THE OHIO STATESMAN FOR 1865.

PROSPECTUS.

The time has come to issue the Annual Prospectus of THE OHIO STATESMAN. This Journal was established to expound and enforce the great ideas of Government taught and practiced by THOMAS JEFFERSON and ANDREW JACKSON, which gave extent of territory to the Union, world-wide renown to these States, and unexampled prosperity and happiness to the American people. Never before in the history of the Government, were the exposition and the enforcement of these ideas so necessary as now. Alone through their adoption and faithful practice by the Administration, can the Union be restored, and peace and widespread happiness be brought again to our Country, now torn and mangled and desolated by a gigantic Civil War.

A partial change in the Editorship and Proprietorship of THE STATESMAN has taken place. LEWIS BAKER has sold his entire interest in the Establishment, and retired from the position that was assigned him on the Paper—E. B. EISENHART having bought that interest and an additional interest. Mr. EISENHART has been for nearly twelve years the Editor of The Chillicothe Advertiser—a paper regarded as one of the leading Democratic Journals of Ohio. In a few days, he will assume the duties and responsibilities of his new position as the co-editor of THE STATESMAN, thus uniting his experience and ability with those of AMOS LAYMAN, in the important work of continuing to make the several editions of the Paper deserving the cordial and liberal support of the Democracy, everywhere.

THE OHIO STATESMAN COMPANY now call upon the friends of the Union and the Constitution, in every County, Township, and School District, throughout the entire State, to actively aid in the circulation of this old and time-honored Central Organ of the Ohio Democracy. They ask that all of its editions be liberally subscribed for and paid for, during the ensuing year.

An accurate daily abstract of the proceedings of the Ohio Legislature, when in session; the latest Telegraphic Dispatches, including the proceedings of Congress, when in session, and the Markets from all the Commercial Cities—will be given in each issue.

THE WEEKLY STATESMAN is a large thirty-two column journal, printed on good paper and clear type, large enough for old eyes. Each number contains a complete resume of all the Military and Political news of the week; the latest Telegraphic and Market Reports; a carefully prepared collection of Literary reading for the home and family; and an abundance of Paragraphs upon every topic of interest or importance.

While the war continues, and the currency is of such sort as it is, we can hope for little or no profit. Our terms for THE WEEKLY have been somewhat increased, but not in proportion to the increased cost of white paper, labor, and everything else used in making a Newspaper. The Paper cannot be published with any lower scale of prices. As it is, there is really nothing equally valuable, so cheap as a Newspaper like THE STATESMAN.

This peculiar taint of infection which we call SCROFULA lurks in the constitution of millions of men. It is produced by an enfeebled, vitiated state of the blood, which is the result of a debility of the vital forces in their vigorous action, and leaves the system to rot in decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children into the third and fourth generation; it seems to be the root of all the evils which afflict the human race. It is the cause of the most terrible diseases which originate take various names, according to the organs it attacks. In the lungs, Scrofula produces tuberculosis, and finally Consumption; in the glands, swellings which suppurate and become cancerous; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptions and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot be healthy; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effective antidotes that medical science has discovered for the afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy is proved, not only by all who have given it a trial, but that it does combine virtues truly extraordinary in its effect upon this class of complaints, is indisputably proven by the great multitude of publicly acknowledged cures which it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Dropsy, Neuralgia, Dyspepsia, Indigestion, Syphilis and Syphilitic Infection, Mercenial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the drugists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made in all other remedies have failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of his benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is sure to cure it. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the power of Sarsaparilla in alternative power. By its aid you may protect yourself from the sufferings and danger of these disorders. Purge out the foul corruption that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus causes the system to work within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and delivered nothing. The will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from that other which has been before the people, and far more effective than any other which has ever been available to them.

AYER'S CHERRY PECTORAL.

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used, and so universally known, that we need no more that assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

CONSTITUTION LIFE SYRUP

COMPOSED OF JODIDE POTASSIUM With the Compound Concentrated Fluid Extract

Valuable Medicinal ROOTS AND HERBS.

Prepared by WM. H. GREGG, M. D., Graduate College of Physicians and Surgeons, N. Y.

Formerly Assistant Physician, Harkness's Island Hospital, late Medical Inspector, U. S. State Volunteer Division, under Governor Edwin D. Morgan.

Constitution Life Syrup HAS PRODUCED

A REVOLUTION IN MEDICINE.

What many seem almost incredible, is that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigation of the liberal minded and scientific to cases which have no parallel at the present day.

Our medicine is peculiar, by its effect on the system it is directly reached, and the equilibrium restored. Those who have suffered long from painful and obstinate diseases; those who have vainly sought relief from advertised medicines; those who cannot be cured by other physicians—

Are invited to use Constitution Life Syrup.

During the past five years we have contended with obstacles and overcome opposition as herculean as were ever encountered by any reformer.

RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanency, and think that diseases cured by the "slow recuperative process of Nature."

This is our reply. In health, the body, like a well balanced scale, is in equilibrium. But when, from any cause, down runs one side of the scale, we have the effect of disease. What is requisite is, to restore the normal balance of the scale.

Constitution Life Syrup, A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all diseases which are transmitted from PARENT TO CHILD.

PARALYSIS. Hemiplegia, Paresis, Paraplegia, Paralysis Agita, etc.

AYER'S SARSAPARILLA

SCROFULA AND SCROFULOUS DISEASES. From Dr. Roback's Stomach Bitters. "I have sold large quantities of AYER'S SARSAPARILLA, but never a single bottle which failed of the desired effect and full satisfaction to those who took it. As fast as cases present themselves, I have been able to cure them. It is the only medicine like it before in our community. Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. I only use my daily to one and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. J. R. Rice, a well known and much esteemed wife of Dr. Roback, Cape May, N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded relief until we tried your SARSAPARILLA, which soon completely cured her."
