Caucus To-day.
Democrats of Ottawa will remember that the caucus to appoint delegates to the Democratic County Convention is held at the court house to-day, opening at about 2 o'clock. As there are several tickets for delegates in the field, the main contest being on the "Sberiffalty" question, the voting will doubtless be by ballot. The county convention will meet at the court house on Tuesday, at 2 o'clock P. M.

THE LINEN COMPANY—It is with pleasure that we announce that the stock to the intended Linen Manufacturing Company is being rapidly subscribed. Of the proposed capital of \$60,000 some \$40,000 have already been secured. As a profitable investment this enterprise has few, if any, superiors, while the establishment of this branch of industry would infinitely conduce to the material interests and prosperity of the city. It is, therefore, a matter of practical importance to all, and especially capitalists, who profess to have the welfare of Ottawa at heart, and should receive their prompt co-operation.

It becomes our melancholy duty to record the death of Peter Cavanaugh, a well known and highly esteemed citizen of Ottawa. The melancholy event occurred on Sunday afternoon last. For some time past Mr. Cavanaugh had been engaged as foreman of the bricklayers employed in the erection of the Hickling block, Chicago, for which Colwell, Clark & Co. are the contractors. While in the latter city he was attacked by dysentery, which induced him to return home last Tuesday week. More alarming symptoms followed, and inflammation setting in death ensued. The deceased was 38 years of age and leaves a widow and two children. The funeral on Monday was largely attended.

SUPERIOR MUSIC.—Those who had the pleasure of attending the concert given the public at Mrs. Brower's Academy of Music, at its opening, will remember with pleasure the superb music, vocal and instrumental, of that occasion, and will learn with pleasure that Mrs. Brower is getting up a concert on a large scale, to come off at Turner Hall on Wednesday evening, July 24. At this concert Mr. L. A. Phelps, the talented musician, will lead as tenor, and will be assisted by three very splendid artists from Union Park Congregational church, Chicago, viz.: Mrs. Carpenter, soprano; Mr. Bowen, basso; and Mr. Allen, violinist. The music will be of a very high order, and on the evening named expect to see a full house and to hear such music as will be remembered for a life time.

Old Settlers' Reunion.

At a meeting of the Old Settlers' Association, held last Saturday, the following programme of exercises for the reunion at Judge Caton's park on the 22d of next month was adopted:

1. Called to order at the stand at 11 o'clock by the President.
2. Singing of the greeting glee, directed by Prof. Ford.
3. Prayer by the President—one of the oldest resident ministers in the county.
4. Reception speech by the Hon. J. D. Caton.
5. Singing—"America."
6. Response to Judge Caton's speech by the President.
7. Singing—"Old Settlers." A new song, by Mrs. Henshaw.
8. Adjournment for social visitation and dinner.
9. Called to order by the President.
10. Song—"Auld Lang Syne."
11. Short speeches by Hon. W. Bushnell, J. O. Glover, Judge Dickey, J. Miller, E. Baldwin, Geo. E. Walker and Deacon Gunn.
12. Singing the doxology.

This occasion will, as all its predecessors have done, doubtless prove both thoroughly enjoyable and instructive alike to young and old. The refreshments will be dealt out by Walther's master hand.

STATE FAIR.—On Wednesday last the following members of the State Board of Agriculture visited this city on a tour of inspection of the State Fair grounds: David A. Brown, president; Bates; A. M. Garland, secretary, Springfield; John P. Reynolds, Chicago; S. D. Fisher, Atlanta; D. W. Vittum, jr., Canton; M. C. Goltra, Jacksonville; D. B. Gilliam, Alton; Wm. Kile, ex-president, Paris. Accompanied by the members of the local board, these gentlemen visited the fair grounds, which, after a thorough inspection, were declared to be eminently satisfactory. The representatives of the State Board are unanimously sanguine of a successful exhibition, it being the opinion that this year's fair will be more largely attended both by exhibitors and spectators than any hitherto held. The gentlemen were the recipients of Judge Caton's hospitality in the evening. L. M. Sneli, Esq., of the Springfield *Illinois State Journal*, accompanied the delegation, and will give the capital the benefit of his observations, which, we are pleased to know, are highly flattering to our city and its surroundings.

