For the purpose of disposing of this magnificent collection of Valuable and Beautiful Goods from Europe, an

**ART UNION**

Has been formed on the plan of similar Associations in London and Paris. The intent is to give to all an opportunity to secure for their homes, at a trifling cost something pertaining to the artistic and beautiful; that the Cottage of the Artist and the dwelling of the Millionaire may alike boast that which money can not replace, and which the man of taste in every walk of life may appreciate.

The whole will be divided into Shares, placed by general wish as low as

**ONE DOLLAR EACH!**

Giving to the Holder an interest, by purchase, in the entire collection, and constituting a Membership with all the privileges annexed thereto, and the right to decide on the Mode of Distribution. When the Sale is completed by the disposal of all the Shares, the Property will await the order of the Shareholders, through the fair and impartial decision of a Committee chosen by themselves. The Number of Shares will be in the proportion of Sixteen to each Article in the Catalogue.

The satisfaction heretofore rendered by our house in all its transactions—its long-standing reputation are guarantees of the faithful discharge of the trust, and prompt delivery of every article specified. The same can be said that has gained us this position will be strictly adhered to, that no dissatisfaction can possibly occur.

**CERTIFICATES OF SHARES**

ARE NOW READY AT

**ONE DOLLAR EACH!**

Several articles of this Suber Collection have been just received, and are open for Examination.

**DR. GUYSSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA**, put up in the largest sized bottles, containing more of the pure *Hodurus Sarsaparilla* than any other preparation extant, which is chemically combined with the Extract of Wild Cherry, thus making the remedy more thoroughly efficient than any other Sarsaparilla before the public. At the same time it is perfectly free from all mineral poisons, which cannot be said of any other of the Sarsaparilla compounds. The invalid should beware of poisons. Mercury, Iron, Quinine, Potash, Iodine, Sulphur, Arsenic, and many other mineral and metallic poisons, enter into and form the active basis of most of the Sarsaparillas and Panaceas of the day. Guyssott's Compound Extract of Yellow Dock and Sarsaparilla does not contain a particle of these substances, as any one can ascertain by applying the necessary tests. Let all poisonous Sarsaparilla alone, and use Guyssott's Improved Extract of Yellow Dock and Sarsaparilla, which is thoroughly efficacious, perfectly harmless and purely vegetable. All kinds of disease yield to its genial influence.
