## TWO YEARS' JAIL SENTENCE FOR

Judge Herbert F. Raynolds Announces Decision in Now Celebrated Contempt Case: Fight Not Yet Over.

Two years in the county jall of Mc-Kinley county was the sentence imposed on Stephen Canavan, the former Gallup mine owner, and reputed to be worth in the neighborhood \$75,000. It is understood that the defendant may purge himself of the contempt charge by paying his divorced wife the sum of \$21,590, the amount cree of divorce she obtained in June.

Judge Raynolds pronounced sentence yesterday afternoon in the dis-Immediately thereafter, E. W. Dobson, counsel representing the defendant, made preparations to part of the Santa Fe, strongly sec-leave for Santa Fe on the first train to sue out a writ of habeus corpus, to said that proper drainage of inurtest the legality of the court's rolling. Attorney H. B. Jamisson, who repres freed for which was felt all over the sented Mrs. Canavan in the proceed. State. He urged the club to forwarings, also went to santa Fe, where the movement every way possible he will oppose the granting of the writ. Should the writ be denied and of the creamery project new under Judge Raynolds he opheld by the way by E. E. Van Horn, showing the higher tribunal, then Canavan must the building which was to be used serve his sentence, the only alternative being his payment of the judg-

He has been in the state. conditions. He has been in the state engaged in this work for the past two years, making his headquarters a Roswell.

Mr. Cooper said that the principa bjection to drainage by individuals vas the fact that when a single plot was drained, often at great expense, other plots of ground in the neighborhood received advantages just great as the plot originally drained t no expense to their owners. This fact lead the farmers and others, he sid, owning wet lands, to leave them

He advocated a law which would empel drainage by districts, compelling each land owner to pay his proportionate share of the drainage incurred in draining the whole district.

Mr. Cooper suggested sub-soil drainage by means of porous pipes, which, he said, in this neighborhood would need to be about four and a half feet under the surface of the

Mr. Gillenwater moved, and Mr. Gladding seconded the motion, that a committee of three be appointed by be club to investigate local conditions leading toward ultimate drainage, and prepare a law covering the needs of the Albuquerque district. This was carried,

It was brought out that there is a onsiderable amount of land in this vicinity which would be bettered by proper drainage, and the district law idea suggested by Mr. Cooper seemed to reach the spot as a remedy, at least, in the minds of his auditors.