Notice.
A number of persons in this city who are engaged in the sale of liquors, and who have obtained license from the city for that purpose, and who have given their bonds, approved by the city council, in the sum of \$500 to the city, as required by the city ordinance, and in the sum of \$3,000 to the people of the State of Illinois, as required by an act of the last legislature, have formed themselves into a society called the "Liberty Union League of Ottawa." The objects of the League are to protect its members from imposition in the prosecution of their lawful business, and to see that the laws of this state in regard to the sale of liquors are not evaded.

To this end, the members of the league, being desirous to conform to the law in good faith in regard to the sale of liquors, regardless of their opinions as to their merits or demerits, respectfully ask all persons who have husbands or friends in the habit of getting intoxicated, to whom they do not wish intoxicating liquors to be sold, to inform the league of the names of such persons. All requests of this kind made in good faith will be gladly received and carried out by the members of the league in the highest honor.

Such requests may be made by letter, addressed, "President of Liberty Union League of Ottawa," Box 619.
This request is made on the part of the league for the reason that it is frequently difficult for its members to tell what persons they can lawfully sell liquors to, and from the desire of its members to comply with the law in the sale of liquors.
By order of
THE EXECUTIVE COMMITTEE.

We know whereof we speak when we state that better garments are not to be had than those manufactured by B. Padgett for his customers. THE LICENSE QUESTION.—Previous to the 1st of July there were some fifty individuals here engaged as saloon keepers. Of these the following twenty-nine have complied with the law, which came into operation on that day, by filing the required bonds, all of which were approved by the City Council: Nelson Card, A. Schaffer, J. L. Piergue, Mat. White, D. Holliker, John Doll, C. Haberle, Mrs. Bixenstein, John Hoban, Paul Irion, John Scheying, D. Bernard, Thomas Kennedy, George Routcliffe, Phillip Flick, M. Kenny, M. Cavanaugh, Jno. Albrecht, C. Walter, R. Wolfe, John Flick, M. Formhale, E. Breunig, M. Keim, John Gleim, P. Shaffer, Lambert Helster, Jacob Gleim, F. W. Rabenstein. Mrs. Bixenstein, since giving in her securities, has closed her saloon, as she intends selling out. J. Bogus and Mrs. Walking have furnished bonds that were not approved. The only attempt to continue business without bonds was made by John Geduldig, and, in accordance with the resolution of the council, his saloon was promptly closed by the city marshal on Monday. Since then he has filed bonds, and his place was again opened.

THE CHRISTIAN UNION.—J. K. Stickney, the agent for this journal, is now in the city soliciting subscription thereto. *The Christian Union* is so widely known, so frequently quoted and so deservedly popular that any encomium in this place could not add to its reputation. The Rev. Henry Ward Beecher is the editor, who is assisted by an able staff of writers. While the *Union* contains many of the bright sayings which have rendered Mr. Beecher famous throughout the world, it is altogether unsectarian and independent in character, and is a journal for every evangelical denomination and every fireside. The publishers offer with the annual subscription two elegantly artistic chromos, "Wide Awake" and "Fast Asleep," representing a child in two of the most pleasing phases of childhood. While the value of these chromos is fully \$10, they are offered with the *Union* for one year for \$3, or ready for framing for \$3.25.
Single copies for sale and subscription received by Osman & Hapeman, Ottawa, Ill.

