

OLD SETTLERS HOLD REUNION

Tuesday An Ideal Day for Celebration
and Record Breaking Crowd
Was in Attendance.

ATTORNEY GEN. COSSON SPEAKS
New Officers Elected for Ensuing
Year—Sports and Baby Show
Attract Considerable Attention

The old settlers' annual reunion and picnic was held at Washington park Denison yesterday as planned, and is conceded by all to have been the most successful in the history of the Old Settlers' association. In the forenoon it looked threatening, but before the noon hour the sun came out through the clouds and the afternoon was ideal. The attendance was a record breaker and scores of people were in attendance, not only from Denison, but from all parts of Crawford county, who gathered to enjoy the fine program that had been arranged for their entertainment.

In the forenoon there was music by the Denison orchestra and for the entertainment of the little folks there were some athletic events with prizes for the winners. At the noon hour picnic dinners were laid out under the beautiful shade trees and neighbors and friends enjoyed a hearty repast from well filled lunch baskets. Free coffee and tea were dispensed in tin cups from a booth with Chas. Kemming in charge. The coffee was up to its usual high standard and for more than an hour Mr. Kemming and his assistants had difficulty in caring for the throng.

At 1:30 o'clock the afternoon program commenced. First there was music by the Denison orchestra and after the invocation Mr. N. L. Hunt read the list of the departed old settlers.

Attorney General George Cosson was introduced by Mr. Mott McHenry, and delivered an exceptionally fine address. Mr. Cosson is a good speaker and held the attention of his large audience throughout. He eulogized the old pioneers and especially those who settled in Iowa and have had much to do with its advancement. He stated that there was a marked difference between those who came west and pioneered and those who came to settle. He stated that it was the old settlers that were the backbone of every community and to them is due the praise for this grand state of Iowa. He made much of the idea that the power of government is in the people and that they alone were responsible for the good or bad government of the United States, as they have the power to make or unmake any public official. Mr. Cosson spoke of the terrible tragedy in Georgia recently where a man who had been tried and sentenced and whose sentence had been changed by the governor of the state to life imprisonment, had been taken from the penitentiary and lynched by an angry mob. He regretted that such things should occur among law abiding citizens. His address was full of good points and one that has made a lasting impression upon the people in this community.

Mr. Edward Houston and Mrs. Z. T. Dunham, who reside near Dow City, gave short talks and told of the pioneer days in Crawford county. Their talks were both highly interesting and enjoyed by everyone.

Officers Elected.
After the program had been concluded the annual election of officers was held.

Mr. Z. T. Dunham, of Boyer township, was elected president. Mr. Dunham has lived in Crawford county since 1851 and is now the earliest resident of the county living.

Mr. Frank Woolston, of Denison, was elected vice president and Mr. N. L. Hunt, secretary.

Prizes Awarded.
The sports during the forenoon attracted considerable attention and there were many entries in the different events.

In the 50 yard race for boys Leslie Cook won first and Edward Finn second.

The 50 yard race for girls was won by Hazel Garrett and Leona Vassar second.

The ball throwing contest created lots of fun and Miss Emma Lehfeldt won first and Della Poole second.

Leslie Cook won first in the egg and spoon race, with Theodore Weiss second. Edward Saggau's team won the relay race.

The baby show was a feature of the afternoon that attracted considerable interest. Eighteen babies were entered in the show to compete for the \$25.00 donated by Judge Conner for the three prettiest babies and it was no easy matter for the three judges to select the winners. Below we print the winners in this contest:

First prize, \$12.50: Raymond Boyens, age 5 months, 8 days. Parents, Launz Boyens, Minnie Ladwig Boyens.

Second prize, \$7.50: Richard Blaine Lilleholm, age 6 months. Parents,

(Continued on Page Four.)

STOLEN CAR FOUND NEAR HERE.

Three Boys Drive Car From Boone to Vail and Abandon It—Arrested at Missouri Valley.

Three Boone lads, who were out for an adventure, stole a touring car and started west over the Lincoln highway with it, but had to give up their intended trip when they were arrested at Missouri Valley Thursday morning and taken back to Boone. The owner of the machine furnished Sheriff Reid, of Boone county and Chief of Police Moyer, of Boone, with a description of the car and the two officials at once started on the trail. They notified officers in the surrounding towns to be on a lookout for the three young men. On Wednesday evening a car answering to the description passed through Vail and the marshal, together with two or three men, started in pursuit. Only a few miles out of Vail they found the car standing in the road, abandoned, and took it back to Vail.

