## STEPS NECESSARY TO GUARD LIFE OF ROOSEVELT

Ex-President Receives Numerous Threatening Letters Since Attempted Assassination; Stranger Turned Back.

(By Morning Journal Special Teamed Wire.)  
Oyster Bay, Oct. 25.—On account of a number of threatening letters received by Colonel Roosevelt and the presence in Oyster Bay of a stranger, who attempted today to make his way into the colonel's house, steps were taken tonight to guard the life of the ex-president.

Colonel Roosevelt's condition continued to improve today and his physician said he would be able to speak at the Madison Square Garden meeting in New York City on Wednesday night, but he would be unable to do any further campaigning.

The man who attempted to see Colonel Roosevelt arrived in Oyster Bay this afternoon and set out on foot for Sagamore Hill. He was met at the door by the colonel's secretary.

He was a tall, well dressed man, with a flowing black mustache and a sombrero, which gave him the appearance of a westerner. He would give no reason for asking to see the colonel, but persisted until his demands were cut off sharply and he was told to leave Sagamore Hill.

The stranger returned to the village, wrote a long, rambling letter to Colonel Roosevelt and then disappeared.

The attempt on Colonel Roosevelt's life was said by Dr. George W. Feltner, of Oyster Bay, one of the colonel's physicians, to have stirred up "cranks," and to be responsible for the letters which Colonel Roosevelt has received since his return to Oyster Bay. In some of these threats have been made against the colonel and it was decided that the danger of another attempt to assassinate him was sufficient to make it necessary to guard him.

The colonel's physicians wish to have him get out of doors as soon as possible, believing that he will be benefited greatly by doing so, but they are unwilling to risk the chance of another attack. Dr. Walter received a warning letter today from J. A. Waldron, appointment clerk in the office of Governor Dix at Albany. Mr. Waldron wrote that a man who had attempted to force his way into Merce hospital in Chicago, while Colonel Roosevelt was there, had been a prisoner in Clinton prison during the Roosevelt administration and at that time had written a letter in which he had threatened to assassinate President Roosevelt. It was said that this man had announced his intention, when he was denied admission to the hospital, to follow Colonel Roosevelt to his home.

After examining Colonel Roosevelt's wound tonight his physicians issued this bulletin:

"Colonel Roosevelt is in good condition and his wound is progressing favorably, but he will not be able to work or see visitors for some days. Unless some unforeseen complications should arise he will be able to speak for twenty or thirty minutes on next Wednesday night, but he must not return to Oyster Bay and not attempt to campaign."

that they would go whenever they were needed, was the statement yesterday of Christ Chelidias, a member of the local Hellenic colony.

Chelidias said: "There are only four or five Greeks here. They do not need us at home yet. But when we are needed, we will go."

He did not seem to think that he and his fellow citizens of Albuquerque would be needed at home because the Greeks already there would be able to defeat Turkey without their assistance.

## EASTERN STAR IN ELEVENTH ANNUAL ASSEMBLY

Two Hundred Members in Attendance on Grand Chapter Sessions; Final Deliberations Today.

The Grand Chapter of the Order of Eastern Star for New Mexico, convened here yesterday in eleventh annual assembly at Old Fellows' hall. Two hundred members of the order from all sections of the state are here for the sessions, which will be concluded today with the election and installation of officers for the ensuing year.

Because of the fact that the grand convocation of the Knights Templar was held at the Masonic temple yesterday, the Eastern Star was compelled to hold its session in a different hall. Today, however, the assembly sessions will take place at the Masonic temple.

The sessions of the grand chapter are being presided over by Mrs. Anna K. Black, of Silver City, grand mistress for New Mexico.

The largest representation is from Silver City, Domingue, San Marcel, Lordsburg, Santa Rita and Las Cruces.
