## SHREWD POLITICAL SCHEME

Thousands of Men Put to Work in the  
Navy Yards and Arsenal to Make  
Republican Votes

Washington, D. C., Oct. 15.—Accounting and disbursing officers of the navy are gasping for breath on account of the order which has been issued directing them to pay employes at navy yards and arsenals once a week, instead of twice a month, as heretofore. The order means overwork for them, and much of it, too, for the clerks under them. Then it is a question whether they will be able to comply with it.

The order was made for political effect, and nothing else. The navy yards of the north have been filled up with men employed for three months, the three-month period to extend over election day, and make those taken on for that period believe that the republican administration has restored prosperity.

Labor leaders have been trying for years to induce the government to pay its workmen weekly, but until the exigencies of the campaign required they accomplished nothing. There are about 5,000 men in the New York navy yard alone, many of them taken for the election. In all about 4,000 men are affected by the order.

So great is the demand in every navy yard for ships on which the election force may pretend to do some work that there are no ships to take part in the regular fall maneuvers.

When the officers having charge of the detail of ships for that purpose came out to the work they found only two ships available for assignment. They were the auxiliary cruisers Prairie and Yankee. The former is now carrying sailors to Colon, and the Yankee is on the rocks in Buzzards Bay, with the probability that she will be a total wreck.

## WHY JAMES LEE GOT WELL

Everybody in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health."

Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at all drugstores, 50¢ and \$1. Trial bottle free.

## HASKELL HOT AFTER HEARST

Governor of Oklahoma Enters Suit for  
Criminal Libel Against the  
Independent Boss

Kansas City, Mo., Oct. 15.—Gos. Haskell of Oklahoma, said yesterday that he had given his counsel authority to bring the suit for libel against Mr. Hearst as soon as they could get service on the New York editor. This, he said, he believed, would be possible at some point between Kansas City and St. Paul, when Mr. Hearst makes his return trip to the east.

## A CERTAIN CURE FOR CROUP

Used for Ten Years Without a Failure  
Mr. W. C. Bogie, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past ten years, and though they much feared the croup, his wife and he always felt safe upon taking a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequalled for croup and whooping cough. For sale by all druggists.

The Orpin family have spent several winters at South Lake Weir, where Mr. Orpin owns a very pretty grove.

Mrs. C. E. Brown was elected organist of the union Sunday school last Sunday. Miss Sallie Stigmon, who has filled the position for the past year, having gone to Tampa to attend school. The school voted to have the grounds of the school house lot put in order, which has been done the past week, greatly improving the appearance of the place.

Mrs. E. A. Ricker and her son, Mr. Ernest Ricker, visited Mrs. Bittinger in Ocala Saturday, returning home on Sunday.

Much satisfaction is expressed at the restoration of the telegraph office at Weirside, but much dissatisfaction at the discontinuation of the coach which for some time has been attached to the morning freight to Ocala.

There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at all drugstores, 50¢.

## KEEFE WAS CORRUPTED

Looks Like the Republicans Have Bought a Labor Leader With the Promise of a Federal Job

New York, Oct. 5.—The democratic national committee, through John L. Jordan, assistant acting chief of the press bureau, at headquarters last night, made the following statements: "It was stated at the national democratic headquarters last night that President Roosevelt, by promise of office, has succeeded in having one of the big men of the American Federation of Labor denounce President Gompers in his advocacy of the election of Bryan for the presidency. The labor leader in question is Daniel J. Keefe, of Detroit, president of the International Association of Longshoremen, and one of the vice presidents of the American Federation of Labor."

The democratic committee alleges Keefe and the president were closeted for several hours in Washington on Saturday, October 2, and the offer of being named commissioner general of immigration, made vacant by the death of Commissioner Sargent, was made, in consideration of Keefe repudiating Gompers and the executive council of the federation.

Keefe Saturday last issued a statement in which he said: "I am going to vote for William H. Taft."

## DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for circulars, free. F. J. CHENEY & CO., Toledo, O.

Sold by all Druggists, 75c. Take Hall's family Pills for constipation.

## BURNED ALIVE IN HIS HOME

Manassas, Va., Oct. 15.—W. S. Langley was cremated in his home near St. Edith's Academy, five miles west of Manassas, yesterday, when his house, with the entire contents, was destroyed by fire, originating, probably from a defective flue.

