MAN AND SUPERMAN. "Then rose the cry of women shrill, As Goshawk's whistle on the hill."

Things down at the Naval Academy at Annapolis have been lively of late, and to a degree in Vienna reminds one of that rather cynical author, Bernard Shaw, in his novel "Man and Superman" and the play taken from the same book and bearing the same title.

It seems that on last Thursday the cadets, or rather the midshipmen, as they are usually designated now-a-days, were guilty of what is considered by the management of the academy a gross act of insubordination, called the silence "act."

The following interesting programme was well-rendered, all who participated their respective parts in a creditable manner: Selection, Caldwell's Orchestra; invocation, Rev. Edgar Carpenter; selection, orchestra; address, "Our Fraternity at Home," W. W. Millan, Grand Representative, D. C.; selection, orchestra; Philharmonic Quartet; "Welcome, Pretty Bride," address, "Our Order in the State," Hill Montague, Grand Representative, Va.; selection, orchestra; dramatic reading, John M. Kline; song, "Spring is Here," Mrs. Deyo; address, "Odd Fellowship in the World," John B. Goodwin, sovereign grand secretary, Ga.; selection, orchestra; song, "An Old Riddle," Miss Odenweth; recitation, John M. Kline; Philharmonic Quartet; "Lullaby," Auld Lang Syne, orchestra and audience.

The speakers handed their subjects well and their addresses were greatly enjoyed, while the musical and literary features were exceedingly entertaining. It was after eleven o'clock when the exercises were brought to a close. The following composed the committee on arrangements: D. R. Stansbury, past grand master, chairman; W. L. Martin, music; W. E. Riddon, secretary; G. B. Smith, and W. A. Conway.

Commissioner of Revenue C. H. Oslahan has appointed Mr. Charles E. Tennesson his assistant. Mr. William H. Starnagel, formerly of this city, who has been critically ill at the Johns Hopkins Hospital in Baltimore for some time, is visiting relatives in this city.

ANNIVERSARY OF POTOMAC LODGE.

The exercises in connection with the seventy-first anniversary of Potomac Lodge, No. 38, I. O. O. F., took place in the Young People's Building on south Washington street last night.

Hill Montague, of Richmond, grand representative of Virginia; Hon. W. W. Millan, of Washington, grand representative of the District of Columbia; H. N. Kieberry, of Westfield, Mass., grand representative of the grand encampment of Massachusetts; Charles Pohlig, of Richmond, past grand representative grand encampment of Virginia; John I. Brown, of Washington, past grand representative of the District of Columbia; Geo. E. W. Bradford, of Washington, of the grand encampment of the District of Columbia; and Messrs. Charles McCheshead, Joseph Barrington, W. J. Rich, Frank O. Merritt, F. L. Harries, A. J. Schipper, J. M. Dunn and daughters all of Washington.

The alarm of fire about 11 o'clock this morning was caused by the burning of a chair in an upper room of the store conducted by Mrs. Bertha Heyman, on King street, near Royal. The chair had caught fire from a stove pipe. The damage was slight.

The members of Oriental Court, an organization identified with the Junior Order of Americans, gave a banquet last night at Mr. James Megner's dining rooms on north Royal street. The occasion was enjoyable throughout.

His eyes sparkled with the lustrous light of Romance. The lure of adventure drew him into the mist of the night, and his heart went pit-a-pat at the soft rippling cadence of the guitar as it wailed melodiously across the moonlit water. "I was an ideal Venetian night and Prince Florio, of Belmont, floated calmly down the beautiful lagoon in his gilded gondola on his way to the Auth Market for those irresistibly delicious Auth Sausages, Hams and Home-killed Fresh Meats. The Peruvian government has notified the government of Chile of the withdrawal of the Peruvian legation at Santiago because of the recent expulsion of Peruvian priests from the provinces of Tacna and Arica. Peru's action was probably hastened by a note which Chile sent to that government declaring her intention of retaining possession of Tacna and Arica. The Chilean authorities have maintained that the Peruvian parish priests in the province of Tacna have been carrying on a propaganda against Chile, and as a result of their preaching, disloyalty was being spread broadcast. A dispatch from Lima says the Chilean government has withdrawn its legation at Lima, and the Chilean charge.

Forty present and former members of Select and Common Councils of Pittsburgh, Pa., under indictment on a charge of bribery, and 10 more with suspended sentences and held in \$500 bonds upon their own confession of sharing in a pool of \$102,000 to influence the votes of the municipal bodies was the result of yesterday's probe of the grand jury, following the sensational confession of Capt. John Klein, former member of council, who, as the chief distorting officer of the fund, characterized himself as "the Napoleon of the exchequer." In most instances the amount of money they accused confessed to accepting as a bribe was not over \$100. One man got \$500 and another \$200, while others got but \$81.10.

Order Your Overland Now Delay Means Disappointment

Last season there were over 8,000 people whose orders for Overlands were received too late. Our factory can build only 20,000 cars this year. Every single car has been contracted for. When our allotment is filled we cannot get more at any price. Half the people who want to buy Overlands here will be unable to get them. Get yours now.

The tremendous demand for Overlands has practically swamped the factory. Orders are piling in at twice the rate of production. Even with five times the factory facilities of last year, the output is daily falling further behind the demand.

Every Overland put into an owner's hands sells four others like it. Sixteen thousand 1910 Overlands were contracted for last August, simply on the record of the four thousand 1909 cars. Every new Overland that appears on the road creates further demand for this wonderful car.

The reason behind this unheard-of demand is sheer merit—nothing else. Up to January, 1910, the car was never even advertised. But the Overland proves so reliable, so simple, so trouble-proof, so economical that now everybody who learns the fact wants one of these matchless cars.
