storm never would have happened. It was a mighty mean thing in Ben Butler to go to the state penitentiary, assemble the belpless prisoners in a large room, then and there make a speech to them. We thought all these inhuman punishments had been abol-

ished in the prisons. "Who was it," writes Eleanor. "who vrote with all thy faults I love thee still?" Don't know who wrote, it, Eleanor, but it must have been about a woman. Sweet line, that, "with all thy false eye love thee still. - Hawkeye,

Mistakes Eminent Mea Made. Old men give too much advice for it all to be sound. Washington, it is said, once decided that the Eric Canal was not practicable. Sam Houston thought one-half the money Congress voted to Morse to build the first telegraph line ought to be devoted to encourage mesmerism. Cave Johnson, Postmaster-General, declined to buy the telegraph patents for the government for \$100,000 on the ground that it could not earn expenses. Ezra Cornell spent two-thirds of Morse's appropriations laying the in the Baptist church Sunday afternoon and poor, starveling telegraph underground obtained for new inventions, or for impro instead of stretching it like a clothesline. Timothy Howe was sure a fiftycent tax on whisky could not collect as much as a \$2 tax. Seward thought Walter Willey had his arm badly hurt 75,000 men would put down the rebellion. The old Baltimore merchant, to whom Poe's poems were submitted, indorsed them: "Here is a man fit for nothing whatever." Franklin rather thought the Stamp act a smart recommendation. Commodore Vanderbilt told his son to buy no railroads outside OLD PAPERS.-We have a few old papers of New York State. Old age is for 24x36 inches which will be sold in lots of 50 counsel, but it ought to come from the 'Amen' benches. All the wisdom in Spain and Portugal discouraged Columbus, but a pretty woman said to the sailor:

"As well to die and go, As die and stay." — New York Tribune,

He Raised Him One.

A minister of the Interior in Germany, who was fond of boasting of his numerous olive branches, arrived while traveling at a small town in a mountainous district, where he came across a forester, whom he invited to dinner,-"Are you aware," he said, jovially, "that you are dining with the most abundantly blessed father of a family in all Prussia?" "Am I indeed?" exclaimed the man. "May I ask how many children your Excellency has?" "Fourand-twenty," was the proud reply. "In that case," said the forester. "may I request you to stay over to-morrow and stand godfather to my twenty-fifth?"
