

AYER'S THE ONLY Sarsaparilla ADMITTED

READ RULE XV.

"Articles that are in any way dangerous or offensive, also patent medicines, nostrums, and empirical preparations, whose ingredients are concealed, will not be admitted to the Exposition."

Ayer's Sarsaparilla was admitted because it is a standard pharmaceutical preparation, and all that a family medicine should be.

—Burgess Jones, of Kinbrae, was a delegate to the county convention. Burgess and the writer of this met for the first time fifteen years ago; when we used to live on fish. Mr. Jones is now a prosperous merchant, while the editor is still pounding delinquents.

—Fred Mason predicts that there will be three-fourths as much hay this year as last. The price is much better, hence the farmers will realize well from the hay crop. Hay brought \$5.00 last week.

—Take your family washing to the City Laundry, located back of the Advance office. They do good work and cheap. Drop a card in the post-office and they will call for the work and deliver it without extra charge. 52tf

—A hacking cough keeps the bronchial tubes in a state of constant irritation, which, if not speedily removed, may lead to chronic bronchitis. No prompt remedy can be found than Ayer's Cherry Pectoral. Its effect is immediate and the result permanent.

—Which is worse, imprisonment for life or a life-long disease, like scrofula, for example? The former certainly, would be preferable were it not that Ayer's Sarsaparilla can always come to the rescue and give the poor sufferer health, strength, and happiness.

Mr. VanDuzee predicts great Republican gains all over the country in November and claims that the democratic majority in the house of representatives will be completely wiped out.

TWENTY-TWO YEARS AGO.

From the ADVANCE of 22 years ago: The Worthington Hotel was run to its fullest capacity last week—accommodating about one hundred guests.

Gov. Miller has introduced a bill in the legislature providing for the removal of the county seat of Nobles county to Worthington. He has also introduced a bill providing for a term of the District Court for this county; also a bill to encourage the planting of trees on our prairies.

We are glad to learn that J. A. Town has purchased the lumber yard of the Minneapolis lumber firm for which he has been acting as agent at this place. Mr. Town is a live business man and deserves to prosper.

Conductor Wilson don't tell lies—with his little hatchet—when asked how soon the road will open to Lemars; he says, "don't know."

The man who lay upon the prairie for seventy-two hours, in Little Rock township, during the great storm, has had both feet amputated and is doing as well as can be expected. Drs. Barber and Craft performed the operation.

C. C. Goodnow, Esq., returned from court at Blue Earth City, last evening, and judging from the subjoined newspaper notice, he prosecuted his suit to a successful finale: "Married:—At the residence of J. D. Stanton, on the 15th inst., by Rev. H. C. Cheadle, C. C. Goodnow, of Worthington, and Charlotte E. Stanton, of this town. The happy couple were warmly congratulated by their many friends, and the Blue Earth city band gave them a serenade."

By a telegram from Hon. Stephen Miller we learn that the county seat of Nobles county is to be located at Worthington by an act of the legislature, and we are requested to announce that our representative will secure the passage of an enabling act in case any portion of the county desires a vote on the removal of the same from this place. This he will do upon receipt of petitions from such localities.

The question discussed by the Lyceum on Thursday evening was as follows: Resolved, that Abraham Lincoln accomplished more for the country than did George Washington. Affirmatives, Dr. R. D. Barber, J. A. Town, and Rev. B. H. Crever. Negative, Messrs. G. M. Plumb and C. C. Goodnow. Readers, Mrs. O. Bigelow, Mrs. R. F. Humiston and A. P. Miller. Critic, J. S. Shuck. Lieut. Plotts was unable to attend and consequently the lecture was postponed until next Thursday evening.

—Lawyer Foley, of Adrian, looked in on the republican convention Monday.

—G. H. Eastwood, of the Ellsworth News, took in the convention Monday.

—Mrs. J. E. Forbes and children are home from Apple River, Wis., where they have been visiting since June 15.

—J. D. Humiston has just received a large invoice of feed grinders, powers, corn shellers, feed cutters and fanning mills. If you want a machine of any kind it will pay you well to call on him.

—A. C. Clausen, Worthington's new attorney, arrived last Saturday morning, and has established his law office in the room formerly occupied by Geo. J. Day. The people of this section will find Mr. Clausen an able lawyer and pleasant gentleman.

—Last week the Windom Reporter closed its 23rd volume. For nearly a quarter of a century Eb. Huntington has published the Reporter, and given his constituents a paper to be proud of. The Reporter is one of the best local papers in the state, its editorials are convincing and logical, its local columns replete with the news of the town and county. The history of Cottonwood county is contained in the files of the Reporter.
