The District of Columbia Republican convention which assembled for which they are respectively approceedings. disputing and quar- the supreme court in any action or melts. Vegetation is always a month in relling being the order of the day.

Considerable anxiety is felt for the safety of Americans in Chihuahua Mexico on account of the bitter feeling against Americans which is said to exist among the lower class of Mexicans. This feeling finds expression in outrages which are becoming more serious.

On Tuesday the House committee on judiciary adopted the adverse report of Representative Maybury in a joint resolution proposing a constitutional amendment to give women the right of suffrage. Dorsheimer who is said to be in favor of the woman suffrage movement agreed to the report on the ground that it was at present inexpedient to extend the right of suffrage.

The combination of barbed wire manufacturers has already borne fruit in the advance of one cent per pound in the price of barbed wire. So do monopolies prosper and the people suffer. In view of the multiplication of such monopolies under the fostering care of our protective tariff one cannot be surprised at the rapid spread of socialistic and other i leas of a kindred char

The bill requiring the governor of a territory to be a resident of the appointment passed the House on sessment and taxation by state, sion he was running a ranch in California. advocating the passage of the bill said, "There is a growing indisposition to admit new states on action to admit new states o sition to admit new states on ac- 1884, shall be sold by the company service in the English army, acquaintance count of the jealousy of all states, only to citizens of the United States ship and collaboration with Delicas, and so and this measure is intended to in quantities not exceeding 160 on she denounces as lies. mitigate one of the evils of the most infamous system of colonial government the world has ever
