HOG FEEDING DEMONSTRATION

Mr. W. E. Travis, of Beaver Dam, fed out 11 head of hogs on a balanced ration, 7 of which he fed for 60 days, making an average daily gain of 1.76 lbs., and four of which he fed 120 days, making an average daily gain of 1.35 lbs. He fed the hogs in a dry lot on corn at \$1.50 per bushel, shorts at \$2.40 per bushel, and tankage at \$3.50 per hundred. It cost him \$9.08 per hundred pounds to produce the pork with feed at the above prices. Mr. Travis had these hogs vaccinated at a cost of \$6, and on the whole lot, including cost of hogs, feeding, vaccination, etc., was \$226.30, and he sold them for \$341, making a net profit of \$115.30, which is a tremendous profit for dry lot feeding. There is no telling how much more profit he would have made had he a good pasture for them.

So many people contend that one can't make money feeding hogs with feed at present high prices, but you see what Mr. Travis made by feeding his a balanced ration. The reason they can't make money feeding them high-priced stuff is simply because they don't feed right and have not the right kind of hogs.

THOS. W. ACTON

Aged Citizen of Sulphur Springs

Section Died Sunday Afternoon.

Sunday afternoon about 5 o'clock, Mr. Thomas Washington Acton, one of the pioneer citizens of the Sulphur Springs section of the county, died at the advanced age of 88 years, of diseases incident to old age.

It seems that Mr. Acton had a premonition that he would pass away on this day, as he told several of his family that his time had come and that he would die Sunday.

He was a native of Maryland, coming to this county when a child. He had been a member of the Methodist church since 11 years of age.

In 1851 he married Miss Ellen Hale, and to this union 8 children were born, 5 of whom, besides his aged wife, survive him. They are: Rev. Jo. W. F. and V. M. Acton, and 2 daughters, Mesdames Lee Kirby and Florence Bean. He is also survived by one brother, Mr. W. H. Acton.

He was the grandfather of Cleve and Lorenzo Acton, the grocerymen, of this city.

His remains were buried Monday afternoon in the Midkiff burying ground, near Mt. Vernon church.

PROF. BRUNER AND WIFE.

In the Bulletin of Calvary Baptist church, Lexington, is a notice to the effect that "Prof. Bruner and wife leave us to go to Hartford, Ky. Prof. Bruner will have charge of the High School there, and we wish them success and usefulness in their new fields." The notice is headed, "Our loss, but others' gain." We also note from the Bulletin that Prof. Bruner was a deacon in that church.

The school board of Hartford College is to be congratulated upon securing this excellent gentleman, who is so well qualified morally and mentally to be their principal, to succeed Prof. Hallie E. Brown, who has rendered such excellent service in that capacity for the past eight years, Prof. Brown leaves next month for his new field of work at Harrisburg, Ark.

INSTITUTE CLOSED

Friday At Noon—One Of Most Successful Ever Held.

The Ohio County Teachers' Institute came to an end Friday at noon after a four and one-half day session.

From all reports it was about one of the best and most successful sessions ever held, and every teacher in the county left Hartford feeling that the time had been well spent and that they could now go to their

schools with renewed vigor and better prepared to teach the children in the rural districts.

Prof. W. J. Craig, of Bowling Green, came in for his share of praise for the excellent manner in which he handled subjects vital to the welfare of the rural schools, and Prof. Shultz is to be congratulated upon securing his services a instructor.