All the occupants of the building escaped. Langley had re-entered the burning structure to save some money and valuable papers in the upper room, against the pleading of his wife and children. "Langley's Mills," the home of the Langleys, is one of the oldest land marks of the country.

## A BIG SCANDAL UNEARTHED

Startling Disclosures of Immense Corruption in the Naval Transport Service

San Francisco, Cal., Oct. 15.—The Call declares that a report affecting the transport service on this coast has been made to the war department and that some startling disclosures may be expected when the report is made public.

According to the story, alleged irregularities are connected with the extensive repairs made to the Logan and other vessels of the service. In the case of the Logan it is alleged that repairs to the amount of \$20,000 were made and immediately torn out and another contract for repairs, aggregating \$150,000, was awarded to the same company.

It is said that the matter was brought to light by two secret service agents who enlisted in order to gain the information.

## CHILD HEIRESS KIDNAPPED

Eight-Year-Old Child, Who Will Inherit Quarter of a Million, Summarily Abducted in Chicago

Chicago, Oct. 15.—Margaret Francis Mitchell, 8 years old, said to be an heiress to a fortune of \$250,000, was kidnapped yesterday while on the street with her grandmother.

The little girl was snatched by one of three men in an automobile and taken away after the grandmother, Mrs. Caroline F. Mitchell, 4829 St. Lawrence avenue, while the mother, Mrs. Margaret B. Mitchell, has been working on a clue, that the child was taken out of the city, probably to Sparta, N. C.

The kidnaping is said to be the climax of a long struggle for possession of the child. She has been living with her grandfather, Robert Mitchell, 4829 St. Lawrence avenue, while the mother, Mrs. Margaret B. Mitchell, has lived separately. The fortune was left to the girl by her mother's father.

According to the story told to the police by the grandfather, three acts of kidnaping previously had been made and because of this she always accompanied the girl to and from school. She urged the police to search at Sparta, where it is said the mother recently lived.

## CHRISTIAN ENDEAVOR NEWS

There are to be six district conventions this fall and the first was held for the north central district Oct. 11th-12th, in the Lutheran church near Lake City.

Though the number of delegates was not large it was an enthusiastic and merry crowd that enjoyed the long ride with many stops, between Gainesville and Drew's station. There carriages were waiting to carry the visitors eight miles to the Lutheran settlement.

Many young, earnest Christians are members of this church and they attended the convention in full force. Older people also came, men leaving their farm work and the ladies serving each day an abundant dinner on the long table outside the church yard. Every one seemed happy. It was good to be there. "Music hath her charm" among these people. We seldom hear such joyful, hearty singing now-a-days and we were all in the choir. Gospel hymns were favorites and were worth hearing. The weather was clear, cool and with moonlit nights, making the ride delightful to church from the scattered homes.

Rev. Mr. Williams, the Methodist pastor at Columbia City, preached the convention sermon Sunday evening and gave an earnest appeal to the young people for early and lasting consecration to the Lord's service.

Rev. and Mrs. M. G. Richard, who had led the pastorage here recently, were greatly missed. An affectionate greeting was sent them, signed by the local and visiting Endeavorers.

Mr. T. P. Henderson of Gainesville, conducted an institute on practical Christian Endeavor work and he also gave an address Sunday morning.

There were three opening services, which were unusually helpful, with the subjects, "Your Favorite Hymn; Why," "Experience Meeting. How has the C. E. Society Helped You?" and "Your Favorite Passage of Scripture; Why."

State and district work received special notice. It was a practical as well as inspiring convention.

The juniors were foremost Sunday afternoon, both the North Gainesville and Lutheran societies having exercises and songs. Mrs. H. W. Bruce talked to the children and there was a paper on work for junior department read. Miss Emma Y. Hughes led the closing consecration service.

The following officers were elected: President, Mr. F. P. Henderson, of Gainesville; vice president, Presbyterian, Mrs. C. Gilbert; vice president for Lutheran, Mr. T. J. Carlisle; secretary, Miss Emma Y. Hughes, (re-elected); treasurer, Mrs. Loma Kirchbain; junior superintendent, Mrs. H. W. Bruce. There were three members chosen for a lookout committee, one for each of the three counties, Columbia, Alachua and Levy.

The delegates left at sunrise on Monday, richer in friendship and fellowship for having had this Christian Endeavor good time.

Grace A. Townsend, Gainesville, Fla., Oct. 13, 1908.
