

world. But alas! how vain are earthly hopes. How transient earthly bliss—the morning cloud—the evening flower—the vapor that flies before the morning sun, bespeak the fading character of earthly joy.

Behold in her case, while her star is steadily rising to its zenith, in an hour it is obscured in death. The subject of this brief notice had been blessed with a pious mother's early instruction and prayers, and during the past winter has often been strongly impressed with the importance of a personal preparation of heart to meet God. Often has she resolved to attend to the subject, but like too many, still delayed, thinking there was time enough yet.

But the fatal hour drew near that was to try her, and teach a group of sorrowing friends and relatives, the importance of being ready. To her Pastor who saw her but a few hours before her exit, she said with much earnestness, "I ought to have attended to these things before when I was well." Again on being urged to take hold of and trust in the Savior, she responded, "I fear it is too late," yet after religious exercise her mind became more calm, and she seemed to lay hold by faith on the hope set before her, though with a trembling hand, and said "I hope God's blessing will be upon me"—and immediately expressed an earnest wish for the salvation of her friends.

How does this bereavement say to the lingering, prepare. How strange the infatuation that defers the work of life to a few brief moments and these moments disturbed by pain and the fearful associations of the dying scene. Her funeral was attended on the 13th inst., by a large concourse of people, and particularly did the young feel that death was in their midst.

PERRY DAVIS' PAIN KILLER.
For the entire eradication of all Pain.
EXTERNAL AND INTERNAL REMEDY!
NO FAMILY SHOULD BE WITHOUT IT!
One twenty-five cent bottle will do more to convince you of its efficacy, than all the advertisements in the world!!
IT IS WHAT ITS NAME DENOTES,
A PAIN KILLER.

Physicians say that Davis' Pain Killer is one of those nice little articles which is calculated to relieve an immense amount of suffering incident to human life. Its action on the system is many times like magic—so instantaneous—the pain is gone at once.

For the almost miraculous extinction of pain, no medicine was ever discovered equal to the Pain Killer. It is used in certain cases externally and internally, but never externally, like too many preparations. Full directions accompany each bottle. Perry Davis' Pain Killer almost immediately cures the following complaints, viz: Chill and Fever, Cholera, Cholera Morbus, Diarrhoea, severe Burns, Dyspepsia, Painters Cholice, Piles, Boils, general Debility, Coughs, Headache, sudden Colds, swollen Joints, Cramps and Spasms, Rheumatism, Pains in the Back and Side and various other complaints, in fact it is a PAIN KILLER!

Notice to Dealers in Pain Killer.

The name of Pain Killer belongs exclusively to the Proprietor of the medicine. That right has been recently sustained by a court of law, and any person found selling an article by that name, and not of the manufacture of Perry Davis & Son, will be prosecuted.

Beware of a "Pain Killer" manufactured by one Andrew J. White, Buffalo, N. Y. It is a base counterfeit, and all other preparations in name of "Pain Killer" that is not manufactured by Perry Davis & Sons are spurious compounds calculated to deceive the people. Buy of regular agents, and take none but Perry Davis' Pain Killer. You will then get that which will give you every satisfaction desired.

RADWAY'S READY RELIEF, internal and external, the moment it is applied it will relieve the sufferer from the most torturing pain.

ITS TWO ACTIONS.
Its Primary action is to allay Pain—to neutralize the effects of a diseased action—for if there was no cause there would be no effects, no diseased deposits or unhealthy irritations, there would be no pain.

Its secondary action is to remove the cause itself and to relieve the system from all morbid matters, and entirely cure all complaints herein enumerated.

EXTERNAL PAINS.—The moment it is applied externally, it stops all pain.

IT CURES

Rheumatism, Neuralgia, Lumbago, Gout, Sprains and Strains, Distorted Limbs, Paralysis, Sick Headache, Painful Swelling.

IN A FEW HOURS.

NEURALGIA.

THE QUICK ACTION OF R. R. REMEDIES.

Is one of the most important discoveries in medical science, no sooner are they applied to the painful parts, or taken into the system afflicted with disease, than they telegraph their pain relieving and health restoring influences to all parts of the dise
