For Governor:

CHARLES MASON

Resolved. That the maintalnance invio ate of the rights of the State, and especially the right of each State to order and control its own domestic institutions according to its own judgment exclusively is essenting to that balance of power on which the fabric depends.

Resolved, That we believe each State has he right to regulate the elective franchise Will contract for the erection of buildings, and from the long experience in the business reliable to lows, are upposed to striking the word "white" out of our State Constitution Resolved. That the existing tariff laws are

unjust and heavily burthensome to the agri-cultural States, without being of a corresponding beacht to the government, and anty of advantage to a few m-nufacturing states, Resolved, Then all classes, of property should be a property should pay a proportionate rate towards describe the agencies of the Government.

We are ther I re in favor of taxing gove in ment bonds the same as other property. Resolved. That we are in favor of repealing the present prohibitory liquor law of this W. E have made arrangements for obtaining all kinds of inside work from manufacturers in Chicago on short notice.

State, and in favor of enacting a well regulated license law in lieu thereof.

Resolved. The Resolved, That we are in favor of an amendment to the Constitution of our State, giving to foreigners the elective franchise.

after they have declared their intention to become citizens of the United States, and have resided in this State one year. Resolved. That we demand of our public. fficers in the State of lows, and in the United States, the elected economy in order to reduce the present system of burdensome taxation and we denounce in the severest terms the proflegacy, corruption and knavery of our State officials and of Congress.

Resolved, That the denial of the right of epresentation to ten States of the Union through odious military restrictions, in vio-lation of the Constitution, should meet with the unqualified opposition of every good

Ordinance No. -

WHEREAS, It has become necessary to procure additional levee facilities and the orporate limits of Sioux City, and to procure the title to certain town lots in said city for said purposes, and for the purpose of making other contemplated improvements within the said corporate limits; and, whereas, it is deemed advisable to procure the title to said property and the right of way while the same can to obtained at reasonabie prices; and whereas, there are no funds in the treasury that can now be used for that purpose; and whereas, a Committee of the citizens of Sioux City have been appointed for the purpose of ascertaining upon

What terms and its what way the same can be obtained; and whereas, from the report of said Committee it is apparent that money can be obtained for the purposes aforesaid by issuing City Warrants to the parties furushing the money therefor. Section 1. Therefore be it enacted by the City Council of Sioux City, That fifteen thousand (\$15,000) dollars or so much thereof as may be needed for increasing the levee facilities, obtaining the right of way over town lots in the said corporate limits and for procuring the title to town lots need-

ed for contemplated public improvements within the said corporate limits be, and are appropriated for that purpose, and that warrains payable on the first day of November, 1867, and on the first day of November, 1868, and on the first day of November, 1869, be drawn, payable out of the general funds of said City, in the manner heremaner provided with institute provided whirants when due shall be ecervable payment of taxes the same as other City Warrants are sow receivable in payment of

taxes. Section 2 And be it further enacted that committee of three. be appointed by the said Council whose duty it shall be to audit all chains presented by persons furnishing or advancing money for procuring said increasing the levee facilities afor said, and shall issue a certificate stating the amount of aroney turnished by each and for what pitt, pose, and upon the presentation of said ceruffeste to the Clerk of the Council, then Warrants shall be issued on the general fand of said city, each for one-shird the ambien mentioned in said certificate to the bistathing. The Descon whe salamon d

of November, 1867; one on the first day of November, 1863 and one of the his tart of November, 1869 Passed August 7th, 1867 A. R. WRIGHT, Clerk

LIVERY, FEED SOCALE STABLE To J. B. Greenway and Margaret Greenway:

OU are hereby notified that there is now on life in the office of the Clerk of the District Court of Woodbury county. Iowa, when one of them fell on a piece of quick-Sovember, A. D. 1866, as money due on a promissory note; and of both of you the forectuaure of a mortgage on let seven in block forty-four, in Sioux City, County and "Oh," said the farmer, re assured, "then

State aforesaid.

Now, unless you appear and defend there."

"Not a moment, for o before upon of the second day of the next term of the District Court aforesaid, to be begun and holden at Sioux City, within and for said County on the first Monday of November, A. D. 1867, a default will be entered against ron mor judgment, rendered thereon as prayed for in said petition. Dated at Spoux City. August 5, 1867.

