R. E. SELLERS
MUCH USED AND HIGHLY POPULAR
FAMILY MEDICINES.
SELLERS' CELEBRATED
LIVER PILLS.

Which stand Unequaled by any Medicine known for the Cure of Liver Complaints and other Diseases avarising from a deranged state of the Liver.

This Medicine has been in public use about fifteen years, and has acquired a reputation for curing the Liver Complaint which has never been equalled by any temedy heretofore offered to the public.

As an Anti-Bilious or Purgative Pill, they are unsurpassed, and are the original, only true and genuine Liver Pills.

The subscriber would feel aggrieved to be even suspected of the intention to obtain for the Liver Pill any unfair advantage of the bublic, or of seeking for it any share of confidence to which it has not a just and full claim.

When he undertook to prepare and vend this medicine, (aside from the regular practice, to which he always defers,) no pill was known to the public having any fair pretensions to give relief in diseases of the liver.

For this disease it had long been successfully employed in private practice, and was given to the public with such directions and precautions as might render it of extensive benefit; and the result of its employment has fully sustained its reputation, and increased his confidence in its just claims to be regarded as the only pill deserving to be called "The Liver Pill."

Since "the Liver Pill" has been submitted to public attention, the whole country has been almost broacest with pills of varied names and almost universal pretensions. The intelligent public will draw its own inferences from the means and extraordinary efforts pursued to make these operations profitable; we confidentialy expect "the Liver Pill" to survive them all. Content with this assutance, we shall continue to pursue that course, and hold that language respecting them, which we can justify to our own sense of duty and to the good sense of the public, having no wish to impose upon the ignorant; or tax the credulous for our pecuniary benefit.

R. E. SELLERS.

Mr. R. E. Sellers, DEAR SIR. We have sold a large amount of your popular family medicines The increased demand for them, testifies to their general use. They seem to give general satisfaction. Yours.

MOXLEY & BARBER.

For several years past I have sold the various preparations of Dr. R. E. Sellers' both at wholesale and Retail, and they have with scarcely an exception, given satisfaction to the purchasers. Judging from the reports of those who have used them and what I have seen of their effect, I consider them excellent medicines.

Yours, J. P. SHAW, Druggist, Ironton, O.

Mr. Shaw, sir,

I feel it a duty that I owe to my fellow sufferers, to state that I have experienced great relief from the use of Dr. Sellers *Liver Pills*. I have suffered severely with the liver complaint for several years, so much so that both myself and friends have thought that I could not survive but a short time. Much money had been expended in the endeavor to procure relief from the regular physicians, but all in vain—as a last resort on the recommendation of my brother, I procured some of Sellers Liver Pills at your store, and found great relief from their use, and in the continued use of them since I have almost entirely recovered my health.

HANNAH COMPSTON.

I am the husband of Hannah Compston—I think Sellers Pills a superior medicine, and believe that they were the means of saving my wifes life.
