There are Kitchen Cabinets --and Kitchen Cabinets
Almost every cupboard built for kitchens is called a kitchen cabinet nowadays. Every cupboard has some kind of storage, and almost every cupboard built for kitchens has storage, but the women who use Hoosiers save millions of feet because of the construction of the Hoosier. 200,000 women use Hoosiers-most of them have bought through the recommendations of their friends. The New Hoosier Cabinet Fits Any Kitchen

BRANCHVILLE
C. E. Miller was the recipient of a box of bulbs and onions from Mr. and Mrs. Leonard Johnson of Columbus, Ohio. Mrs. Marjorie Wood of West Richland Field has been very busy with the preparation for the Christmas parties. There will be a temperature rally in the town hall Friday night in which every area is invited. The primary selection under the guidance of Sr. Albert and Miss Leal are teachers, gave a fine exhibit last Friday afternoon. They feel like literary women. The Rev. and Mrs. W. J. Miller, Wadsworth, Ohio, have been visiting relatives in Groveton, New Hampshire. Mrs. Waite, Miss Hieronymus, and her friends are looking forward to the opening of the room at their church. Dr. Kauffman has been called to take an active part in a new church in the country. Mrs. Good and her children have been visiting relatives in the country. Mrs. Weeder and her children have been visiting relatives in the country. Mrs. Weeder and her children have been visiting relatives in the country. Mrs. Weeder and her children have been visiting relatives in the country. Mrs. Weeder and her children have been visiting relatives in the country.
