FARMERS!

Do You Send Money to St. Paul or Chicago for Goods? If So

$\mathbf{WHY?}$

Do you get closer prices, better accommodation, better goods? Or is it because a good talker and a persist ent sticker makes you believe the home merchant, who helps to keep up your district, buys your produce and trusts you for goods when you need credit, is robbing you, selling you trash and trying to do you in other ways. Don't believe him.

Come in and talk the matter over with your home merchant who is always ready to stand by you. Ask him what ho can lay a bill of goods to you at your home depot without the extra expense of draying, clerk hire, wrapping paper, twine or sacks, insurance.taxes and many other incidental expenses, and if F. A. Torrance & Son can't compete with any outside tramp house we will go out of business and leave the field clear. All we ask is a James Cary Ellsworth Village. chance to compete on the same lines and in the same quantities.
