Important to those Afflicted!

DRS. STONE & PATTERSON, ELECTICS,

WOULD inform the citizens of Clyde and vicinity that we have permanently located here, for the purpose of Practicing Medicine; and by our prompt attention, and successful cures, we hope to gain a liberal share of patronage.

To those who have been afflicted for years, and have tried every body, (as they say,) we would call their attention to this advertisement. We don't pretend that all diseases in all stages can be cured, yet there is a curable stage to all diseases, and a great many can be cured after they have been pronounced incurable by many; and others relieved so as to be comfortable and enjoy life. It is unnecessary here to enumerate all the diseases which flesh is heir to, and point out the curable stage of each, but call and we will tell you, without any charge, whether your particular case can be cured or not.

Especial attention will be paid to Females who have Diseases peculiar to themselves.

THE said Samuel Campbell is hereby notified that William Curtis, of the county of Sandusky, State of Ohio, has filed in the Court of Common Pleas of the county of Ottawa and State of Ohio, a Bill in Chancery against him, the said Samuel Campbell, and one Horace Green, the substance and prayer of which bill is, That, on or about the 11th day of November, A. D. 1839, Thomas Bennett purchased of one Stephen Crow, Jr., the north east buarter of the north west quarter of section number fourteen, in township number seven, north of range number fifteen, in Ottawa county, Ohio, containing forty acres of land more or less, and give two notes of fifty dollars each secured by a mottgage on the same premises as part of the purchase money therefor, which mortgage was recorded on the first day of May, A. D. 1840,

That on the twenty-first day of April, A. D. 1843, said Bennett sold said said land to one Samuel Campbell of Erie county, in the State of Ohio, for two hundred dollars, for one hundred of which said Campbell agreed to pay the notes and mortgage given to said Crow. That said Strohl afterwards purchased the same land, mortgaged as aforesaid, for taxes from the Treasurer of said county, and after ten years had elapsed from the date of said purchase, received and still holds the Auditor's deed therefor, and has ever since said purchase paid the taxes on said land.

Weigh and Consider.

DR. HALL'S BALSAM is no Paregoric preparation, but a Medicine WHICH MAKES CURES at home, where the parties can be found.

The Great Cough and Consumptive Remedy.

READER! have you a Cough which you are neglecting, under the idea that it is only a common cold, and that it will soon wear itself out?—Let a friend tell you, in all kindness, what will soon be the probable result.

In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry hacking cough will set in, and when you raise anything it will be a thick and yealowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have a hectic fever, cold chills, night sweats, copious expectoration, and then great prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly consumption did its work, and hurried you away. Friend, have you no cause to be alarmed! In the above sketch, you may see, as in a glass, how every case of Consumption progresses, with more or less rapidity, to a fatal termination. Of all the thousands and millions whom this great Destroyer has gathered to the tomb, every single case began with a cold. If this had been attended to, all might have been well: but being neglected, under the fatal delusion that it would 'wear itself off,' it transferred its deadly action to the substance of the lungs, exciting there the formation of tubercles. Another, and another cold added fuel to the flame, until these tubercles began to soften and supontrate, leaving by their ulceration, great cavities in the lungs. At this crisis, the disease is very difficult to cure, and oftentimes sets at defiance all human means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress and will always make the patient more comfortable and prolong his life, and it is therefore worthy of a trial; but in its incipient, or former periods, Consumption is as curable as any other disease, and DR. HALL'S BALSAM FOR THE LUNGS, if taken at this time, will cure it ☞ AS SURELY AS IT IS TAKEN! ☜ This is strong language, but we can refer you to numberless living witnesses to prove that it is true! And therefore, we earnestly exhort every man, woman and child, who has a cough, or is subject to colds, to keep the medicine by you in the house, and whenever you take cold, do not 'let it alone' to work mischief in your system, but eradicate it thoroughly, and at once, by this powerfully healing compound, and leave your lungs uninjured, to carry you infull vigor to a good old age!

More Cincinnati Cures!

Cincinnati, July 1st, 1851

MESSRS O D Baker & Co.—Dear Sirs: I have always had objections to have my name in any way attached to a patent medicine. But when I think (as I now have every reason to believe) it has saved my life, I am induced by a sense of duty to those afflicted as I have been, to make my case known, and recommend your Balsam as a medicine that can be fully relied on. About a year since, I was attacked with Lung Fever, which left my lungs much diseased; my cough was distressing, attended with pain in my left side. I had seen Wistar's Balsam of Wild Cherry puffed up in the papers, and I concluded to try it. I used bottle after bottle, which in taste and in its operation resembled Paregoric, soothing temporarily. My disease had by this time become firmly seated; I had cold night sweats, hectic Fevers, swelling of the Limbs, &c., showing CONFIRMED CONSUMPTION! The remedies I obtained from my Physician also failed giving me