It seems that the boys heard the machine chug of them and fearing that the officers were after them, decided to stop and disembark in the corn fields. From a safe distance they saw the marshal and his friends take the car back to Vail. They then walked to Denison and boarded the morning train for the west. The two Boone officers got off the train here at Denison and spoke to the three lads, but did not connect them with the theft at first, but after thinking it over decided to telegraph to Missouri Valley and have them arrested when the train arrived there. We understand that they confessed to the crime. They were taken back to Boone, where they will be tried.

MRS. DEITRICH MUNDT DEAD

Estimable Resident Dies at Her Home in Denison on Last Thursday After Prolonged Illness.

FUNERAL HELD ON MONDAY
Leaves Husband and Four Children to Mourn Her Death—Was Born in Germany.

Mrs. Detrich Mundt passed away at the family residence in North Denison on Thursday, August 19th, at 11:30 p. m., following a long illness. Several weeks ago Mrs. Mundt underwent an operation at the local hospital for a tumor and this was so successful that she was able to be up and around and visited relatives and friends out in the country. Only recently she complained of not feeling well and her condition grew rapidly worse. Complications soon set in and nothing could be done to relieve her condition.

Sophie Doarthea Caroline Meyer was born on July 21, 1841, at Husum, Hanover, Germany, where she spent the early years of her life. It was here that she was united in marriage to Mr. Detrich Mundt on May 6, 1872. This union was blessed with four children who survive her. In 1880 the family emigrated to America, arriving at Denison on June 19th. For a number of years they lived on a farm in Nishabotny township, but a few years ago they retired, moving to Denison, where they have since resided.

Mrs. Mundt was a loving mother, kind neighbor and was held in high esteem by a large circle of friends. Besides her husband she leaves to mourn her death the following children: Henry and William, of this city; Mrs. William Susdorf, of Whittier, Cal., and Mrs. George Langley, of Jerome, Idaho. Two brothers, Fred Meyer, of Round Lake, Minn., and Wm. Meyer, who resides at Hanover, Germany.

Funeral services were held Monday afternoon at 2 o'clock at the German Lutheran church, Rev. Wm. Frese, the pastor, officiating, after which interment was made in Oakland cemetery.

The Review joins with the many friends of the bereaved family in extending heartfelt sympathy in their hour of sorrow.

Malcolm Heiden has been appointed by the post office department to a position as clerk in the post office. Malcolm was one of the original carriers when the free city delivery was started seven years ago and has faithfully served the patrons of his route during that time. He will have charge of the general delivery window and will assist with the distribution of the mail. The death of Dr. Everett Kemp, Postmaster Wright, C. K. Meyers and Andrew McMinnee have been attending to the money order department. It has been arranged to have the different clerks assist in all of the departments in the future rather than assign any particular department to one person. Edward Kusel, substitute carrier, is now serving the patrons on Malcolm Heiden's route until the post office department appoints a regular carrier.

SCHOOL BOARD ELECTS PRINCIPAL

Prof. J. Johnson Elected Principal Last Saturday to Fill Vacancy in That Position.

THE FACULTY NOW COMPLETE
Frank L. Lynch Elected to Teach History and Gymnastics—Comes Highly Recommended.

At a special meeting of the school board held Saturday forenoon, Prof. J. Johnson was elected principal of the high school to succeed Prof. W. P. Knowlton, who tendered his resignation only a few weeks ago. A number of applications for this position were on file at the secretary's office before the Saturday meeting, but after carefully canvassing the different applications the board unanimously elected Professor Johnson.

Professor Johnson came to Denison some ten years ago and has had charge of the manual training department of our schools since it was inaugurated. He has also taught penmanship and mechanical drawing. Through the efforts of Professor Johnson the manual training department was successfully started and although the equipment was meager at the beginning, students generally took a great interest in this course under his teaching. He has taken an active part in the affairs of the high school and is held in high respect by all of the students. His promotion will not conflict with his having charge of the manual training department which will be good news to our boys and girls.

