RAIDER LYNCHED.

Carl Eberington, 22 years old, employed Thursday night by the State Antislavery League as "blind tiger" raider, was lynched at Newark, Ohio, last night, following a day of almost continuous rioting. The heavy doors of the Licking county jail were battered down, and Eberington was dragged from his cell. He was shot, kicked, and bruised before the street was reached, and the finish followed quickly. He was hanged in the public square.

Eberington, early in the evening, confessed he killed William Howard, proprietor of the "Last Chance" restaurant and former chief of police, in a raid of alleged "speakeasies," in a raiding scuffle yesterday afternoon, and narrowly escaped lynching at that time.

When news from the hospital that Howard had died passed over the city at 9 o'clock last night the fury of the mob took definite form. Large battering rams were directed upon the doors of the Licking county jail, and the deputies were powerless. The doors fell after nearly an hour's attack.

Crying piteously, Eberington, a curly-headed Kentuckian, who has been serving as a strike-breaker since he was released from the marine service three months ago, was dragged forth. "I didn't mean to do it," he wailed. His cries fell upon deaf ears.

Eberington's last moments, while he heard the mob battering down the doors were spent in praying and writing a note to his parents, farmers residing near Williamsburg, Ky.

"What will mother say when she hears of this?" he kept moaning to the jailer.

In an attempt to commit suicide, Eberington smothered his head in his coat and set fire to it. He was caught in time.

In the melee, as the mob was leaving the jail, eight prisoners, held for petty offenses, escaped. One refused to leave. As Eberington mounted the block ready for the swing he was asked to make a speech.

"I want to warn all young fellows not to try to make a living the way I have done—by strikebreaking and taking jobs like this," he declared. "I had better have worked, and I wouldn't be here now."

The swing of the rope put him short. He hung there for an hour, while the crowd quietly left. The weight of the body finally broke the rope and it fell on the sidewalk.

FRANKS OF LIGHTNING.
During the storm at Laurel, Md., last night lightning struck the spire on the water tank and splintered it, but did not damage the wooden tank with 190,000 gallons of water. A charge crashed through a window of the home of Charles Hitchens and knocked Mr. Hitchens and his wife off the bed. They were not seriously hurt, nor was the building damaged.

George Walker and his wife were knocked from an iron bed on the floor, but escaped injury. A barn on the Tuckahoe farm of Jeremiah Marshall, was struck and burned with the contents. The stables, adjoining, were also destroyed, and three horses, four mules, two cows and hundreds of chickens perished.

Another violent electric storm visited Rockingham county, Va., Thursday. A horse owned by James Lee was struck by lightning, which bored a hole through the shingle roof, knocked down plastering and splitting the woodwork in an adjoining room. The charge there divided, part of it shooting 15 feet and knocking out the front of the house. The other portion flashed in the opposite direction, carrying out the rear. One of the charges ran down the gutter into the cistern and smashed a box on it. Two daughters of Mrs. Wm. Cline were stunned by the bolt.

Near Edom, Rockingham county lightning split a big tree and killed three horses belonging to B. F. Myers. At Broadway a calf belonging to Ben Kline was knocked dead.

A heavy storm passed over Prince George county, Va., in the neighborhood of Mount Zion Church Thursday afternoon. The crop and lands were washed badly, while the wind attained almost cyclone proportions, uprooting trees and blowing down corn, wheat and oats and much fencing. Great damage was done to orchards.

SUED BY A CLAIRVOYANT.
A sensational damage suit for \$5,000 instituted by Rosa Melton, a traveling fortune teller and clairvoyant, against Julian W. Fretwell, manager of the J. W. Fretwell Grocery Company at Danville, Va., terminated Thursday when the jury returned a verdict in favor of the defendant. Mme. Melton is the wife of F. O. Melton, who is engaged in the automobile business at Lynchburg. Last December she went to Danville and opened offices at a hotel. She alleges Fretwell came to her room on

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorra A. Smith, "with that awful backache and the bearing-down sensations, so fully described in your book.

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

the evening of December 26, and created a disturbance, and that as a result of the shock she remained ill for several weeks. On the day following her husband had a warrant issued for the arrest of Fretwell. He was in the mayor's court fined \$25 and costs. The defense at the trial yesterday was that the plaintiff was trying to extort money and that he was enticed into the woman's room. An effort was made to impeach character of the woman, but Judge A. M. Aiken ruled that no evidence, which dated before her last marriage, to the Lynchburg man, six months ago, would be admitted.

WILL ATTEMPT OCEAN FLIGHT.
Walter Wellman and Melvin Vaniman will attempt this coming fall to cross the Atlantic Ocean in the dirigible balloon America, which was built for the Wellman polar expedition and has twice been tested in voyages over the Arctic Ocean, north of Spitzbergen.

On her long voyage the America will carry a crew of six men, including a wireless operator, and 1,000 gallons of gasoline in a steel tank. Equipped for a day's run she could carry 75 passengers, in addition to her full crew. In size she ranks second only to the latest Zeppelin airship.

Two engines will drive her—one of 70-horsepower for ordinary duty, and one 300-horsepower for emergency service, when high speed is needed. A little 10-horsepower motor takes the place of a donkey engine aboard ship for small necessary offices.

Wellman and Vaniman are by no means sure that their attempt will be successful but they think that the chances are good enough to warrant at least a trial. They plan to start late in August or early in September from a base near New York not yet selected.

FILMS OF THE FIGHT.
The films of the Jeffries-Johnson fight at Reno last Monday arrived in New York yesterday, in charge of President William T. Rock, of the American Vitaphone Company, and J. Stuart Blackton, an official of the company. They were rushed to the plant of the Vitaphone Company, in Brooklyn, where a force of experts were waiting to develop and retouch the films for immediate reproduction. The forces will work in relays and it is expected that the pictures will be exhibited in New York today, unless Mayor Gaynor takes some action to prevent. The films, a dozen sets in all, taken from various portions of the fight arena, were brought here on a special car.

The New Jersey Court of Errors has handed down opinion declaring New Jersey collateral inheritance tax unconstitutional in part. This means that the state must pay back about \$250,000.

FIFTY YEARS' EXPERIENCE OF AN OLD NURSE.
Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with never-failing success by millions of mothers for their children. It relieves the child from pain, cures diarrhoea, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Twenty-five cents a bottle.
