Dr. Cheeseman's Pills are invaluable, as they will bring on the Monthly Period with regular, ity. Ladies who have been disappointed in the use of other pills, can place the utmost confidence in Dr. Cheeseman's Pills doing all that they represent to do.

NOTICE.

There is one condition of the female system in which the Pills cannot be taken without producing a PECULIAR RESULT. The condition referred to is PREGNANCY—the result, MISCARRIAGE. Such is the irresistible tendency of the medicine to restore the Sexual Functions to a normal condition, that even the reproductive power of nature cannot resist it. The Court of Common Pleas

Is now in session in this village, Judge Chaffee presiding. The term has not been very exciting or interesting, thus far. The New York Circ.

The utility of Reaping & Mowing Machines being no longer a question, the very natural inquiry of the larmer wanting to purchase a Harvester is—where can I buy the best Machine in used We would advise all such to examine all the Machines in your reach, and when you have found one, the appearance of which please you, go to some one who has used it, and ascertain from him whether it is what it has been represented to be. In this way you will probably get a Harvester that is all right.

This machine has been in use for the last 5 years, and there is scarcely a county in the Northern States in which it has not been tested. Persons wishing to buy, can be shown references from iarmers in this vicinity, who have used this machine, and who recommend it as having advantages over any other in use.
