come under our immediate observation, have more than convinced us that Doctor Buil is a GREAT MAN, and that his Fluid Extract of Sarsaparilla is the most valuable combination of vegetable extracts that the science of chemistry has yet produced. All success to the Doctor, in his new enterprise, say we. - Louisville Control We agree with our neighbor of the Courier, that Doctor Bull is a great man, and his Sarsapariila a GREATER MEDICINE; and we are fully convinced that the Doctor with his Sarsapari la, will create a far more enthusiastic excitement East, than Barnum did with Jenny Lind We would not have our readers to understand us as classing th Doctor and his Sarsaparilla with Barnum and Jenny Lind because all who spend their dollar for a bottle of Bull's Sarsapariila will get its equivalent; and we have heard it slily hinted, that many after hearing the divine Jenny. and finding their pockers minus from ten to twenty dollars, thought it was paying pretty dear for the Whistle One objection we have to Bull's Sarsaparilla, and only one—it is so exceedingly pleasant to the teste, and invigorating to the system, that, once in the 'tabit of for 550 persons; and capable of lodging and using it, it is equal to smoking the regalias, chewing boarding 800. NOTICE TO FEMALES. John Bull's Sarsaparilla is one of the greatest female where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and coloriess, the strength feeble and yielding, the spirit troubled and depressed, the health broken, mind shaken, and, consequently, the happiness destroyed, then Bull's Sarsaparilla is a sovereign remedy. It assists Nature in the performance of her duty, braces the whole system, renews permanently the natural energies, remove obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally, to adopt the use of this medicine, we would see far less suffering, disease and unhappiness, among them, than now exists; health would take the place of disease. life, instead of one cut short by disease, or made miserable by continous suffering and affliction. At that critical period called the "turn of life," which is often attended with so much danger Bull's Sarsaparilla is found to exert should be apprised of this fact, and avail themselves of this

valuable medicine.

A BEAUTIFUL CLEAR SKIN. How we all admire a clear, beautiful, white skin and resy colored cheek! How often do we see persons not pos sessing this desideratum, "so devoutly to be wished." resorting to cosmetics, lotions, washes, paints, and coloring materials, to restore them to a semblance of what disease has deprived them of, and that too, with great injury to the skin. Bull's Sarsaparilla is the best cosmetic known. It beautifies the skin by removing every particle of morbid and diseased matter from the blood, making it pure, healthy, and vigorous, giving activity to every minute vessel, and changing the yellow and dark countenance to the bloom and freshness of youth. Ladies, abandon the use of paints and mixtures and use Bull's Sarsaparilla, the only effectual remedy. "A word to the wise is sufficient," and a hint is

enough for the ladies. we earnestly invite all persons who are suffering with any of "the ills that flesh is heir to," to call on Dr. John Bull's Agent, and get a copy of Bull's Family Journal, occasioned by the lating to qualify of the con-GRATIS; and for the sake of humanity, we hope that a single individual will not be found, unwilling to give Bull's Sarsaparilla a TRIAL, after reading, and recollecting, at the same time, that it is impossible for the Doctor to publish the tenth part of the number of certificates of astounding cures performed by his Sarsaparilla. The amount of tes-timony voluntarily showered on Dr. Bull's Sarsaparilla, from well known and distinguished individuals, both i public and private life, has been perfectly overwhelming,

GEN. TAYLOR'S FAMILY.

The New York Mirror, in recording the reported death of Col. Bliss, thus feelingly alludes to the occupants of the Presidential

mansion a few brief years ago: "Only a daughter (the widow of Col. Bliss.) of the victor at Buena Vista, of all his family who occupied the 'White House,' is left. What a startling change since the hour that saw the republican soldier borne by the hurras of a grateful people from the field of battle and peril, and to him of undying fame and honor, to the highest seat of earthly power. Then, all was life; the proudest aspirations that could fire a mortal heart were tuffilled; the lottiest ambition reposed satisfied under the shadow of a goal reached unsolicited, a fame perfected without blemish. General Taylor and his wife and Colonel Bliss then lived; their present honored and happy, their past glorious, and their future bright. They are all dear! One link of the loving and beloved circle of that family group, on which the eyes of the nation rested with delight, remains. She is, indeed, widowed and orphaned-millions will share, though they may not lighten, her griet."
