Cures Woman's Weakness.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John F. K. of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Hemolius Diotica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a stimulant and invigorant for the normal activity of the entire reproductive system." He continues: "In Hemolius we have a medicinal which more than any other drug with which I am acquainted, in the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. F. K. further states: "The following are among the most prominent indications for Hemolius (Unicorn root). Pain or aching in the back, with leucorrhoea; atonic (weak) condition of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs; women's constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods) resulting from or accompanying an atonic condition of the digestive organs and aemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

"If more or less of the above symptoms are present in an individual woman, can be better than any other remedy. The favorite prescription, one of the leading ingredients of which is Unicorn root, or Hemolius, and the medicinal properties of which it most faithfully represents."

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the stomach, in all catarrhal conditions and general debility, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic used in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

MYSTIC SHRINERS.

The thirty-sixth annual convocation of the Imperial Council of the Ancient Arabic Order Nobles of the Mystic Shrine, the third ever held in Dixie-land, began in New Orleans.

For four days the Crescent City will be given over to the delegates, who, with their families and friends, are expected to number many thousands. The city is transformed with color and decoration. A mammoth electric arch, blazing forth the welcome slogan "Glad-U-Kum," spans one of the principal street intersections.

Among the brilliant features of entertainment which Jerusalem Temple of New Orleans has provided its brothers will be a typical Mardi Gras carnival and parade next Thursday. The Imperial Council ball in the historic French opera house will follow the parade.

Each day there will be public receptions, sight-seeing trips to places of interest about the city and numerous other entertainment features.

Rochester and Milwaukee are the principal candidates for the imperial convocate next year.

Imperial Potentate Street said yesterday: "The order of the Mystic Shrine has been unusually prosperous during the last year. It has increased in growth fully 16,000 members, and now has a membership of 149,146."

their baby and Meyer's father, returned home at 1 a. m. He was shot at the door of his home. Three shots were fired, one of them penetrating his heart.

The elder Meyer and the slain man's wife were accused by the jury, but did not observe anyone leaving the premises. A black cambric mask was found in the yard later. Meyer's watch and cash were not taken.

The first man examined by the police in connection with the case was Cornelius Sullivan, an expressman, said to have been a suitor of Miss Ella Gaygan, 17 years old, who is alleged to have looked with favor on Meyer.

Meyer's father told the police that his son had been rather attentive to Miss Gaygan and that the latter and Sullivan had quarreled as a result. He said that recently Miss Gaygan was wearing a ring given her by young Meyer, and that Sullivan, when he saw it on her finger, pulled it off, but that during the night which ensued he threw it back in her face. Sullivan has advanced an alibi.
