**NINE CROWN MEN**  
SLAIN IN IRELAND

Dublin, March 22.—Seven members of the crown forces, including one officer, were killed, and twelve wounded when a train was ambushed near Headford, County Kerry, yesterday, according to official announcement.

There were 29 fatal casualties in the war in Erin during the week end. Two more constables have been killed in ambush. Since January 1, it is estimated 429 persons were killed in Ireland, including 164 members of the crown forces. Hundreds were wounded.

Dail Eireann has issued an order forbidding the British government to take a census of the population of Ireland as an infringement of the rights of the Irish people by an alien authority.

At a secret session held this month a scheme for the creation of conciliation boards for amicable settlement of trade disputes between workers and employers was adopted. Permission has been given for the initiation of an intensive campaign for the development of Irish manufacturing and fostering industries vital to the economic life of the nation. Concurrently the exclusion of certain articles of British manufacture was to be undertaken.

**FIREBUGS BURN SCHOOL**  
IN HEART OF NORFOLK

Norfolk, Va., March 22.—Fire believed to have been of incendiary origin, destroyed the Omohundro Avenue School shortly after two o'clock yesterday afternoon.

The plain brick structure, occupying half a square between Fourteenth and Fifteenth streets, was completely gutted, only the brick walls remaining. The loss is estimated at \$150,000.

It is believed that the fire was started by two young boys, not yet identified, but whose descriptions were furnished the police. The two lads were seen fleeing from the building as the flames were discovered creeping through cellar windows. A large pile of oil soaked rags and debris was also found just before the alarm was turned in.

The building had a large assembly hall, 28 classrooms and the usual offices, in addition to a large basement housing the big playground. It accommodated 1,000 pupils.

**LADY ASTOR THREATENED**  
WITH DEATH BY SOLDIER

Plymouth, England, March 22.—Lady Astor had an unpleasant encounter here Saturday, when, as she was leaving her residence, a soldier halted her, made use of violent language and threatened to kill her. Realizing that a display of fear might be followed by an attack, Lady Astor shouted for time and told to get the man's name and address.

**BETTER THAN CALOMEL**

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 30c a box.

Her tactics were so successful that the soldier started to run, with his questioner in close pursuit. The chase led first to a public house, and then to a public house, the soldier finally being caught and turned over to the police.

Lady Astor, however, expressed the wish that no proceedings be taken against the man.
