

BOY SCOUTS OF AMERICA

(Continued from Page 1)

tests. Citizens of Denison and the county are expected to attend and see what the boys are doing and learn the objects of the Boy Scout movement. Committee on publicity, Messrs. Hoffman, Meyers, Carpenter, H. C. Finhorn and V. L. Byers. This committee will use the press and window displays to advertise the Boy Scout movement. Committee on finance, Messrs. M. E. Jones, George McHenry, D. E. Voss, E. E. Lehman and Emil Hugg.

There was a meeting of the above committees on Monday evening at the Baptist church. It was an inspiring sight to see twenty-five of the best citizens of Denison busily talking for an object which has the greatest possibility for the boys in their teens, throughout Crawford county. Professor Stanfield had made careful estimate that at least 2500 boys of the right age for Boy Scout work were in Crawford county.

The organization at Denison is a temporary one, looking toward a permanent council, to be formed on next Friday afternoon, at which time citizens of the entire county who are interested, are expected to be present. There will be a camp of Boy Scouts in the court yard on Thursday afternoon, and on Friday a field meet at Washington park, the full program of which we print elsewhere. At 4 o'clock there will be a meeting at the park of the citizens interested to form a permanent organization for the county. We ask a large attendance at the field day meet.

It is to be a revelation to many to see the things which the Boy Scout movement is giving to the youngsters from an educational point of view. This is not a Denison affair, but the Denison Scouts are taking the lead at the present time to make a showing and then it is expected that a troop will be organized in every town in the county and in some of the country townships. Word has been received from Vail that interested citizens are ready to fall in line at once. Mr. McHenry has high hopes that this nation wide movement will have an immense following in Crawford county.

CAN WIN DESPITE HANDICAP

Wounded Soldiers Not "Out in the Battle of Life and Death" as to Be Coddled.

"I have found that you do not need hands and feet, but you do need courage and character. You must play the game like a thoroughbred," said Michael Dowling at the International conference on reconstruction.

"You fellows know how it is in a handicap race. A handicap is put on the horse that has proved himself, so that he may not beat the others too easily. But the horse with the handicap is the one to bet on."

"You fellows are handicapped, but we know you can win the fight. You have been handicapped by the Hun, who could not win the fight. For most of you it will prove to be God's greatest blessing, for few men begin to think until they find themselves up against a stone wall."

"And you other folks—don't treat these boys like babies! Treat them like what they have proved themselves to be—men. Don't spoon-feed them. Don't coddle them. They would rather get their own faces down into the blueberry pie and eat it for themselves."

The United States Fish Crop.

The total value of the American fish crop, including that of Alaska and the Insular possessions, is estimated now to be \$150,000,000, allowing for the advances in value of the last year.

The capital invested in the fisheries of the United States, including vessels and the land establishments for handling the fish, is estimated at about \$75,000,000, and the number of persons employed is 220,000. The value of the sea products turned out by the canneries is \$50,000,000.

Food experts did well during the war times to urge Americans to eat more fish, not only because this helped conserve the supplies of beef and pork products but also because eating some good fish frequently means a change in the average man's diet which is to his benefit. The same argument holds true in regard to vegetables and green things, of which many people in cities do not eat enough for their own good.

Household Goods AT AUCTION

The undersigned will sell at public auction on the street, opposite Crawford County bank, on

Society Events

On Wednesday evening before the departure of Mr. and Mrs. C. D. Miller for California, the members of the Baptist church of this city met informally at their home on East Vine street to bid them farewell. The evening was spent in a social way, and Rev. Hamilton, on behalf of the church, presented the worthy couple with a beautiful souvenir spoon. The Miller family has always taken a marked interest in the affairs of the Baptist church, Mr. Miller being the senior deacon for many years, and the members of the church as well as hosts of other friends regret their departure.

Miss Helen Birch was hostess to the Kill Kare Klub Thursday evening. A delicious six-thirty supper was served, and the evening was spent in the usual manner with music and fancy work for entertainment.

Mrs. S. P. Jacobsen entertained the members of the Woodman Circle and a few other friends at her home on Thursday afternoon. It is the object of the club to sew for the hostess at their meetings but on this occasion they decided to assist Mrs. F. N. Olry with her sewing, inasmuch as nearly all of the wearing apparel of this family was destroyed by fire a short time ago. A considerable amount of work was done at this time which was greatly appreciated by Mrs. Olry. The hostess served a nice supper later in the afternoon. The next meeting will be held at the home of Mrs. O. C. Christensen.

