Sussex County—B. F. Waggaman.
The report of the Committee on Creden-
tials was accepted and the Committee dis-
charged.
Mr. Moore moved that the Vice President
of each Ward be added to the Committee on
Permanent Organization.
This motion gave rise to considerable dis-
cussion, and was amended by Mr. Lewis,
who offered instead that a committee be
appointed consisting of a delegate from each
ward, and also a delegate from each
hundred represented in the Convention.
The former committee was done away
with by mutual consent, and a new com-
mittee appointed, as follows: Fred D.
Moore, Francis Scheu, John B. Welch, Jno.
S. Rowbotham, Dr. Samuel Marshall, John
W. Lewis, J. S. Bullock, A. D. Grimes,
John Dunz, G. W. Remington, Jacob Satter-
thwaite, and B. F. Waggaman.
The Committee retired and after a brief
consultation returned and reported in favor
of Wm. B. B. Cooper as chairman, not only
of the Convention, but of the State Central
Committee. The report was accepted and
the Committee discharged, and Mr. Cooper
was conducted to the chair. In assuming
the duties of presiding officer, Mr. Cooper
said that he did not have a high opinion of
the Committee's intelligence, judging from
its choice, but he had never been known to
refuse, and he of course accepted.
Mr. Rowbotham arose and moved that
two members be appointed on the Commit-
tee on Resolutions in addition to the three
already appointed. [No Committee on
Resolutions had been appointed or thought
of up to this time, and it seemed to simply
exist in Mr. R.'s imagination, but we sup-
pose it was all right.]
The Committee on Resolutions was,
after a short delay, named as follows: Jno.
S. Rowbotham, John W. Lewis, John Mc-
Shay, A. H. Weld, and Dr. J. B. Welch.
Mr. Barney Rosenblatt interrupted and
said that he held it to be the next duty of
the Convention to elect vice presidents and
secretaries. Barney was choked off, how-
ever, by the chairman, who for the first
time made the statement that Messrs. Kent
and Clavey who had been chosen temporary
secretaries were to be considered permanent
secretaries. He made this statement for
Mr. Rosenblatt's information, as all
others appeared to have laid the wires be-
forehand and understood it all.
The Committee on Resolutions having re-
ported, Mr. A. H. Weld read a platform of
principles, which was liberally applauded.
Mr. Lewis moved that the Convention go
into nomination for Governor. It was
adopted, and Mr. Lewis then said, "I pro-
pose the name of a man who is not a stran-
ger to the poor people, and his name is a
sufficient guarantee to his worth. His name is
Dr. Kenzie John Stewart, of Lewis."
A letter from Mr. Stewart was then read,
in which he had promised to accept the
nomination for Governor if it was tendered
him.
On motion of Mr. Rowbotham the nom-
ination was made unanimous, the whole
body rising as a man.
The nomination of Representative to
Congress was then entered into, and Dr. J.
B. Welch nominated John G. Jackson, and
John McSorley nominated Samuel S.
Adams.
A letter was then read from Mr. Jackson,
a part of which was published in yesterday's
Herald, and which was liberally applauded.
Mr. Jackson was nominated by acclama-
tion, on motion of Mr. Rosenblatt.
Mr. Connel moved that a committee of
three be appointed to assist the President of
the body in appointing a State Central Com-
mittee, and the committee was appointed
as follows: John P. Connel, Jacob Satter-
thwaite, and John M. Lewis.
Mr. Rosenblatt now arose with a pre-
amble and resolution which he commenced to
read. He brought a hornet's nest about
his ears, and many members said that it
was uncalled for and useless. Mr. McSor-
ley and one or two others supported Mr.
Rosenblatt's action, but before he could get
far a motion to adjourn sine die was put
and carried, and Barney was left looking
about in silent amazement.
"I suppose," said he, "that three cheers
for the ticket will not be out of order," and
three cheers were given with a will, after
which the crowd dispersed with the City
Hall bell ringing in honor of the ticket.

not the man the office. Political purity can
only be maintained by adopting such prin-
ciple of action.
10th. We demand protective tariff laws
for the benefit of American industries.
11th. We demand the abolition of all
superfluous public offices created for the
favorites of political partisanship with

12th. We advocate such modification of
the laws of this State, that power will no

destitute and unprotected.
13th. A true republic can only be realized

education should be free and industrial.

THE CITY COUNCIL.
REGULAR MEETING—A NEW MANNER OF
ILLUMINATION—THE ADAMS STREET
GRADE, ETC.
The City Council met in regular session
last evening with President Lichtenstein in
the chair.

The Committee on Public Buildings re-
ported favorably on the petition of Todd
Riley & Co., asking to have space in front
of their place of business on King street.
Also on petition of John McSorley, ask-
ing permission to use the old Academy
building in order to found a public library.
The same committee, adversely on the
petition of Lawrence Kerne, asking per-
mission to erect a brick building in the City
Hall yard facing on King and Sixth streets.
The Opening Streets Committee reported
that the contract for digging a ditch 1500
feet long, 14 feet wide at the top and 8 feet
wide at the bottom, and 7 feet deep, reach-
ing from Alrich's Bluff to the Delaware
river, had been awarded to Dennis Bulger.
The Lamp Committee reported favorably
on the petition of R. H. Sheckel, asking
for a lamp in a small street near Elliott
avenue, back of St. John's Church.

The City Treasurer reported a balance in
bank to current expenses of \$2,952.59; he
also reported to have paid out to the Water
Commission on Cool Spring Reservoir,
since his last report \$11,970.36, and had
paid out in total \$138,578.05.

The Street Commissioner reported 56 men
and 6 double and 6 single teams employed
under him for the past week with a pay-roll
of \$866.53.
Chief Engineer McIntyre, of the Water
Department, reported 29 men employed in
his department for the past week, with a
pay-roll of \$205.95.

Petitions and communications were re-
ported as follows and referred to the proper
committees:
From Wm. H. Chadwick asking to be
relieved from paying water tax.
A communication was presented from the
"Pennsylvania Globe Light Company,"
calling attention of the Council to a superior
and improved system of illumination by
which much money could be saved in its
use. The matter was referred to the Lamp
Committee.

Edwin T. Jackson and others asked to
have a water main run down Adams street
from Front to Second.
T. H. Dorne and others asked to have
the south side of Eleventh street from
French to Pine streets curbed, paved and
guttered.
John Cummins and others petitioned to
have a paved gutter along the south side of
Lemont street from 22d to Gordon streets.

James McKenny and others asked to have
lamps placed at 18th and Jefferson, and
18th and Washington streets.
John Ash petitioned for a fire plug at the
end of the water pipe on West Liberty
street at Railroad avenue.

Thomas K. Porter asked to have water
pipes for two houses which he was erecting
on Madison street between Tenth and
Eleventh streets.
Mr. McGlinchey presented a resolution in
reference to the case of John Hays, who
had previously petitioned Council to request
the Chief Engineer of the Surveying De-
partment to give up the curb lines of
Adams street. The resolution was to the
effect that the Chief Engineer of the Sur-
veying Department be requested to give up
the curb lines to the property of John
John Hare at Ninth and Adams, which is
withheld on account of some irregularity
in the passage of the ordinance establish-
ing the grade, and that the vote taken on
this resolution be considered a test vote on
an ordinance bearing on this to be presented
at a future meeting.

On motion of Mr. Paymer that part of
the resolution referring to the test vot-
was left out, and on motion of Mr. Maxwell
the matter was referred to the Law Com-
mittee.
