Blotches And Pimples

indicate inactivity of the skin. They show that the pores are clogged and that poisonous refuse matter has been denied an egress. The accumulation of this matter under the skin shows in red lumps, blotches and possibly in pimples.

Foster's German Army and Navy Cure

softens the impeding matter, penetrates the pores and draws the poison out. All the time it is soothing the inflammation caused by the congested state, and finally leaves the skin smooth, clear, active and healthy. It is absolutely the best and most efficacious skin medicine in the world. Its action on the skin is perfectly in accord with science, but its curative effect is almost miraculous in its quickness and thoroughness.

It has cured innumerable stubborn cases of pimples, blotches, ring worm, tetter, eczema, dandruff, itch and salt rheum. It will cure the worst kind of itching piles.
