

MANY PREACHERS IN ATTENDANCE

Institute of the Sioux City District of
Northwest German Methodist Con-
ference Held in Denison

SUPT. BREMMED PRESIDING
Sessions Being Held in Church on
North Main Street, Ladies Aid
Furnishing the Meals

The preachers' institute of the Sioux City district of the Northwest German Methodist Episcopal conference convened in Denison on Monday of this week and continues until tomorrow (Thursday). The sessions are being held at the north main street Methodist church.

District Supt. Rev. L. J. Brenner, of Sioux City, is presiding over the meetings in a very able manner. The institute opened Monday evening with an appropriate and able sermon by Rev. W. J. Loeck, of Varina, followed by a stirring address by Dr. Sherman Powell, of Omaha, his subject being "The Stewardship of Possession, Pertaining to the Centenary Movement." This address was greatly enjoyed by all.

The principal speaker at the institute is Rev. C. H. Meeker, D. D., of the Moody Bible Institute of Chicago. His inspiring lectures are based on personal and rural evangelism, and on bible study. Dr. Meeker is a fluent and able speaker. His lectures are very interesting and inspirational and to hear him once creates a desire to hear him again.

This (Wednesday) evening Rev. W. Hahn, of Sioux City, who is engaged in evangelistic work, will preach in the English language. Thursday evening Rev. W. P. Schlei, of Tolstoy, S. D., will preach. This will be the closing meeting of the institute. The series of meetings, however, will be continued and Rev. M. Witter, of Dockham, S. D., will preach Friday evening and both Sunday morning and evening.

About twenty pastors are in attendance from various points in Iowa and South Dakota, and are being entertained in private homes during their stay in Denison. The meals are being served in the church parlors by a committee of the Ladies' Aid society.

Much credit for the success of this institute is due Rev. and Mrs. Witter, who have spared no effort in making it pleasant for the visitors.

Society Notes

The Friday Club held its twenty-fifth banquet in the Carnegie club rooms on Friday last. Halloween decorations were used most effectively and the flower place cards and favors carried out the black and yellow color scheme. Places were laid for over fifty and the new members were

given a place of honor at a table devoted to them. Mrs. Klinker played the march which preceded the seating of the guests. Music between courses was given by Mesdames Klinker and Fishel and a very novel song, the clever work of Mrs. H. A. Carpenter was given by Mesdames Harding, Weiss, Sibbert and McConaughy and Dr. McConaughy, Mr. Sibbert, Mr. McHenry and Mr. Carpenter. Mrs. Weiss, president of the club, gave an informal address of welcome that was a gem of its kind. Games of fortune telling were played being in charge of Mrs. Penny and Harding. A little farce was very cleverly given by Mesdames Richardson, Harding, Gillmore, McHenry, Duncander and Carpenter. Local hits and witty lines made the most of by the ladies who took part made this a very successful feature.

The banquet menu was excellent and the twenty-fifth birthday of the club was voted by guests and members a brilliant success.

Mesdames Carroll Evans and Dr. Evans of Columbus, Neb., were out of town guests.

Mr. and Mrs. J. Schwarzenbach entertained at a sumptuous two course dinner Sunday, the occasion being in honor of their son, Guy, who is working in Council Bluffs, and who spent the week end at home. The guests present were Miss Nell Munger, of Council Bluffs, and Misses Hattie Case, Marie Howorth and Elizabeth Yount, of Denison. A splendid time was enjoyed by all.

The Woodman Circle held their regular meeting at the hall Monday evening, October 27th. The halloween plans were carried out in the form of decorations. Refreshments were served, after which the members departed with the thought of what a nice social time they had enjoyed.

Mr. and Mrs. Bryan Houlihan entertained at dinner Friday evening complimentary to Mrs. M. J. Keane and Mrs. Wm. Devine, of Oklahoma, who are visiting relatives and friends in Denison. A most delicious menu was served and all enjoyed a pleasant evening.

Mrs. P. J. Farrelly entertained Mrs. M. J. Keane and Mrs. Wm. Devine at dinner Monday evening a number of

their old friends being invited.

Miss Fanny McGuire entertained twenty guests at a dancing party at her home last evening. Dainty refreshments were served during the course of the evening. A splendid time is reported by those present.

Mrs. W. E. Terry entertained her Sunday school class on Monday evening when the games and decorations were suggestive of halloween. A most delicious supper was served late in the evening.

Mrs. Carl Richardson was hostess for Coterie club on Thursday afternoon when a large attendance was present, including several guests. A business meeting preceded the social

hour which was spent with visiting and handwork. Autumn leaves and chrysanthemums were used as decorations throughout the rooms and on the tables, from which a most delicious supper was served. Several gentlemen were invited to supper and the evening was spent in an enjoyable game of bridge.

The Entre Nous club met with Mrs. Albert Weiss on Tuesday afternoon. Clever games had been arranged for the social hour and considerable fun was created with them. The cheery home of the hostess was made most attractive with autumn leaves and halloween decorations. Small vases of chrysanthemums were used on the

tables, from which a very tempting supper was served. A number of guests were present to enjoy the occasion.

P. E. O. will meet with Mrs. L. Seemann and Miss Mary McHenry at the W. A. McHenry home Friday evening of this week.

Mrs. J. A. Houlihan entertained at six o'clock dinner last evening in honor of her husband who celebrated his birthday. A most tempting menu was served and all present report a most enjoyable evening.

Mr. and Mrs. Fritz Trzeciak, who reside north of Schleswig, visited with friends here Saturday.

Opportunity Day

Is Every Day at Salomon's Furniture Store

IN purchasing furniture of Salomon you effect a double economy. Not only do you get furniture of distinction at prices no higher---and sometimes much lower---than you would pay elsewhere for furniture of the ordinary kind, but each article is so strongly built that its life is easily twice that of a less carefully constructed piece.

—It is only necessary to examine our line of furniture to be convinced that it has been made with care and skill. Take for instance a dining room set, look at the joints, the wood, and the fine finish. Notice even the beautiful grain. Pull out a drawer, see how easily it runs---everywhere the furniture shows workmanship of the soundest, and this means durability and long service.
