

A VILLAGE OF RETINEMENT.

A New Public Graded School

The first procedure has already been taken towards establishing a new graded school in District No. 5 somewhere between the city limits on East Central avenue and the University Heights Addition. A recent census shows that over 20 pupils are now available in that District.

Remember the price of all lots in University Heights Addition will be advanced on June 1st. City water will be available in about two weeks and the electric cars running in about six weeks.

Under such circumstances, Bismarck's Alleviate may prove beneficial. When used as an adjunct to proper care and hygienic living, it is most efficacious and in many cases it has brought lasting relief. It has been found equally effective in treating asthma and bronchial troubles. Stubborn colds often yield to it. In any event, a trial can do no harm. The "Non Skid" Summer Union Suit

Some men like body-fitting underwear—even in the lighter weights. We call our fitted models "Non Skids"—they can't bind, pinch or crawl up, no matter what position your body takes.

Coopers Kenosha-Klosed-Krotch Union Suits

You'll appreciate particularly the "Non Skid" styles in the Kenosha-Klosed-Krotch line; one smooth, single thickness of soft, absorbent cloth throughout the crotch; in both athletic and form-fitting models; nainsook and knit materials. The athletic style is the only athletic union suit with the knit crotch. Prices, \$1.00 to \$2.50 the suit.

IMPORTANT—Our special measurement service assures you of correctly fitting underwear. We measure and fit the length of the body as well as the breadth of the chest.