Attorney for Petitioner. Call at Kent's and examine those Cottage and Rustic Shader, before purchas ing paper or lipeo. dead has the

At Kent's Drug Stare you will find 1m

If you cannot on the ocean Laughing at the storms you meet

As they launch their boats away. If you are too weak to journey
Up the mountain steep and high,
You can stand within the valley,

You can chant in happy measure As they slowly pass sleng; Though they may forget the singer, They will not forget the song.

If you have not gold and silver, Ever ready to command. If you cannot toward the needy Reach an ever open hauf; You can visit the afflicted, O'er the erring you can weep; You can be a true disciple,

Sitting at the Savior's feet. If you cannot in the conflict Prove yourself a soldier true, If, where the fire and amoke me thickest When the battle-field is silent, You can go with silent tread.

You can cover up the dead Do not, then, stand idly waiting, ber some greater mark to do! Fortune is a lasy goldess.

She will never come to you.

You can bear away the wounded,

G and toll on the Vineyard, Y a can find it anywhere

Various Items. Doctor-"Well, madam, how is your husband to-day ?" Wife- "Why doctor, he's no better." Doctor - "Did you get the leeches?"

TOTAL ...

Wife-Yes, but he took only three of -Bob, that's a fine horse you have there they do, and they'd take a twentiath, if they what's he worth ? "Three bundred and fifty dollars," "No, hot so much as that."

"Yes, every cent of it; another fifty on top of that." "Are you stire?" "Yes, I'll swear to it." 'All right."

"What are you so inquisitive for ?" "Merely for assessing purposes, I am the assessor for this city, and only wanted to know what you rated your neg at."

Mama (reproachfully) -"A heagle! Oh

you higherant girl! Vy it's a how! !" Keeper of the menngerie (respectfully)-"Axes parding mum, 'tis an awk." -A lad on delivering his milk one morning, was asked why the milk was so warm.

- Sam, said one little archin to another vesterday: "Sam, does your schoolteacher ever give you any rewards of merit?" "I spose he dies," was the reply; "he gives me her visitor. "Are you to be let, too?" ina kickin' regular every day, and says I merit

-Nice Boy .- "Ma, if you will give me a peach I will be a good bor." . No, my child you must not be good for pay; that is not right."

Two little girls in a neighboring town this State were witnessing the parade of gallant "milish" regiment a fen dayengo, and indistred in the following conversation : First Girl, "What are they doing?" Second Girl, "Practicing."

First Girl, "What for?" Second Girl, "Why, for the next war." -Preity Hard Ice .- Descon Johnson is a great temperance man, and sets a good example of total abstinence, as far as he is seen Not long since he employed a carenter to make some alterations in his parright of way, purchasing of town lots and for, and in repairing the corner near the fire place, if was found pecessery to remove the wainstoting, when lo! a dispovery was made

holder thereof, payable one on the first day and as he beheld the blushing bottles, he ex-Wall, I declare, that is carious, sure enough. It must have been old Bains left them which his went act of this house thirty

the petition of James E Booge, claiming sand and began to sink. His companion. of you the said J. B. Greenway the sum of sand and began to sink. His companion, four handred and accenty five dollars, with frightened, ran for assistance, and finding a interest at the rate of ten per cent. per farmer begged him to come and bring a amum on the same from the 17th day of rope before it was too late:

> "Not a moment, for you see he went in head foremost!" -A Good Story .- Some years ago a gen-

tleman was travelled through mostles in Nobrasks, and had to remain over night at a singe house. After he had retired, he heard the old lady say, "John, get up and turn the chickens." Our traveler thought that was a strange work to be done, and in the morning length, he discovered the mystery. The chiebens, were in the habited receiting on the edge of the floor barrel, and had to be turned tails out, so John bud to get up to turn the

- Obe bar at Saratoga dose a business worth \$42,000 a season.

