we had killed. Brownsville suffered a loss of heretofore learned that prohibition

AT WASHINGTON. a fire, which occurred in a stable at-tached to a saloon, destroyed property a halt, having passed through some An inmate of one beautiful country, though in some burned to death. places sparsely settled the land being were burned of which owned, we learn, by the railroad comhouses, in- one of the best in northern Kansas and Minn., on the same day, a and corn. A very large acreage of winter wheat was sown, and the pres fire destroyed \$350,000 worth of proper-ty. Five solid squares of business were never better. Much may be said dings burned, leaving only three against Kansas by persons who have with hittle means wended their way

and now their acres are almost without number, with cattle upon "a thousand hills." That Kansas is not as liable to ering the culverts should be seven feet ering the culverts and the culverts are considered as a constant of the culverts and the culverts are considered as a constant or constant or

The Muscatine Journal, looking at the point of a presupposed loss in value of barley, says: "What we may lose in the manufacture of beer and on the price of barley will be small compared with our gain in having people sober and in preventing them from becoming paupers and criminals and in consequence becoming a public burden."

The Cedar flapids Republican looks at one point in the discussion with these glasses: "It is being urged by some that prohibition will lower the price of grain in Iowa. Last year the breweries and distilleries of this State used two-tenths of one per cent. of our whole grain crop, or 787,554 bushels."

During the same time our drinkers spent over \$20,000,000 for liquor; or in other words, Iowa people paid \$25.39 for every bushel of Iowa grain used in the manufacture of liquor."

Last point of a presupposed loss in value is a nice little town of about 800 inhabitants near the center of the county, and the vert when the center of the county, with two churches, a very respectable school building, and with a general appearance of thrift and prosperity. At the office of the Washington Republican looks at one point in the discussion with these glasses: "It is being urged by some that prohibition will lower the price of grain in Iowa. Last year the breweries and distilleries of this State used two-tenths of one per cent. of our whole grain crop, or 787,554 bushels.

and brisk:
mild, and brittle. It is the only variety that
the heat or dry weather does not cause to go
to seed, before forming a large and perfect radish. Its delicacy of flavor is retained during
all stages of growth, which continues for a
period of ten weeks from the time the first are
fit for the table. In this radish all the desirable
qualities are most happily united to form the
most valuable variety ever introduced, and it
has developed the remarkable peculiarity that
the last puiled have been fully equal to the
first. I warrant it in all respects to equal the
above description and guarantee the safe arrival of the seed. Price of the seed by mail
yoostage paid, 10 cents per package, or 3 for 25
cents. This radish is offered by the veteran
seed grower of Iowa, and who is also agent for
a preparation which is sure destruction to all
cabbage worms and other insects; not poisonous. Send for circulars and address

Home Manufacture.

I desire to call the attention of all to my large stock of

Buggies, Phaetons and Spring Wagons,

ish, cannot be excelled in the Union. I have in stock the following styles of Vehicles:

Buggies with Brewster Spring.
Buggies with Whitney Spring.
Buggies with Timpken Spring.
Spring Wagons with Three Springs.

Spring Wagons with Platform Spring.

Buggies with Side Spring.

Spring Wagons with Platform Spring. Spring Wagons with Half Platform Springs.

PHAETONS

Phaetons with Three Springs. Phaetons with Coach Springs.

Phaetons with Leather Tops.

All are made with the latest and best improvements, such as Steele's Patent Axles, Oil Tempered Springs, Round Edge tire, ironed with Norway Iron, bodies made of Poplar and Ash, gears, poles, shafts and base of best second growth hickory. All timber used seasoned at least five years; wheels are painted in the best possible manner and all Carriages

Buggies, and Phaetons Elegantly Upholstered.

All my work is fully warranted, and I am here to make my warrant good at all times. I will make it to the interest of any one wishing to purchase to call and see me before doing so. I take pleasure in showing my stock and explaining my methods of manufacture. Having been engaged in this business for 25 years in Oskaloosa, I know I am able to furnish you a better vehicle than any eastern maker can, as it requires a different class of work to stand our roads and climate than is usually made there and sold here. I am also better pre-pared than ever to do all kinds of

Repairing, Repainting and Retrimming, A large stock of Wheels, Axles, Springs, Tops, Cushions, Dashes, Etc., carried

Tops for Buggles and Carriages.

See my cheap Tops for Buggies and Carriages. Farmers, have one put on your Spring

PHELPS & BLACKSTONE A RTICLES OF INCORPORATION OF SIMS,
A LODGE No. 50, OF FREE AND ACCEPTED A NCIENT MASONS, FOR MISSOURI AND
HER JURISPICTION.
We, the undersigned, hereby associate ourselves under Chapter 2, Title IX, of the Code
of Iowa, and adopt the following articles of
incorporation:

Masonic truths.

ARTICLE III.

The business of this organization shall be conducted by the members of this organization; seven of whom shall constitute a quorum for the transaction of business.

ARTICLE IV.

Any man under the jurisdiction of this Lodge may become a member of this organization under and according to all such rules, regulations, and by-laws as may be adopted by said organization at any time after the date hereof, and upon receiving the unanimous vote of the members of this organization, (present and voting at the time his name is voted upon for membership) and by subscribing these articles of incorporation.

membership) and by subscribing these articles of incorporation.

ARTICLE V.—

The officers of this organization shall consist of a Worshipful Master, Senior and Junior Wardens, Treasurer, Secretary, Senior and Junior Deacons, Senior and Junior Stewards, Tyler, Chapiain, and others that may hereafter, become necessary, and those that the by-laws declare shall be elective officers shall be elected once every year at the first regular meeting in the month of June of each year, and after being so elected and installed they shall hold their offices for the term of one year or until their successors are elected and installed.

ARTICLE VI.

This organization shall commence on the 16th Phaetons with Canopy Tops.

This organization shall commence on the 16th day of November, A. D., 1876, and continue 36 years unless sooner dissolved by the majority vote of the members of this organization, or by

some person or persons having the lawful right so to do, as more fully appears in the charter of said Lodge.

ARTICLE VII.

The highest amount of indebted. The highest amount of indebtedness to which this organization may at any time subject itself is one thousand (\$1,000) dollars.

ARTICLE VIII. The private property of the members of this organization shall be exempt from its debts.

ARTICLE IX.

These articles of incorporation may be amended, changed, or added to by a two-thirds vote of all the members of the organization present and voting at any regular meeting of this Lodge, notice of any such amendment having been given at one regular meeting previous in writing.

Executed this 21st day of December, A. D., 1875. Executed this 21st day of December, A. D., 1875.

State of Iowa, Mahaska county, S. S.
Be it remembered that on this 21st day of December, A. D., 1875, before me personally came John Sims, Joseph Jimeson, H. A. Armstrong, Jas. D. Bush, Jerry Walton, George Turpin, Charles Johnson, Thomas Marshall, Braxton Dermit, John Williams, Z. T. Bush, Peter Rings, M. Holen, Byron Owens, and Lewis Derry, whose names are affixed to the foregoing articles of incorporation as incorporators and acknowledged the execution of the same to be their voluntary act and deed.

In witness whereof I have hereunto set my hand and notarial seal the date last above written.

John A. HOFFMAN.