At the same meeting of the board Mr. Frank L. Lynch, of Independence, Iowa, was elected to a position on the high school faculty. Mr. Lynch will teach history and will have charge of the gymnastic and athletic work. He is a graduate of Grinnell college, where he received the degree of A. B. He has a record as an athlete, having had eight years' experience with track work and five years of foot ball. Everything is now in readiness for the opening of school on Monday. During the summer months all the buildings have been renovated and are now in first class shape. The old Fairmount residence has been remodeled and will be used for the first primary, kindergarten and domestic science classes. This is an excellent arrangement as it will allow the little folks being in a building away from the older students. Below we print the names of the teachers who will have charge of the rooms in the different buildings:

- High School Faculty.**
C. E. Humphrey, Superintendent.
J. J. Johnson, Principal of High School and Manual Training.
Albert Weiss, Science.
Marshall D. Eastman, Mathematics.
Frank P. Lynch, History and Gymnastics.
Fannie R. Hayes, English.
Fay Chamberlain, English and Gymnasium.
Marianne Sims, Latin.
Hedwig Brodersen, German.
Lillian Miller, Domestic Science and Drawing.
Winifred Wright, Supervisor of Music.

Grades of North Brick School.
Myrtle McAhren, Effie Norris, Mabel Kelly, Mildred Bowen.

Grades of West Brick School.
Jenna Stralain, Vera Strickling, May Smith, Edna Raine.

Grades of Central Building.
Emma Raine, Willetta Stralain, Gertrude Latchaw, Blaind Lally, Alice James.

Familton Building.
Susan Craft, First Primary.
Harriet Hall, Kindergarten.
Lillian Miller, Domestic Science.

The post office department is taking every means to make the parcel post system more popular with the public. The regulations heretofore have made the extreme limit in size 7 1/2 inches, but with September 1st there is an increase to 8 1/2 inches. In measuring a tape line is laid across the package to find its greatest length; then the tape is wrapped about the shortest dimension clear around. If both these measurements do not exceed 8 1/2 inches the package can be sent. After September 1st one sending a package can obtain a receipt on payment of one cent extra above the regular postage rate. With the same date there is a change in the rates for insured packages, so that the rates are as follows: Package whose value is \$5 or less, fee 3 cents; not to exceed \$25, fee 5 cents; not to exceed \$50, fee 10 cents; not to exceed \$100, fee 25 cents. The receipt given for the ordinary package on payment of one cent is in no way an insurance, but simply an evidence that the package was deposited in the post office. Packages can be insured through the rural carriers, and the receipt on payment of one cent secured from them.

DENISON YOUNG COUPLE WED.

Wedding of George Hoyer and Miss Alice Brummer at Carroll Friday, Comes As a Surprise

The wedding of Mr. George Hoyer and Miss Alice Brummer at Carroll on last Friday was a great surprise to the parents of the young people as well as their friends in Denison. The news reached Denison on Saturday, but of course there were no particulars and as the happy couple have not yet returned from their honeymoon there is nothing to give out.

It was quite generally known that they were attentive to each other, but no one suspected that the wedding was to take place at this time.

The bride is a daughter of Mr. and Mrs. Fred Brummer and was born and reared in Denison and has a large circle of friends.

George is a son of Mr. W. P. Hoyer and has spent most of his life here in Denison. For a number of years he has been working as lineman for the electric light company, a position he held with great credit. He is an industrious young man and will doubtless make a success of whatever he undertakes. For the past few weeks he has been playing with an orchestra at Lake Okoboji.

Mr. and Mrs. Hoyer are expected to return to Denison the last of this week.

Mr. W. H. Dudley and Miss Jane McIntyre, of Council Bluffs, were guests at the Raymond Conner home on Saturday and Sunday. Mrs. Dudley, who spent a week visiting her daughter in Denison, accompanied them home Sunday afternoon.

MARSHALL DIVORCE CASE ON

Marshall vs Marshall Case Begun on Yesterday Before Judge Hutchison—Considerable Interest

MRS. MARSHALL NOW ON STAND
Clark Marshall One of Wealthiest Men in County—Charter Oak Is Well Represented.

An adjourned term of the district court convened on Tuesday of this week for the purpose of trying the divorce case of Marshall vs Marshall, and as a result a large portion of the population of Charter Oak is on hand to witness the trial. The Marshall people are among the prominent people of Charter Oak and perhaps one of the wealthiest families in that locality and naturally considerable interest is shown in the case.

The trial of the case, in all probability, will take in the neighborhood of ten days to dispose of it. No testimony was introduced on Tuesday, the time having been consumed in arranging preliminaries and in the opening statements of counsel. The case is developing a great deal of interest, perhaps more than it should, and it is to be hoped that all parties will deport themselves with that propriety which should characterize the conduct of people connected with litigation.