Mr. Robbine, who sells chickens in Fulton market, Brooklyn, tending his stall himself, s worth some \$2,000,000. A country boy, who had read of sailors

heaving up auchors, wanted to know if it was sea-sickness that made them do it. A wholesale house in Boston advertises

'Wanted-women to sell on commission.' And this is Boston! Cool, if not slightly Greeley writes in the Ledger "Recollec-

tions of a Busy Life." A well known Bohe

mian is said to be preparing "Recollections of a Dizzy Life." Beadle, the "Dime Novel" autocrat, is summering at Cooperstone, where he has a beautiful villa. He has made a fortune by

the publication of unmitigated trash. The latest story is that Wilkes Booth is now the captain of a pirate vessel, and the terror of the Chius sens. How about the backbone in the Washington museum?

The Paris landlords are filling their hotels with spittoons to accommodate Americans visiting the great exposition. As a spit-ist the American will expect to rate first rate. The Boston Post, ives the following coun sel to mothers: "Mothers who refresh in-

fants in the horse cars are not required to exhibit the process to other passengers." A correspondent of the New York Post says that a small piece of cloth, saturated in carbonic acid, and bung up in a room, will soon drive off both flies and musquitoes.

The London Cosmopolitan maliciously

says that Harvard conferred the degree of LL. D. upon Mr. Peabody, not for his learning in the law, but for his other "great Punch reports the speech of an Irish M P. who thought Ireland was over taxed :-"Take a tenth of our income, sir. Ay, that

dared. Some of the girls have remonstrated against a patent being issued for the fasten-Ing of buttons on clothes by a screw, decla- RAIL ROAD ring that if the men can put on their own buttons they will never get married.

It is reported that among the many whites

and half-breeds engaged with the Indians in their atrocities on the plains, is one Bent, a graduate of West Point, who has made himself conspicuous by his acts of brutality. Masonic lodges have been closed in Aus-- Cockney Zoology - Precocious young tria since 1794, The attempt to procure the re opening of them in 1849 failed. The Vi-

enna Masons are endeavoring to obtain an authorization to reconstitute the former lodge of that city. A western editor hearing it observed that Clothing, Dry Goods, etc. a person in a drowning condition suddenly recalled all the transactions of their past "I don't know," said he, "unless Mr put lives, wished that a few of his delinquent in warm water instead of cold to make the subscribers would take to bathing in deep water, and get about half drowned.

> A gentlemen called to see a tenement that was to be let. It was soown him by a prettv. chatte woman, whose manners charmed quired he, with a languishing look. "Yes," said she, "I am ; I'm to be let alone." The horses at some of the New England watering places are severely scared by the aspect of the lady bathers in their bathing

dresses. Some of the costumes and a few

"You don't want me to be good for noth- of the wearers are fearfully made. As the Boston Post says, " Even the brute creation can't endure the spectacle." The Portland Argus tells the following story: "A gay old boy of sixty odd years recently married in this city a blooming maiden not yet out of her teens, and on Saturday night last the young woman presented o her lord and master four children at one fell swoop-two boys and two girls." The

Argus learns that it has been decided not to drown any of them. "My wife tells the truth three times a day," remarked a jocore old fellow, at the same of the newest styles of goods, of the very best qualit and will be sold cheaper than goods were ever before time casting a mischievous glance at her. Before rising in the morning she says, 'Oh, dear, I must get up, but I don't want to!" After breakfast she adds, 'Weil, I suppose I must go to work, but I don't want to!' and she goes to bed saying, There, I have been working all day, and I havn't done suy-

This is worth knowing, if true: A poison of any conceivable description and degree of patency, which has been swellowed, intentistually or by accident, may be rendered instantly harmless by swallowing two gills of eweet oil. An individual with a very strong constitution should take twice the quantity. This oil will neutralize every form of vegetable or mineral poison with which physi-

cians or chemists are acquainted. An industrious blacksmith and an idle dandy courted a pretty girl, who besitated which to take. Finally she said she would marry whichever could show the whitest hands. With a sneer at the blacksmith the dandy held out his palms, white from idleness. The poor blacksmith hid his braway hands in his pockets, then drawing them forth full of bright silver coins, he spread them over his dusky fingers. The girl decided that his fingers were the whitest.

A good story is told of Professor Adams at Amberati He was very dry and witty, it is said, and the following is too good to pass A mudent was called upon to describe the peculiar characteristics of the shark. He

was a finent speaker, and answered at some

"Incorrect," said the professor. Unwilling to acknowledge his ignorance the student tried again. "Incorrect." Well, to tell the trath, Professor, I-I

don't know anything about it is were