LIBERAL HEADQUARTERS.—The north rooms ever Bennett's store, 19 La Salle street, have been secured and opened as the headquarters of the Liberal Republicans. A fine photograph of the philosopher of Chippewa and other pictures adorn the walls, and the table is abundantly supplied with newspapers and campaign literature. Politicians of all shades of opinion are heartily welcome, and the supporters of the reform movement from the country will find there a comfortable resting place wherein to spend their leisure moments.

"That's Splendid!"
"First Rate."—"Best on the Road!"
"As Good as any in Chicago!"
"Can't be beat!"
"Best in this City!"

The above are exclamations to be heard daily at Dummick's Mineral and Soda Fountain from those who try it.

Ladies and gentlemen, we would most respectfully call your attention to the New York Boot and Shoe House. The stock is very large, and composed of all the styles and qualities manufactured, besides you will find prices perfectly satisfactory.
LYNCH, BEATTY & O'KANE.

THE FIRST.—On Wednesday last the water power of the Fox river was utilized for the first time in turning the machinery of Williams' paper mill. Everything worked satisfactorily, and the actual manufacture of paper will commence in this establishment on Monday next. The hopes of the community in reference to the water power have thus received their first fruition.

The agent of Mr. "Bob" Rankin, superintendent of the Chicago office of the Western Union Telegraph Co., was in town this week seeking a Grant man, and offering any amount from \$100 to \$25,000 on the general result that Greeley would be elected.

THE FIRST IN THE MARKET.—New Wheat Flour, put up in 50 pound sacks expressly for family use, at the Ionic Mills.

4 lbs. of Coffee for \$1 at J. Sanders', 133 street.

Hall's Vegetable Sicilian Hair Renewer is an excellent dressing and tonic for the hair and makes the hair grow thick.

For stylish and durable carriages of all descriptions go to Budd's.

SANFORD VS. GORMLEY.—The fourth trial of this celebrated suit was commenced in our Circuit Court on the 26th of last month. Messrs. Black, of the firm of Black & Dent, of Chicago, and Blanchard, of Ottawa, appearing for the plaintiff, and Messrs. Dickey, of Ottawa, and Harris, of Morris, for the defendant. The evidence occupied the attention of the court until last Tuesday, when counsel commenced their pleadings, which lasted three days, Messrs. Black and Dickey taking about one day each. Mr. Black closed the proceedings in a speech which is universally conceded to have been one of the finest forensic efforts ever listened to. The case was given to the jury on yesterday morning about 9 o'clock. The lady relatives and friends of the leading counsel employed in the case graced the court by their presence while the lawyers were addressing the jury.
Just as we go to press, the jury brought in a sealed verdict, to be opened to-day.

THE OPERA HOUSE.—Operations upon the Opera House are being pushed forward by Colwell, Clark & Co. with commendable rapidity, and have so far advanced as to allay any fears that may have been entertained that the Opera House would not be ready for occupancy by the time the State Fair is inaugurated. The building is being pushed forward as fast as 200 men can do it, and that portion of it to be occupied by the Opera House proper will be roofed in three weeks, the scaffolding for plastering the ceiling and erecting the roof being already nearly complete, while the walls of the second story loom up to near their full height.

In this connection we may state that the same enterprising contractors will have Hickling's re-burnt block in Chicago finished in three or four weeks, and the brick work of the Oriental Hall will be completed in about the same period. This firm has also about finished the excavations for Hollecker's building on La Salle street in this city.

LODGE OF I. O. B. E.—The Israelites of Ottawa, Aurora, LaSalle and Peru met at Turner Hall last Sunday for the purpose of organizing a lodge of the independent order of B'nai B'rith. The order is an exclusively Jewish, secret, charitable association. The lodge formed on Sunday consists of twenty-three charter members, of whom nineteen were initiated on that day. The officers are Herman Silver, monitor; Sol. Degan, president; Ben. Hess, vice-president; A. Hess, secretary; A. Alschuler, treasurer; M. Stiefel, assistant monitor; Jacob Degan, warden; David Reis, outside guard; Isaac Degan, Jacob Mooney and Morris Friedman, (of LaSalle), trustees. The installation was conducted by Dr. Felsenthal, and Messrs. Adolph Moses and Ben. H. Seligman, all of Chicago, the grand officers of the order.