There were but two witnesses examined this forenoon and the examination of a third one commenced, but not concluded. Mrs. Marshall is on the stand today and her testimony will take a long time in view of the wide range it is taking. G. B. Goin testified today concerning the extent of property interests and the value of the property. He also testified to declarations made by the defendant, showing his disposition of intolerance. A Mrs. Bohan, who formerly lived in Charter Oak, testified that she had worked in the Marshall family before the separation taking place. Mrs. Marshall described conditions as she found them while employed in the home. The indications are that the trial will be a protracted one inasmuch as there are apparently a multitude of witnesses yet to be heard.

Charter Oak people are making it a point to attend the trial and judging from the number of people from there in Denison today Charter Oak must be somewhat depopulated. We predict that in a week from now the case will still be on trial.

The Omaha Automobile club has written a letter to Mr. R. E. Mote, secretary of the Commercial club, asking for the co-operation of the Denison business men in having the Spirit Lake Air Line road improved. The Omaha club complains that the route is now very poorly marked and that they have had a car out on this route since last April putting up the necessary markers. They feel that the Denison business men should see to it that the roads in this vicinity are dragged and kept in the best possible condition. Other towns on this route have received similar letters from the Omaha club and it is hoped to improve this popular route.

Mrs. D. P. Lawler, of West Side, was a pleasant caller in Denison Monday.

SUDDEN DEATH OF OLD SETTLER

Philip Lochmiller Dies at His Home in Denison on Last Friday After a Short Illness.

FARMED IN EAST BOYER TWP.
Funeral Held Monday Afternoon at Baptist Church—Widow and Five Children Left to Mourn.

Philip Lochmiller, one of the old settlers of Crawford county, passed away at the family residence on South Main street on Friday, August 20th, at 8 o'clock in the evening after an illness of only three days' duration. Mr. Lochmiller suffered with a general breakdown due to old age, the organs of his body refusing longer to carry out their duties.

The deceased was born in Eger, Prussia, on Feb. 1, 1833, being the son of Hamlin and Anna Lochmiller, both of whom died in Germany. Philip was reared in his native country to a farm life and received his education in the public schools near Eger. When twenty-four years of age he came to America, going directly to Fort Madison, Iowa, where he resided for four years. In 1881 he was united in marriage to Miss Coralina Nechoff, also a native of Prussia. Shortly after their marriage they came to Crawford county, driving across the country with an ox team, bringing all their earthly possessions in the wagon that the oxen drew. But as they had just started housekeeping the load was light.

Mr. Lochmiller was poor, but had energy and thrift and was willing to work hard and diligently to make a home in the new country for his family. Upon arriving at Denison, Mr. Lochmiller met Mr. J. W. Denison and rented a forty acre tract from him, but at the end of two years purchased a tract of land in East Boyer township on Section 2 and moved a small frame house from Deloit to his farm. The farm house was only 8x12 feet, but this served their purposes for a year and then he built a log cabin 12x12 feet. From time to time Mr. Lochmiller added land to his farm until he had secured 280 acres, which is now being farmed by his son, Gus. The fertile land yielded good crops under the care of Mr. Lochmiller and it was not long until he had become prosperous. From time to time he added improvements to his farm until it was one of the best improved farms in that section of the county. He and his wife had many hardships to endure during the early years of their residence in Crawford county owing to the scarcity of every thing. For the first six months they were here they had no cook stove, but they faced the many hardships with great fortitude and it was not long until they were reaping the reward of their hard labors. In 1887 they retired from the farm and moved to Denison, where they have since resided. Politically Mr. Lochmiller was nonpartisan and for three years held the office of road supervisor. He was a member of the Baptist church and was one of the leading and influential men during the early days. He enjoyed the respect and esteem of every one in the county and his friends were numbered by his acquaintances.

Seven children were born to Mr. and Mrs. Lochmiller, five of whom, together with the widow, are left to mourn his death. Those surviving are: Mrs. Antonia Johnson, a resident of Los Angeles, Cal.; Mrs. Clementina Ransom, of Denison; Gustave, who is farming the home place in East Boyer township; George P., a farmer residing in Emmett, N. D., and Rudolph, of this city. He also leaves one brother, Herman Lochmiller, a resident of Denison.

