### WM. FARNUM in "THE PLUNDERER" PASTIME THEATER, SUNDAY AND MONDAY

In this great play of romance, love, hate, trials and success, Mr. Farnum excels his work seen in "The Spoilers." "The Plunderer" affords for William Farnum a real "Farnum Part"—his Bill Matthews of the Cross Bar mine, a doughty, splendid steel-knit fellow, with a big warm heart and a punch in each hand. Bill and his partner are harassed by a secret enemy who imprisons them in a mine shaft, causes a strike of the workmen and blows up the reservoir upon which the power of the mine depends. There are only a few of the thrills that keep you breathless—hanging on to the arms of your seat. The final climax where Big Bill and his partner discover their enemy is the most stirring of all.
