PASTOR INSTALLED.

Exercises At The Presbyterian Church Thursday Evening.

SERMON BY S. W. MCFADDEN.

Installation Conducted by The Sioux City Presbytery, With the Moderator Rev. Cummings of Ida Grove.

The installation service at the First Presbyterian church last Thursday evening was a very auspicious opening of the pastorate of Rev. Wm. Ellsworth Bryce. The evening was beautiful, and the attendance was excellent. Numbers of members of other churches manifested their good will by their presence. The service was solemn and impressive, and calculated to deepen the sense of obligation on the part of both pastor and people. The installation was conducted by the Sioux City Presbytery, with the Moderator, Rev. G. M. Cummings, of Ida Grove, in the chair. After the opening devotional exercises, an eloquent sermon was delivered by the Rev. S. W. McFadden, D. D. of Sioux City on the subject of "Faith and Works". The Constitutional questions were then propounded to the pastor and people, and the pastoral relation was formally inaugurated by an installation prayer by the Moderator. Rev. Walter H. Reynolds, pastor of the Castellar Street Presbyterian church of Omaha, then delivered a very impressive charge to the pastor, and the Rev. J. W. Creswell, of Vail, a charge to the people full of good sense. The benediction was pronounced by the pastor, after which the members of the church, and many others of Mr. Bryce's friends came forward and extended to him their best wishes for a happy and faithful pastorate. The office of Pastor in the Presbyterian church is a permanent relation which can be dissolved only by the Presbytery.

GAME AT DOW CITY IS A TIE.

Neither Side Scored in the Football Game Played at Dow City Last Saturday.

The return game of football with Dow City was played at that place last Saturday and was one of the most hotly contested games played by the home team this season, as neither side made a score.

The team was well supported by the large number of Denison rooters who accompanied them, although our students do not know how to root to the best advantage. In some respects our boys did some of the best playing they have done so far this season. They worked at a disadvantage in having an entirely new formation and a new set of signals. The team work was poor, but there was good individual playing throughout the entire game. Under the new formation our offense was somewhat weakened, while the defense on line smashes was exceedingly poor. There was but one time when either side was in danger of scoring. In the first of the second half, while Dow City had possession of the ball, our boys nearly forced them back over their own goal line, which would have made two for our team.

The line-up which our boys presented Saturday is as follows:

Maloney, full-back; Lally and Thew, half-backs; Rob Romans, quarter-back; Rohwer, center; Wook, right guard; Hart, left guard; Weeks, right tackle; Danielson, left tackle; Rieter, right end; Rhedenbaugh, left end.

school children. The Governor visited the high school and made them a talk

At 6:30 the special train, bearing about one hundred Denison citizens, left for Schleswig, where the Governor made a speech. Every seat in the house was soon taken and the speaker was at once introduced by Hon. P. E. C. Lally.

At the Governor's own suggestion he did not mount the stage but addressed the audience from the floor. He said he thought so much of the people of Iowa that he wanted to keep as close to them as possible. He spoke for an hour and a half and held the close attention of the audience throughout the entire address. He reviewed the glorious accomplishments and history of the country since it has been in control of the republican party, while his apostrophe to the little bronze button worn by the Grand Army of the Republic was one of the most eloquent, soul-stirring, and patriotic of any we have ever heard.

After the speech, the Governor and a number of prominent citizens of the county, dined at the restaurant.

SALINGER WITH FAIRBANKS.

Will Assist the Senator in His Tour of Indiana. Called From Missouri, Where He Was Speaking.

The Register and Leader of Monday morning says that B. L. Salinger of Carroll, Iowa, has been invited to join the Fairbanks party at Indianapolis this morning at 5:30 o'clock, and he will make a tour of that state with the vice-presidential candidate.

Mr. Salinger was notified while he was speaking under the auspices of the national committee in Missouri, the invitation having been extended by the chairman of the Indiana state committee and Senator Fairbanks.

The tour which Senator Fairbanks takes in his own state will close his campaign, during which he travelled more than any candidate for any high office in the history of the country. During his various tours he has been assisted by Iowa men probably more than by those of any other state.