We understand that some important improvements and alterations are contemplated with reference to the head-race of the Illinois river dam. The gates are to be enlarged to a width of seventy feet, the race itself to have the same lateral dimensions. The latter is to be deepened to depth of six feet below the combing of the dam. These enlargements would, of course, vastly increase the available water power, and afford greater facilities for manufactories that may be established.

Since the above was written we learn that operations have begun, and a force of some twenty men is employed by the company in carrying out the extensions indicated.

MISSING.—A young man, aged 18 years, named James Muir, whose parents reside in Utica, in this county, landed in New York on May 23d, on his way from Edinburgh, Scotland, to the residence of his friends. Since that date nothing has been heard of him. Any information regarding the missing man will be gladly received by Andrew Muir, his father.

NORMAL DRILL.—The annual Normal drill will commence on Monday next in the high school, 3d ward, and will continue three weeks. Prof. Cook, of the Normal University, and Mr. Aaron Gave, principal of the Normal public schools, will, with others, conduct the exercise. The attendance, it is anticipated, will be large, and the occasion cannot but tend to the material improvement of our county teachers who witness, and engage in, the proceedings.

BOARD OF TOWN AUDITORS.—The town auditors met on Thursday. Present: Andrew Lynch, supervisor; Arthur Leekwood and A. A. Fisher, justices of the peace; and J. G. Armstrong, clerk. The Board allowed A. B. Smith, assessors, \$315 for his duties as such, and ordered the raising of \$3,500 for road and bridge purposes.

THE FIRST IN THE MARKET.—New Wheat Flour, put up in 50 pound sacks expressly for family use, at the Ionic Mills.

BANNERS.—Hosack & Harden, Main street, are prepared to paint banners in any design on the shortest notice and on the most reasonable terms. Political societies will do well to remember this and leave their orders at the office with star spangled banner front.

Go to Budd's if you would see a splendid family carriage or a beautiful phaeton. His single buggies cannot be beaten.

The radicals, after masterly inactivity for many days, have finally secured a location in Cheever's block, whereupon the *Republican* is jubilant through nearly the third of a column.

REDDICK PASTURE GROUND.—Mr. Lyon, who has charge of the Reddick pasture ground, a mile and a half below town, desires us to say that the meadow ground, or "north pasture," will be opened next week. The lot is abundantly watered, the grass young and in fine condition, and enough to support 1,000 head of cattle. A good Durham bull to range with cattle. Price for horses and cattle, \$1.50 per month per head, to be paid to Mr. Lyon personally, and to *no one else.* Gate at the end of Madison street.

SMOTHERED.—A melancholy accident occurred in Peru on Friday of last week, whereby Charles Hoffman, a grain buyer of that city, and his young son lost their lives. It appears that the latter, while playing around a bin of corn which was being run in a railroad car, was in danger of being drawn into the current of moving corn. The father, hearing the cries of a companion of the lad, rushed to the rescue of his son, but in the effort lost his own life as both perished.

SIGNIFICANT.—One day this week, as some radicals were proceeding to a convention to be held at Fairbury, a certain enthusiastic delegate, Dr. Johnson, was anxious that a poll should be taken of the passengers upon the train. It was accordingly done, and the starch was taken out of the Doctor when it was declared that 23 were for Greeley and 18 for Grant, notwithstanding the presence of the radical delegates on board.

OUT AGAIN.—We were much pleased to see Mr. D. Tucker on the street again on Thursday. He is looking well and says he feels first-rate, excepting, of course, the unfortunate loss of his arm.

For boots and shoes of every variety and of all the fashionable makes, go to CHILD BRO. & PHIPPS!
