**A**ND we will open in a manner to startle all by offering values that are positively beyond comparison. It is a sale that smashes prices but does not injure quality. Not something for nothing, but a lot for a little and a sale in which everything white has received a cutting consideration. Our utmost energies are bent upon making this a brilliant and instantaneous success. The reward of our efforts can best be determined by the merchandise we offer and at the prices we offer it. You are the judges, and we have no doubt that you will pronounce them the best values in dependable white goods that you have ever bought. Don't fail to be among the early comers for the heavy buying of the past few weeks has left us with many short lots which we have priced far under value and in these you will find many bargains that you can not well afford to miss.
