YOUTH MURDERED.

Charles Clark, aged 18, yesterday morning was found murdered on the banks of Timber creek, across the Roanoke, Va. border, in the township of Vinton. He was lying on his face, stripped of all clothes with the exception of undergarments and shoes. A knife was found some 75 yards from the body, and in another direction about 40 yards away, were his watch, suspenders, and a post card received from Mrs. Mary E. Jones, of Lynchburg.

It was through this that the body was identified. It was alleged that last Saturday Clark had assisted Mrs. Jones to leave her husband, whom the woman according to the report, suspected of knowing something of the death of Clark, but that he had been able to prove an alibi.

Will Aliff, a companion of Clark, was arrested. It developed later that the two youths had assisted a family of women to move into the neighborhood in which the murder was committed, and suspicion is directed against the inmates of the house which is under surveillance. The cap and trousers worn by the young man were found yesterday under Glade Creek bridge, about 300 yards from where the body was found.

Mary Jones, whose husband the Roanoke police believe might be implicated in the death of Charles Clark, works in the Southland shoe factory, Lynchburg, together with Clark's sister. She denied that she was married. She stated that Clark had been going with her for some time previous to her going to Lynchburg, about ten days ago, and that her brother had objected to the attentions of the young man. She said she had never heard her brother make any threats against Clark, nor did she know of any ill feeling between them.

A TRIPLE TRAGEDY.

A triple tragedy occurred near Wheeling, W. Va., yesterday, when John Nakoning, a farmer, killed his wife and 2-year-old baby, and then, turning the double-barreled shotgun on himself, blew off the top of his head. Jealously was the cause of the crime, the husband believing that his wife was in love with his brother, who boarded at the house.

The family lived on a farm in a remote part of the county, and the neighbors say that early yesterday morning the two brothers quarreled over the woman. Shortly before noon the husband entered the kitchen, where his wife and baby were, and forcing them into the corner, fired at them with both barrels of the shotgun. The baby was shot dead in its mother's arms, and the charge, after passing through the little one, entered the mother's head, causing instant death.

After murdering his wife and baby, the father went to an upstairs room and, seating himself on a bed, placed the muzzle of the gun in his mouth and pulled the trigger. When officers, summoned by the neighboring farmers, reached the place, they found the interior of the house drenched in blood.

DIX AND LABOR.

John A. Dix, the democratic nominee for governor of New York, spent several hours in New York city yesterday afternoon conferring with Chairman Huppuch, of the democratic state committee, and other leaders of the state campaign.

"There is no controversy between labor and ourselves," said Mr. Dix after the conference. "There is no labor trouble in our mills. Any one who wants to can soon find out what the situation is. All that will be necessary is to go to the employes themselves. Labor is capable of speaking for itself and has competent spokesmen."

As if the emphasize Mr. Dix's remarks about labor, Chairman Huppuch gave out a statement last night signed by John J. O'Brien, president of Local No, 9. of the (wall paper) Printers and Color Mixers' Union at Glens Falls, Hudson Falls and Schuylerville, and by the vice-president and secretary and 45 members. The statement says:

"We, the undersigned printers and color mixers, members of the National Association of Machine Printers and Color Mixers of the United States, employed by the Standard Wall Paper Company at its Hudson Falls and Schuylerville mills, believing that a great injustice has been done Mr. John A. Dix and Mr. Winfield A. Huppuch by reports circulated in regard to wages paid at the factories of the Standard Wall Paper Company, do hereby declare that the management of the Standard Wall Paper Company is held in high esteem by its employes, and that we resent the insinuation that starvation wages are paid any of its employes."

After reciting the number of hours the employes of the Standard Wall Paper Company work, the statement declares that the wages paid these employes always compared favorably with the wages paid employes in other wall paper factories.

Yesterday was the liveliest betting day of the campaign on the New York Stock Exchange. Several brokers came forth with Stimson money, which was taken at the prevailing odds of 2 to 1. It is estimated that nearly $60,000 was wagered. The largest bet recorded was one of $4,000 to $2,000. A bet of $2,500 to $10,000 was offered that New York, New Jersey, Connecticut and Ohio will go democratic.

A TASTE OF WINTER.

Snow, many days ahead of its average date of appearance, fell yesterday as far south as the north sections of the Gulf states, and throughout the entire country unseasonably cold weather prevailed. In the east and south the cold wave from the wes arrived early in the day, and the prediction is that the cold will continue in those sections today to be followed by moderating temperature Sunday.

All northwestern Pennsylvania was experiencing a snowstorm of midwinter proportions last night.

Reports from Oil City, Titusville, Meadville and Corry, in the northwest, record from one to five inches of snow fall.

The Alleghany mountains are heavily blanketed with white.

Dispatches from Louisville, Ky., say low temperatures and frosts are reported from a large section of the south and southwest.

A light flurry of snow is reported from points in Tennessee and freezing weather is reported from many points in the southwest. Minden, in northern Louisiana, reports a temperature of 29 degrees, and frost was in evidence over a section of the south extending from northern Texas to Central Georgia. Snow flurries fell in Louisville yesterday morning.

Western and northern Michigan is experiencing the first winter storm of the year. Snow and gales are reported all the way from Calumet, in the copper country, down to Alpena and across the state to Lake Michigan, the lower area of the storm embracing all that territory lying south and west of a line drawn from Thunder bay to the Indiana line at a point west of Kalamazoo.

Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine closet among the reliable household remedies where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffling. It gives immediate relief and a day or two's treatment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of catarrh.