The dining room of the Methodist church was the scene of a jolly party on last Wednesday evening when the returned soldiers, eighteen in number, were banqueted and entertained by the Philaetha girls and their teacher, Mrs. E. W. Pierce, and the Baraca boys and Mr. and Mrs. Frank Woolston. The church basement was appropriately and beautifully decorated with flags and bunting, and the long tables, with covers laid for sixty, were also profusely decorated with beautiful flowers and flags. A delicious dinner was served at seven o'clock which included all the good things imaginable, and to which all did ample justice. After dinner, the tables were cleared away, and the company spent the remainder of the evening with music and games, and in a delightful informal manner. The ranks of the Methodist church, and especially the Baraca class, were sadly depleted during the war, by the absence of the large number of young men who entered the service of their country, and this delightful party only voiced in a mild way the great feeling of thankfulness and joy that they are returning home safe and sound.

The Woodman Circle held their first meeting in June on Monday evening of this week, at which time Mrs. Clarence O'Meara of Dow City, was initiated into the order. Plans were made at this meeting for the drill team to go to Manila Thursday if the weather permits, and assist in initiating a large class of new members. Ten girl friends of Miss Nellie Bolton, who were members of the Junior Queen Esther society, perpetrated a surprise on her Saturday evening, the occasion being her birthday. The girls gathered at the home of Mrs. Albert Weiss and went together to the Bolton home, and the surprise was complete. The evening was pleasantly spent with games and other amusements, and the guest of honor was presented with a souvenir spoon as a token of remembrance. A delicious lunch was served later in the evening. Mrs. G. A. Patterson will entertain Coterie club at her home Thursday afternoon, June 13th.

The D. A. R. will have a covered dish party Friday evening at six o'clock, at the home of Mrs. C. M. Jensen on North Pine street.

The hospitable home of Mrs. T. C. McCarthy will be the scene of a dancing party on Thursday evening, in honor of John Heffernan and Edward Wagner, both of whom have recently returned from overseas service.

At the regular meeting of the Eastern Star on last evening the Misses Mabel and Ruby Kelly were initiated into the order. Following the business meeting a light lunch was served.

Mr. and Mrs. Sears McHenry celebrated their 28th wedding anniversary on Tuesday, June 10th, the feature of the occasion being a dinner at seven o'clock, when twenty-six relatives of the bride and groom were present. The spacious home was abloom with beautiful green flowers and large baskets of peonies were used on the tables to complete the color scheme. A most delicious four course dinner was served.

Mr. and Mrs. C. F. Kuehnle entertained twelve guests at a seven o'clock dinner on Thursday evening, complimentary to Miss Pauline Stafford, of Oklahoma, who was a guest at the C. L. Voss home. The table was beautifully arranged with lovely flowers and place markers to correspond, the centerpiece being a large bowl of variegated garden flowers with smaller baskets at either end. A most delicious five course dinner was enjoyed, followed by a social evening. Mrs. Alice Ainsworth, of Sioux City, was an out of town guest.

Mrs. J. E. Balle was hostess at a bridge party last Thursday afternoon, given in honor of her mother, Mrs. Henry Meyer, of Omaha. The afternoon passed pleasantly with an enjoyable game, and late in the day a tempting lunch was served at several tables prettily arranged with small baskets of peonies and sweet peas.

Mrs. Martin Houlihan entertained twelve guests at six o'clock dinner on Tuesday evening at her lovely country home west of Denison. The guests were taken out in automobiles and although the roads were a little heavy after the destination was reached little thought was given to weather or roads. A pleasant afternoon was spent with handwork, after which a delicious four course dinner was served in the dining room where vases of garden flowers and dainty appointments added a finishing touch to the table arrangement.

Mrs. W. H. Gibson was hostess for the Bridge Whist club on last Friday evening when a pleasant two hours passed quickly with a most enjoyable game of cards. Dainty refreshments were served at the conclusion of the game.

decided to dispose of it. Mr. Purcell understands the business thoroughly and with his wide acquaintance there should be no reason why it will not flourish.

Miss Blanche Scott of Richmond, Ind., who was in attendance at the Standard Bearer convention Tuesday and Wednesday of this week, was a house guest of Miss Grace Meyers, they being former friends. Miss Scott will perhaps be remembered by Denison people as a sister of Mrs. E. R. Welborn, the wife of a former pastor of the local Methodist church some thirty years ago.

Statement No. 4.

