"The Blood is The Life."

This is a true saying, one of the facts which have showe simple statement of scripture, but it is a law which illumines to the view and gives it a meaning other than those which are given by the mere words of the Bible. A woman's health is dependent upon the amount of blood she possesses. In order to have a healthy body, it is necessary for her to have a proper amount of blood. This is the case with every woman, and more especially with women who are suffering from debility. The blood that a woman possesses is not only necessary for her health, but it is also necessary for her beauty. A woman's beauty is directly dependent upon the amount of blood she possesses. It is the blood that gives her a fresh, young, and healthy appearance.

"The Blood is The Life."

In the case of women's blood, the blood that she possesses is her "golden treasure." She must have a proper amount of blood to keep her healthy and beautiful. This is a fact that is true of every woman, and more especially with women who are suffering from debility. The blood that a woman possesses is not only necessary for her health, but it is also necessary for her beauty. A woman's beauty is directly dependent upon the amount of blood she possesses. It is the blood that gives her a fresh, young, and healthy appearance.

"The Blood is The Life."

As the blood is the life of a woman, so the blood of a woman's child is the life of that child. The blood that a woman possesses is not only necessary for her health, but it is also necessary for her beauty. A woman's beauty is directly dependent upon the amount of blood she possesses. It is the blood that gives her a fresh, young, and healthy appearance.
