THE BEST REMEDY EVER KNOWN

To man for Coughs, Asthma, Colds, Croup, Bronchitis, Influenza, Bleeding of the Lungs, Difficulty of breathing, Liver Affections, Pain or weakness of the Breast or Side, First stages of Consumption, &c.

In short, this Balsam is peculiarly adapted to every disease of the lungs and liver, which is produced in our ever-varying climate.

WILD CHERRY has long been known to possess important medicinal properties. This fact is familiar to every matron in our land, and physicians often prescribe it in different forms for a variety of complaints. Tar, also, has been equally noted for its virtues: and some physicians, whose names are familiar to the whole country, have gone so far as to declare that even CONSUMPTION could be cured by that alone. In other hands, again, it was nearly valueless, owing, no doubt, to their ignorance in preparing and administering it—a difficulty now entirely obviated by patient experiment and long experience.

The extraordinary medical powers of these two substances are now, for the first time, combined and embodied in DR. WISTAR'S BALSAM OF WILD CHERRY. By a new chemical process, everything deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases ever known to man. To convince all unbelievers that our theory is really true, we refer to a few cases of cures performed by this wonderful medicine:

PLEASANT RIDGE, Ham. co, O. Sept. 27, '51.

J. D. Park—Dear Sir:—I take the liberty of advising you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that fell destroyer, consumption, in May last. The attack was truly horrifying to me, for five of our family, (my brothers and sisters,) had died of consumption. I was afflicted with nearly all the worst features of the disease. I had a distressing cough, and expectorated a great deal of blood, hectic fever, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skillful physician, from the time I was taken sick until about six weeks since, being then about helpless, and my friends considered my case hopeless, or at least beyond our Physician's skill, advised the use of Wistar's Balsam of Wild Cherry. Without my knowledge my father procured it, and commenced administering it to me, and from the first day I commenced taking it my health improved, and in two weeks from the time I commenced using it, I was able to be out and oversee my business, and labor, which I still continue to do. I have taken four bottles of the medicine, and now consider myself perfectly well. JEREMIAH ISCRIGG.

Another Astonishing Cure.

E. Kalb, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to

"DR. WISTAR'S BALSAM OF WILD CHERRY."

Rushville, Fairfield co, O. April 6, '51.

Mr. J. D. Park—Dear Sir:—I wish to state to you that my daughter, Amanda, aged 16 years, had, about a year since, a very severe attack of measels, which reduced her very much, and left her with a racking cough. I employed all the physicians within our reach for the purpose of removing her cough, but without success. She appeared to be sinking into a decline, with every symptom of consumption.

I then tried Dr. "Roger's Liverwort and Tar." But that aggravated her cough, and gave her symptoms of a still more malignant character. I was now most seriously alarmed, and it was with trembling fear that I from day to day, saw the progress of that insatiable disease, consumption. I really despaired of my daughter's recovery. But I providentially saw the certificate of Jonathan Coulsen, whose daughter, Sarah Jane, was cured of Consumption by "Wistar's Balsam of Wild Cherry;" this created a faint hope that it might help my daughter, and I immediately commenced using it, and it almost instantly gave relief, her health was improved from the first bottle, and by the use of two bottles of "Wistar's Balsam of Wild Cherry," she was restored to perfect health, and she is not now troubled with even a cough.

I will say to those that are afflicted with any disease tending to consumption, do not despair, for Dr. Wistar's Balsam of Wild Cherry will cure you, if you will but try it. E. KALB.

The genuine Wistar's Balsam of Wild Cherry has a fac simile of the signature of Henry Wistar M. D., Philadelphia, and "Sanford & Park" on a finely executed steel engraved wrapper. No other can be genuine.
