CHURCH SERVICES.

Fathers Waters and Doyle will be concluded. The night services at the Methodists and Baptist churches will be held at 8 p. m.

RECEPTION TO MINISTER.

There was a large gathering in the Methodist Episcopal Church South last night, the occasion being the reception to Rev. H. M. Canter, the newly-appointed pastor to that church. The exercises were interesting throughout and were greatly enjoyed by all present.

The following was the programme: Doxology; Lord's prayer; organ selection, Mrs. George E. Warfield; address of welcome, on behalf of Ministers' Association, Rev. J. R. Savier; solo, Mrs. W. L. Thompson; address of welcome, on behalf of Washington district, Rev. F. J. Prettyman; solo, Mrs. T. A. Hulfish; address of welcome, on behalf of church, Mr. H. K. Field; quartette, Mrs M. W. Thompson; address of welcome, on behalf of Epworth League, Mr. J. G. Graham; response, Rev. H. M. Canter; quartette; reception; accompanists, Mrs. Geo. E. Warfield and Mrs. Chas. G. Lennon.

DAMAGED SIDEWALKS.

There is a law of this city which requires property-owners to repair their sidewalks after having been notified that gaps exist in the same. Upon the failure of a property-owner to comply with the law, a fine can be imposed upon the delinquent. This law is not intended for a certain percentage of the community who never allow gaps in their sidewalks, but for a class who are ready to take issue with the authorities when attempts are made to enforce the ordinance and in some instances it is shown that the authorities are not complying with a law they expect citizens to observe. There are several bricks missing from the sidewalk in front of the City Hall building near the southwest corner of Cameron and Fairfax streets. Should a person be haled before the Police Court for refusing to repair his sidewalk attention might be called to the fact that the city often leaves things undone that should have been done.

PREPARING FOR REVIVAL.

Tomorrow at the Second Presbyterian Church the themes of the sermons will be the coming evangelistic services, which will begin on Sunday, April 24. At the morning service the subject will be "Things that help," and at the evening the subject "Things that hinder" will be considered. Arrangements have been made to secure Rev. E. T. Wellford, of Newport News, to assist the pastor. Dr. Wellford is pastor of the largest Presbyterian Church in tidewater, Virginia, and is a man of attractive personality and pulpit eloquence. He will arrive on Monday, the 25th. Attractive music will be a special feature of the meetings. When the meetings begin services will be held each day at 3:15 and 8 p. m. A cordial invitation to all for the services tomorrow.

MASONIC LODGE AT VIENNA.

On the night of the 5th instant Concord Lodge, 307, A. F. & A. M., was instituted by Rt. Wor. Wm. Lewis Allen, D. D. G. M., assisted by Rt. Wor. Bros. Henry K. Field, Harry Turner, and Shelly. After the installation a banquet was given in honor of the granting of the charter, all of the members and their ladies being present, also Wor. Bro. C. E. Babcock, Master of St. Johns Lodge of Washington, D. C.; Mrs. Babcock, and Mr. Geo. E. King and wife. After the banquet dancing was indulged in until a late hour.—[Fairfax Herald.

DIED IN A CELL.

George Geary, colored, who had for several years been employed as a stevedore on the river front, was taken in charge yesterday afternoon by Officer Gill and placed in a cell in the station house. He had been suffering from fits, and it was necessary to take him off the streets. At an early hour this morning a colored man who was engaged in cleaning up the station house attempted to arouse the prisoner, and upon examination it was found that life was extinct. The remains were later removed to Mr. B. Wheatley's undertaking establishment. Geary had for some time been a sufferer from physical and mental ills.

COLONIAL DAMES.

The Alexandria circle of Colonial Dames held its April meeting with Mrs. J. Stewart Jamieson yesterday afternoon at her home on Columbus street. Mrs. Jamieson presided and the meeting was one of interest with an average attendance. The members were most charmingly entertained by their hostess after the business session. One of the interesting features of the evening was the reading by Mrs. W. J. Booth, jr., of a paper on "Arlington," written by Miss Margaret V. Smith.

STEAMER INSPECTED.

The steamer St. Johns of the Colonial Beach Company has undergone her annual inspection at the hands of officials of the United States steamboat inspection service. The steamer met all requirements of the inspection regulations and will be licensed to carry excursions on the river and bay during the coming summer. The examination of the steamer was a close one. The St. Johns will be made ready for trips to Colonial Beach and moonlight runs on the river during the coming season.

SECOND PRESBYTERIAN CHURCH NOTES

Special services will begin in the Second Presbyterian Church one week from to-morrow, Rev. Dr. Wellford will take part in the services.

The Westminster League will give a social in the lecture room next Tuesday evening. A musical programme is being prepared for the occasion.

Mr. Julian T. Burke, chairman of the group, called the meeting to order shortly before 11 o'clock, and on motion Mr. A. Dibrell, of the Loudoun National Bank at Leesburg, was elected secretary.

Mr. G. L. Boothe, of the First National Bank of this city, subsequently extended a cordial welcome to the members of the organization.

Mr. Burke, the chairman, said there was virtually no business before the meeting, and that the object was mainly for the purpose of affording the members of the group an opportunity of becoming better acquainted with each other and for more intimate social intercourse. He then outlined the programme for today.

On motion the meeting adjourned and the members of the group later stood in front of the parlor car Mount Vernon when the members were photographed.

The party subsequently boarded the car which left for Mount Vernon. They returned to Alexandria about 2 o'clock this afternoon, when they were entertained at dinner at Lee Camp Hall. After which the members of the group visited various points of interest in the city.

At night the visiting bankers will be given a theater party in Washington.

The menu card is in unique conception on the part of the ladies of Mary Custis Lee Chapter, No. 7, United Daughters of the Confederacy, who were caterers. It is a representation of a bank book on the front cover of which is the following: "Leave your business for pleasure at least once a year. The Bank of Good Cheer, Alexandria, Va., in account with Group Three Virginia Bankers' Association. Julian T. Burke, chairman. Always bring an appetite to a feast. Always make your own selection. See that the viands agree with your digestion. See that discretion endorses all." The menu was headed "Dividends," which were the following:

OPERA HOUSE.

The new management of the Opera House announce that in the future an entire change of performers and acts will take place Mondays and Thursdays. Another distinct enterprising step has been made in the moving picture service whereby a positive guarantee is given that all films displayed will be seen at this theatre for the first time in Alexandria, thus insuring patrons against seeing reels which they may have seen at some other house. An all star bill is announced for next week which will be given in detail in Monday's issue.

ST. MARY'S CHURCH.

Large congregations have attended the services in St. Mary's Church during the present week.
