### KIRKWOODS.

Continued from first page.

all he has to do is to post a forfeit, draw up articles on the basis of his challenge, and Simms will be found ready to meet him, or in fact any other man in his class. If the contest takes place in the west all that we care to impose is that the affair takes place before the club offering the best financial inducements. If any eastern club will offer an inducement in excess of what we can get in the west we will accept, but prefer to box in the west and will give or take railroad fare should the men sign articles.

"I might add that Simms has several engagements booked for the next six weeks, and that he is beginning to earn recognition from expert judges of pugilism all over the country. He is being challenged by nearly all the crack boxers, and this is the best form of recognition that a boxer can receive.

### SATURDAY'S GAME

Between Buchtel and C.Y.M.T.C.'s—Enthusiasm at the College.

The game Saturday between the Buchtel college and C. Y. M. T. C. teams on the college grounds should be a good one. The Buchtel eleven has not played before this year. Eves, Rockwell, Robinson and Price are well known players on the college eleven. Sharpe, one of the Buchtel team, is an old O. S. U. student. Great enthusiasm is shown at the college over the team's prospects. A collection was taken Wednesday during chapel exercises and a considerable amount was raised for the team.

### NEW CENTURY CLUB.

Officers' Day Was Appropriately Observed—Large Number Present.

"Officers' Day" was honored by a full attendance of club members. It was appropriately observed at the home of Mrs. C. W. Milliken, the members responding to roll call with French quotations.

Mrs. C. P. Humphrey, as the club's representative to the State Federation, recently held in Cincinnati, gave a splendid report, full of bright, helpful ideas and suggestions. Seventeen hundred women delegates were registered at this convention, representing 8,000 federated members.

Two selections, "A French Song," "Trabzon," by Guinand; also "Persuasion," by Bomberg, were rendered by Mrs. D. L. Marvin, accompanied by Mrs. Chas. Bruot. Miss Carita McElbright gave a reading, "The Last Lesson," translated from Doudet. The "Hymn de Marseilles," a national hymn of France, was sung by the officers of the club.

Refreshments were served, bringing to a close one of the most delightful social sessions in the history of the club.

### ANTI-SALOON LEAGUE

Claims to Have Elected Candidate Seese in Summit County.

The Anti-Saloon league takes credit to itself for reducing the vote polled for Judge Caldwell, the Republican candidate for Lieut. Governor. Yesterday afternoon Wayne B. Wheeler, the Cleveland attorney for the league, commenting on the result of Tuesday's election in Summit county, said:

"In Summit county, which was Democratic two years ago, Mr. Kempel was the open advocate of the saloon interests, and was especially indorsed by the liquor league convention in Tiffin as one of the men in the seventy-third general assembly who openly advocated their cause at all times. Prof. Seese of Hudson was nominated on the Republican ticket. A number of men were put in the county to work in his interests. The better class of citizens who are not extreme partisans rallied to the support of Prof. Seese, and he was elected."

This will be news to Summit county people. Mr. Kempel made a splendid run, receiving 2414 votes more than the head of his ticket.
