The articles stolen were valued at \$20. The robbery occurred about 11 o'clock, at which time all the members of the family were libraid; and had it not been for this thorely entrance of the one alluded to, it might have been of a more perious mature.

This morning, at two o'clock, the watch-man at the grounds where the new round-houses of the P. W. & B. R. are being-prected, heard the grouns of some one out brected, heard the groans of some one out in the centre, groaning, where the earth-is so miry as to be unable to bear but a very slight weight.
