From the Philada. Public Ledger.

An Important cure by Dr. Jaynes Alterative.

We have been informed by Mrs. Mahan (a grand-daughter of old Gen. Wayne) that she suffered for a number of years from the growth of a large Gouttous Tumour of the Throat, which beside great deformity, produced both a difficulty of deglutition, and of breathing. Indeed she says, the pressure upon the windpipe was so great as to prevent her from sleeping in a recumbent position, and often suffocation appeared inevitable. She also labored under severe indisposition from Liver Complaint and Jaundice, with a horrible train of nervous affections, for which she commenced the use of Dr. Jayne's Alternative, which she took regularly for six or seven weeks, with occasional doses of his Sanative Pills, and her general health was thereby completely re-established, and now perceiving some diminution in the size of the Goitrous Tumor, she was encouraged to persevere in the use of the Alternative until every vestage of the painful tumor was entirely removed. We think, therefore that that such an important remedy should be more generally known.

MORE PROOFS!—The Cry is still They Come!—Every mail brings tidings of their success. From East to the remotest West—from Canada on the North, to Mexico and the West Indies on the South—are all unanimous in their praise. Of a medicine so universally known and esteemed as

WRIGHT'S INDIAN VEGETABLE PILLS,

it is hardly necessary to speak in detail. At no period of its history has the reputation of that medicine stood higher, and we may say that no reputation is likely to be more enduring. Adapted to all constitutions, to every form of disease, and to all climates, Wright's Indian Vegetable Pills are, above every other medicine, fitted for the use of man under whatever circumstances he may be placed. At sea or on land, at home or abroad, in summer's heat and winter's cold, with a common regard to the conditions of health; and with Wright's Indian Vegetable Pills at hand, there is no excuse for being sick, unless the constitution be utterly irreclaimable.

As our object is to state where the genuine medicine can be obtained, rather than to give it an extended notice—which our limits forbid—we shall merely subjoin one or two of the numerous testimonials that have just come to hand. Hundreds of the same kind might be added, but we are sure the public will save us the trouble of arranging them.

(Extract of a letter from Hernando, Mississippi.)

'To W. Wright—Your Pills have given universal satisfaction, and are justly very popular. I can sell from 30 to 40 dozen annually if I could be supplied.

Yours, WM. HENRY JOHNSON, Agent.'

It ought here to be remarked that the medicine has been but recently introduced into Mississippi.

(Extract of a letter from Jersey Shore, Penn.)

'The Indian Vegetable Pills excel every thing of the kind ever offered to the public in this section of the country, notwithstanding the combined effort of some few unprincipled mercenaries to put them down,

S. WINCHESTER & SON.

The following highly respectable storekeepers have been appointed agents for the sale of Wright's Indian Vegetable Pills in Columbia County:

The popularity of WRIGHT'S INDIAN VEGETABLE PILLS has proved a strong bait to unprincipled men who, instigated by the hope of gain, tempt to palm off a spurious article on the unsuspecting. To defeat the wicked designs of such men we have procured new labels, and the WRITTEN SIGNATURE OF WM. WRIGHT WILL NOW BE FOUND ON THE TOP LABEL OF EACH BOX. *None other is genuine, and to counterfeit this is forgery.*

Remember, the only original and genuine INDIAN VEGETABLE PILLS have the WRITTEN SIGNATURE OF WM WRIGHT on the top label of each box.

ITS COURSE IS ONWARD.

SO great has been the demand for Folger's Olossaonian or All Healing Balsam, and it has given such general satisfaction to those who have used it and become acquainted with its virtues that it now stand pre-eminent as a remedy in Diseases of the Lungs, and the testimony which has been given by different persons who have been cured by it is altogether voluntary on their part. They have given it in the hope that all who may find themselves in need of this remedy may apply for it without delay.

Read the following letter received from the Rev Mr Shimeall, Pastor of St Jude's Episcopal Free Church. Mr S. has not only used the medicine himself but has witnessed its effects in several very trying cases of disease. The letter will show his opinion of its virtues.

Dear Sir: Believing it to be but an act of common humanity to those suffering under the various diseases of Coughs, Colds, Hoarseness, Consumption, Asthma, &c. to point them to a safe, speedy and radical remedy, I take pleasure in bearing my testimony to your invaluable medicine called Olossaonian or All Healing Balsam. Of its efficacy I can speak first from my own experience. Being subject from exposure more or less to the vicissitudes of our climate to frequent attacks of Influenza, Hoarseness, &c., I have always found it to afford almost instantaneous, and always by perseverance in its use, effectual relief. To a particular friend of mine suffering severely under Asthma, and who had despaired of obtaining relief from any human source, upon my recommendation was induced to give the Olossaonian a trial and he pronounced the effect produced upon him a perfect charm affording him immediate and almost instantaneous relief. In another instance I recommended it to a female friend far advanced in Consumption. After the use of the first bottle her cough was entirely removed and her appetite and strength restored to such a degree as to astonish all who saw her. With a long cherished and firmly established prejudice against the thousand and one specifics put forth in these days as sovereign panaceas for all disease, I assure you that nothing short of my firm conviction of the claims of your medicine to an origin so respectable, and to the effects of it as herein certified both by my own experience and observation, I could not have been induced thus to come forward as a witness in its behalf. I have the honor to be, sir, respectfully yours, R. C. SHIMEALL.

Have you a Cough,

which is troublesome and has not yielded to any of the remedies which you have used? Is it attended with pain in the side, shortness of breath, night sweats?

Do you Raise Blood

when you cough and find your strength gradually failing? You will find that these symptoms if not properly attended to will terminate in consumption and death. Are you troubled with that distressing complaint

Asthma,

which deprives you of your rest at night and renders life burthensome.

Here is the Remedy.

Remember the name and place where it is to be obtained and do not be put off with any other. It has produced a cure in as desperate cases as yours may appear to be, and doubtless will put to flight in a speedy manner those distressing symptoms which fill your mind with gloomy forebodings of the future.

Its Healing Properties

do not deceive. The short dry cough is quickly overcome and easy and healthy expectoration takes its place. Spitting of blood is immediately checked. Night sweats with pain in the side and chest, debility and difficulty of breathing yield in a short time. Asthma with all its dreadful accompaniments is at once relieved. Bronchitis and in fact all the deseases of the throat and lungs give way before this remedy when all other means have failed.

Persons may attempt to deceive you with some other remedy, pronouncing it to be equally as good but remember life is at stake, therefore

Be not Deceived.

The above medicine for sale by the following agents.
