Current News Items.

The Gold panic still continues, and source unsettles business of every sort. The Black Republicans of New York, desiring to turn the victories of Sheridan to political account, the Mayor of the City very properly vetoed a bill providing for an illumination at the public expense.

There seems to be a famine prevailing in the southern counties of California.

Rosecrane having appointed Frank Blair to command the defenses of St. Louis, public indignation was so great that he had to promise his removal. The panic is not overyet in St. Louis.

pended to give opportunity to drill.

Rebals have control of Missouri south of De Soto, and are subsisting off the country. It is reported that they have lists of all Union men in the counties through which they pass, and that they kill them on sight. St. Louis is full of refugees from that section, and thou- night-instead of Tuesday as announced

ALEXANDER HAMILTON expresses, his views

Again, in the debate in the N. Y. Conven-

tion, Mr. HAMILTON SAYS:

"It has been observed that to coorce the States is one of the maddest projects that was ever devised. A failure of compliance will never be confined to a single State. Suppose Massachusetts, or any large State should refuse, and Congress should attempt to compel them, would they not have influence to procure assistance, especially from those States, which are in the same situation as themselves? one State into the bosom of another State collecting auxiliaries, and forming, personable man be well disposed towar is a govern ment which makes war and carnage the only can exist only by the sword? Every such war must involve the inuncent with the guil-WE look with all confidence to the re-suit of the October election in Pennsyl-against such a government. But can we believe that one State will over suffer itself be used as an instrument of operation? I thing is a dream; it is impossible."—Ethiof's Débutes, vol. 2.1, pp. 282-3

SHERIDAN had 60,000 troops in the by Mr. Patterson that his plan could not be

tooking to the exercise of military coercion, was rejected by an overwhelming vote, and nothing justifying the idea that the Government has this power, can be found to-day in our Constitution or any of its amendments Lat the people read and ponder. "The truth PHILOPOLITES. will make us free."

Frum the Clark County Democrat. The Widow-Maker's Muss Meeting.

It is announced that there will be Meeting in Springfield, on Saturday next, to help along the cause of the distinguished widow-maker of the 19th sectory. The meeting will, we suppose, be held in the grave-yard, that being the only appropriate place for such a gathering. The following numerated consterns of this city will preside from the tops of grave stones.

Hon. Sain Shallabarger, the doomed candidate for Congress in the 7th District.

Coggashalt, the bloviator.

Cut H B Wilson, the "life-long Demo-

These men will ovenpy seats upon tallest monuments, while some leaser lights such as Littler, Miller, Mullrew and Quincy Petts, will occupy seats on the small grave

The officers of the meeting will be excerted to the Cemetery by a procession bearing wide awake torches, black capes and greenbacks, in the following order:

Lincoln the widow-maker. Paid minions in uniform, who dare not go to the field of battle, but at home oppress the

of widows and orphans.

tested money in Indianapolis. We find the following in the Indianapolis Sentinel of the 27th:

Night before last, after the Republican meeting, called by prominent drafted Repubdollars and cents contributed by their fellow citizens, a row occurred. The splendid stone front residence of the late Quartermaster General Vajen was visited by an excited crowd, who conceived that he had made con-siderable money out of this war. They threw stones through the windows, smashing five hundred dollars worth of glass with every bowlder. But Vajen did not make his appearance, and by persuasion, the men in front of his pulatial erection, were induced to

Theore they visited Mr. Scherman's domi-cil. They called Mr. Scherman out and appointed a committee to wait upon him. The dollars was given by him, and we suppose presented at the bank and cashed yesterdayall toe the purpose of relieving those who had awakened him out of his slumbers, from the draft.

Then other patriotic citizens were visited

with like result We cannot altogether approve of this method of procedure—but "the voice of the people is the voice of God." That such ings should be, and should continue under the present condition of our distracted country, unless conservative citizens of all parties take the matter in hand, we cannot

he consider the force of this concession?

The most juring elements of nature, fire and water themselves, are not more incompatible than such a mixture of civil liberty and military execution. Will not the distions of an invaded State assist one another, till they rice as one man and shake off the Union altrogether — Mulson Papers, page 217.

That the views of these distinguished man were those of the framers of our Constitution, is evident from the fact that every proposition:

The consider the force of this concession?

The most juring elements of nature, fire and water themselves, are not more incompatible to the matter in hand, we cannot be the special for the population and distinguished has a distinguished man date at a political special properties and a political special properties in the first properties and a political constitution, as a string proposition of the constitution of the constitution, and shoddylies are hurrabing for McClellan — Celina Standard.
