About Sewing Machines

### Why Not Buy The Best?

There is no economy in buying machines that are cheap in mechanism, and high in price, that you will want to trade off in a short time.

A "SINGER" is always the pride of its owner. The Singer Sewing Machine is recognized all over the world as the model of sewing machine perfection, and all other makes are judged by the Singer standard. That is why every woman is proud to own a Singer, sold only by the Singer Sewing Machine Co., dealing directly from maker to user. They are now being sold at lower prices.

Also the best oil, needles, belts, etc., of which we carry a larger stock than any other dealer, and we are on the spot to give careful attention to all customers.

I therefore let you know that I shall recommend them to any one suffering from such troubles."—Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

## Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine.

Dr. Pierce believes they have a perfect right to INSIST upon such knowledge. So he publishes, broadcast and on each bottle-wrapper, what his medicines are made of and verifies it under oath. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses and derangements, giving rise to frequent headache, backache, dragging-down pain or distress and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

It's foolish and often dangerous to experiment with new or but slightly tested medicines—sometimes urged upon the afflicted as "just as good" or better than "Favorite Prescription." The dishonest dealer sometimes insists that he knows what the proffered substitute is made of, but you don't and it is decidedly for your interest that you should know what you are taking into your stomach and system expecting it to act as a curative. To him it's only a difference of profit. Therefore, insist on having Dr. Pierce's Favorite Prescription.

Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages cloth-bound. Address Dr. Pierce as above

## The Value of Good Digestion

Is easy to figure if you know what your stomach is worth. Kodol keeps the stomach at par value, by insuring good digestion. Kodol cures Dyspepsia.

Kodol insures good digestion by absolutely duplicating Nature's normal process, in perfectly digesting all food taken into the stomach.

While Kodol is doing this, the stomach is resting and becoming strong and healthy. A strong and healthy stomach guarantees a sound and active brain.

The man with a sound stomach—a stomach that is doing for the body just what Nature intended it to do—is the man who is always prepared for any emergency. He is "there with the goods."

The man with a sick stomach, is a man sick all over. When the stomach is irritated by undigested food, the blood and heart are directly affected. Then dizziness, unnatural sleepiness, sick-headaches, vertigo and fainting spells, and even serious brain trouble develop. Kodol will prevent these.

Spurring the stomach and brain to special effort by "tonics" and "stimulants" doesn't cure anything, or accomplish any good. Neither does dieting. Indigestion and the serious ailments which it induces can be averted and corrected only by natural means.

Kodol supplies this natural means. It performs the stomach's work for it—just as the stomach should perform it—while the stomach takes a little rest, "for the stomach's sake."

### Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains six times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