Funeral services were conducted on Tuesday afternoon at the Baptist church, Rev. E. P. Williams officiating, after which interment was made in Oakland cemetery.

BERT JUSTICE INJURED TUESDAY

Jumps From Pile Driver, Breaking Both Ankles and Leg—Happened Near Town of Boyer.

Bert Justice was badly injured Tuesday forenoon when at work with a bridge gang in the vicinity of Boyer. Bert was on the top of a pile driver making some adjustments when the team started up, and thinking that the pile driver would topple over, he decided to jump to save himself. It was a good ten feet to the ground and he hit on the hard road with such force that both ankles were broken and one leg.

A farmer residing near the scene of the accident offered an automobile to bring the injured man to Denison, and he was brought here about noon, suffering intensely with the pain. A physician was summoned and the broken bones set. His condition is greatly improved today, but of course his injuries will necessitate his being confined for six weeks or more.

Mrs. J. F. Newcom was down from Deloit Monday shopping and calling on friends.

MISS BERTHA ROMANS MARRIED

Wedded on Last Wednesday at Portland, Ore., to Mr. M. J. Cline, of Aberdeen, Wash.

Mr. Lou Romans received a telegram the latter part of the week from his daughter, Miss Bertha, that she was married on Wednesday, August 18th, at Portland, Ore., to Mr. M. J. Cline, who resides at Aberdeen, Wash. Miss Romans had been visiting a friend at Portland and it was while while there that she became united in marriage with Mr. Cline.

A quiet wedding was solemnized at the home of her friend and after a brief trip on the Pacific coast they will go to Aberdeen to make their home.

The bride is well known to Denison and Charter Oak people. She was born and reared at Charter Oak, where she received her early education, later moving with her parents to Denison, where she has since resided. She is a young lady with a pleasing personality and will prove a helpmate to the man of her choice.

We understand that Mr. Cline is engaged in business at Aberdeen and is in good circumstances.

Miss Clara Curry returned Sunday from Sioux City, where she spent a week visiting at the home of her sister, Mrs. Martin Rosburg. Mr. and Mrs. Rosburg accompanied her to Denison for a brief visit at the A. T. Curry home.

Mrs. Bruner, of Douglas, Wyo., arrived in Denison last week for a visit with her daughter, Mrs. Albert Heisley.

ARION MAN KILLED BY LIGHTNING

Tracy Butler Meets Death at Sumner, Neb., During Severe Electrical Storm—Others Stunned.

UNABLE TO WITHSTAND SHOCK
Son of Mrs. Mary E. Butler, of Arion, Leaves a Widow and One Child to Mourn His Death.

Arion, Aug. 24.—(Special to the Review)—Last Saturday morning the community was shocked and saddened by a telegram from Sumner, Neb., stating that Tracy Butler had been struck by lightning and instantly killed. A severe storm was seen to be rapidly approaching and Tracy, together with his brother, Hal, hastened to secure shelter for their horses. A bolt of lightning struck the former to the ground and he was not able to survive the severe shock. Several persons in the vicinity were stunned by the flash, but were able to be revived.

Tracy J. Butler, son of Mary E. Butler and the late W. J. Butler, was born at Arion on Aug. 12, 1891, and passed away at Sumner, Neb., on Aug. 20, 1915, at the age of 24 years and 12 days. He leaves to mourn his loss a widow and one child residing at Kearney, Neb., his mother, Mrs. M. E. Butler, of Arion; one sister, Mrs. F. Marr, of Arion, and two brothers, Mr. J. Butler, of Arion, and Mr. Hal Butler, of Grand Island, Neb.

The funeral services were conducted at the Congregational church in Arion, the pastor, Rev. J. Priestley, officiating. The sermon was taken from 1st Thess. 5, 1:11 and the text, taken from the same chapter, the third verse, was "For when they shall say peace and safety, sudden destruction cometh upon them." The sermon was very splendid and one of comfort to the living. The music was furnished by Mr. Ramey, Mrs. Louis Galland, Mrs. Priestley and Mr. Stillson, with Mrs. Ramey at the organ, and was beautifully rendered. The floral offerings were many and beautiful.

Mr. Butler will be remembered as of very kindly and pleasant disposition and all Arion friends extend sympathy to the bereaved.