AN INVESTMENT IN OMAHA REAL ESTATE Assures:

Safety
Income
Growing Value
Location

LOCATION: Omaha Real Estate is located in the nation's strategic city—from a business point of view—where Safety, Income and Growing Value are assured:

(1) Omaha is in the center of the greatest agricultural producing territory in the world. This fact can't change.
(2) Cities become truly large and great when in the center of great producing territories. This rule never changes.
(3) The entire world now needs our products more than it ever needed them before. This condition will continue.
(4) Omaha is in the center of the United States, north to south, east to west. This situation won't change.
(5) Since January 1, 1919, there have been started in Omaha, 131 new industries, owners of which recognize the strategic location of Omaha.

An Example:—Omaha's strategic location caused the Bell Telephone Co. to erect in Omaha, its 15 story headquarters for Nebraska, Minnesota, Iowa and the Dakotas. Also, this strategic location caused the Western Union Telegraph Co. to make Omaha its divisional headquarters for seven states.

WALL LAKE ITEMS

A friendship of many years took a new viewpoint when Tuesday, Mrs. Augusta Karstens was married at her home to Mr. Claus Fick of Holstein, by her pastor, Rev. A. Schwidder. The wedding was at four o'clock in the afternoon, and owing to the condition of the roads, the out of town guests could not be present and there were only a few of her neighbors present, although many called afterwards to pay their felicitations and meet the groom, who is a stranger to most of our people. To the regret of her many friends here, they will reside in Holstein, leaving for that place on Wednesday noon.

Rev. Noack was present on Sunday and installed Rev. A. Schwidder as pastor of the Lutheran church of this place. Others from out of town who had expected to be present were unable to do so on account of the weather and roads.

Wm. Claussen went to Cedar Rapids Tuesday evening on a business trip. The high cost of living evidently had affected some one as there have been several cases where stores have been broken into lately. C. A. Sherwood, H. F. Brown, and Fren Anderson stores being the latest victims. The losses in each case, while small in comparison with what they might have been, were considerable, as prevailing prices are taken into account.

Mrs. Alex Johnson and daughter, Helen, left Friday for Keystone and places in the eastern part of the state for several days' visit.

Mrs. Hoyland spent Friday at Sioux City.

Miss Elsie Johnson went to Early Friday to spend a few days at the C. W. Davis home.

Mrs. Hansen entertained the Priscilla Embroidery club and a few others Friday afternoon. The club received a certificate attesting to their help from the American Committee for Devastated France. There was also a very interesting letter telling of the work accomplished by the committee.

J. J. Meehan, who is working at Sackton has moved into the Hopkins house on Second street.

Mrs. Hannah Munnery returned from a three weeks' visit with her daughter, Mrs. Eli Thompson at Odebolt last week Tuesday, and is spending the week in the country at the home of her grandson, P. V. Clothier.

Misses Lula and Lola Walrod spent Sunday here at the Meehan home.

Miss Elsie Johnson returned to take up her second year of nurse training at Iowa City Tuesday.

The thieves mentioned last week has been met by the securing of a nightwatch, an institution that has been obsolete for some time in our town. Gus Lindstrom has accepted the place and we think will give a good account of himself if another attempt is made.

Miss Elsie Sherwood is working this vacation in the McThompson Bakery.

Ethel Robinson completed her year of work in the rural school in Crawford county last week and has returned home.

A number of the members of the W. R. C. who live here attended the meeting at Lake View last Saturday.

Wilke Kiner returned from Sac City where he has been working for the C. & N. W. railway for some time, and expects to spend a month at home.

A. L. Dodd spent Sunday at Sioux City, where Kenneth is in the hospital. Louis Wunschel, who was wounded during his service overseas, returned home.

Victor Staab spent last Wednesday

in Sioux City where his wife is in the hospital for treatment.

Mrs. Veda Watson and daughters, of Sioux City, are here visiting her mother.

Sunday was Children's Day and was observed with appropriate exercises at both Methodist and Presbyterian churches. At the former, children were baptized, the members of the Cradle Roll recognized and the primary and intermediate departments of the Sunday school gave an excellent program. The collection, which goes to the board of education to be put in the loan fund and loaned to the students who wish to attend college, amounted to \$15.00. At the Presbyterian church, along with the excellent program the collection, which goes to start a Sunday school where there is none, amounted to \$35.00.

The Presbyterian Missionary Society will meet Friday of this week with Mrs. Otto Mosen.

Circle No. 3 of the Methodist Ladies Aid, will entertain at the church Wednesday afternoon in honor of their president, Mrs. Freeborn, who expects to leave town in the near future and will reside in Webster City.

Mrs. Alzada Carnahan entertained the members of her Sunday school class at her home last Tuesday.

The C. G. G. held a meeting with the usual lunch at the Anney cafe on last Thursday evening.

Mrs. Cordelia Baker came last Thursday from Vail where she had been visiting Mrs. Kate Cooley.

Grandma Loeftz went to Breda last Wednesday to visit her son, Joe, who lives there, and from which place she expects to go to stay for awhile with another son.

Lynn Therkelsen was over from Lake View to spend Sunday at the Dean home.

Messrs. P. V. Clothier and Ernie Wicker were at Storm Lake fishing Saturday and Sunday.

No More "Lykerstones."

"Lykerstones" or stones by the roadside for resting coffins on while on the way to the cemetery, are now things of the past in Scotland. The root of the word, which is the old English of Anglo-Saxon "lic," means "a body corpse." These lykerstones were the equivalent of the lichgates, common in rural England.

Many farms bear names after the famous stones, although the spelling is changed somewhat, some being called "Lickerstone" and "Liquorich." One stone is still at Falkland, built into a wall and vulgarly known as "Liquorstone."

Two of the lykerstones were formerly in the parish of Addie, at the junction of the road from the Den of Lindores to the churchyard, but they were removed about the beginning of the last century. They consisted of two unheaven boulders of bluish stone, about three feet high, and somewhat square on the sides and top.

ATTENTION KNIGHTS OF PYTHIAS

The order at Denison will commemorate our annual memorial day for the departed knights on Sunday, June 15th. Every knight in the city is expected to be at the castle hall at 3 p. m. and take part in this service. Unless road conditions are too bad autos will be ready to convey all to the cemetery. All relatives of deceased knights are asked to either come to the hall or be present at the service at the graves. W. D. Luney, H. C. Simpson, K. of R. & S. G. C.

MARRIAGE LICENSES

The following licenses to wed have been issued by the county clerk during the past week:

Name, date Address Age

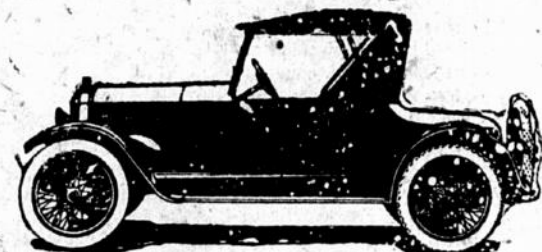

June 5—
Floyd S. Sharp, Dow City27
Mildred A. Butterworth, Dow City 26

June 9—
Louie Evers, Schleswig30
Emma Marie Hansen, Denison20

MARKET REPORT

Wheat\$2.12
Corn\$1.65
Oats\$.65c
Barley90c to \$1.00
Hogs\$19.25

Mrs. V. C. Peckenpaugh, of Logan, is spending the week in Denison visiting at the home of her parents, Mr. and Mrs. A. T. Curry.

Scripps-Booth

THE business man who spends a large portion of his time in his motor car will find in this new Scripps-Booth Model a Roadster that will satisfy his most exacting requirements as to appearance, comfort and easy-riding qualities. He will find too, that this model is especially efficient. Its powerful valve-in-head motor uses gasoline in a miserly fashion and with its light weight construction it secures a maximum of mileage from its tires.

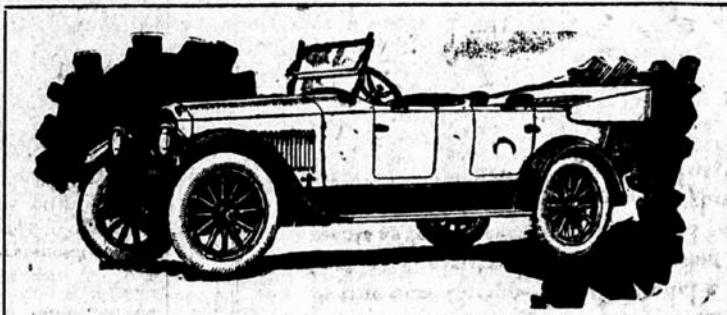

CARPENTER TIRE CO.
58 DENISON IOWA

The New

Studebaker

Big Six

The power resources of the New Studebaker BIG SIX are as notable as the beautiful bevel-edge body which so distinguishes its appearance.

Its great motor provides two distinct power ranges--a "touring range" for ordinary driving; an "emergency range" for extra speed or power. Yet with all its ability, the car is economical; for the motor preheats its fuel and gets the utmost out of it.

Notice, too, the fine-quality equipment. The silver-faced speedometer, silver-faced clock, extension tonneau light, shock absorbers and other high-class conveniences are good examples.

This new Seven-Passenger BIG SIX is the only car at its price with cord tire equipment.

We have just unloaded another big shipment and can make immediate delivery. If you are not already acquainted with the Studebaker BIG SIX let us demonstrate.