The many friends of Mrs. Myrtle Brown in this vicinity will be pleased to learn of her marriage to Mr. Bert Tomlinson, of Kearney, Neb., which took place at the home of E. L. H. Thompson, pastor of the Methodist church at Kearney, at 4 o'clock on last Thursday afternoon. Mr. Tomlinson and Mrs. Brown became acquainted with each other about three years ago when the latter was nursing in the Clarkson hospital in Omaha, so that the news of the marriage does not come as an entire surprise to the friends of the bride in this city. The bride has been engaged in nursing in Crawford county for the past three years and has many friends who will be pleased to learn of her happiness. The groom is a prominent and popular barber at Kearney, Neb., and enjoys a thriving business in that city, where the happy couple will make their home. The large circle of friends of the bride join in extending wishes that all the good things of life may come her way.

GOV. CLARKE SPEAKS TO GRADS

Opera House Packed With Relatives and Friends of Record Breaking Class Last Friday.

72 RECEIVE THEIR DIPLOMAS
The Governor's Address Created Favorable Impression—Supt. Oiry Awards Diplomas.

The Germania opera house was crowded last Friday afternoon with friends and relatives of the rural schools eighth grade graduates at their annual commencement exercises. One of the features of the program was the commencement address by Gov. Geo. W. Clarke, and which no doubt was responsible for the record breaking attendance. In all seventy-two graduates were awarded diplomas for having successfully completed the required course. However, only sixty-three of the graduates were in attendance and personally received their diplomas from County Supt. F. N. Oiry.

The program carried out was one of the best ever presented and it was through the efforts of Superintendent Oiry that Governor Clarke was prevailed upon to deliver the address. After the invocation by Rev. J. L. Boyd, pastor of the M. E. church, Lenahan Lally rendered a beautiful solo, which was heartily enjoyed. Miss Alice Boyd gave three excellent readings of Eugene Field's and in her usual charming manner captivated the audience. Miss Dorothy Jones sang a very sweet solo, which was appreciated by all present.

Governor Clarke was introduced by Superintendent Oiry in a very pleasing manner. The governor paid high tribute to the schools of Crawford county and stated that this was his first experience in addressing a class of graduates of the eighth grade rural schools, and stated that Crawford was the only county in the state of Iowa that held exercises for the graduates of its rural schools. He was more than pleased that seventy-two boys and girls of Crawford county had completed the regular course of study in the rural schools and advised the graduates not to give up their school work, but by all means plan to attend some high school and, if possible, attend some of our state colleges or universities. He impressed upon his hearers the fact that it is necessary to cultivate the mind if one is to make a success of life. One of the best ways of doing this, said Governor Clarke, is by reading and study. The strength of man is in his brain and by reading and study this is developed. To illustrate this point he stated that a dull axe cannot cut wood and that it is necessary for everyone who wants to make a success in his life work to keep his mind active and keen. The average person goes through life without giving praise and encouragement to those who have accomplished great things, but none should be so preoccupied but what they can have some time to praise and encourage others. A person can not be indifferent and accomplish anything, was the opinion of the governor, and that there is a reward to everyone who will pay the price. He did not believe that there is room in this world for people who spend their time whining and complaining about their lot, but that they should be men who go forward ahead and keep on moving. Moral courage is an important thing in the makeup of every being, said Governor Clarke. Guns, torpedoes and warships would not settle the great European conflict that is now raging, but it would be the moral courage of the people in the great United States and other neutral nations that would be called upon to make the final settlement.

Governor Clarke held his audience in rapt attention throughout his address, and to say that people enjoyed it would be putting it mildly. It was not an address of a humorous or light character, but was full of good sound facts.

After Governor Clarke's address, County Supt. F. N. Oiry spoke to the graduates and expressed upon them the necessity of continuing their education. He expressed a wish that every one of the seventy-two graduates might be able to complete a high school education and hoped a majority of them would be able to attend college. After the few minutes' talk he presented each graduate with a diploma.

On account of some misunderstanding the motion pictures which had been planned for the entertainment of the audience were not thrown upon the screen. They had been ordered from the exchange at Omaha, but failed to arrive on the afternoon train.

Below we print the names of the graduates who received diplomas:

- Blanche E. Krome, Dist. No. 2, Soldier; Lillian Doherty and J. Knowles, Teachers.
- Ethel Lucile Blume, Ethel Henrietta Eyer, Leslie John Eyer, Dist. No. 5, Charter Oak; Nellie D. Cosgrove, Teacher.
- Opa! Marie Brown, Dist. No. 6, Willow.
