My horses were selected direct from the breeders of Europe, and are descendants of the most noted prize winners of the old world. I paid spot cash for all my stock and got the best at great bargains and was not obliged to take the refuse from dealers at exorbitant figures in order to obtain credit, thereby enabling me to sell better animals at better prices, longer time and a lower rate of interest than almost any other dealer in America.
 I have also the most superior system of organizing companies and stock syndicates in this country, and insure satisfaction. I call especial attention to my references. By these it will be seen that I am not handling on commission the refuse horses of dealers in Europe. With me you get a square transaction, a good animal, a valid guarantee, and will compete with any firm in America on prices and terms best.

NORTHERN GROWN SEEDS.
TREE TOMATO.
 A Perfect Marvel
The ONLY TRUE TREE TOMATO
 Offer No. 10. This is the only variety that can lay claim to the title of "TREE TOMATO."
 It grows to a HEIGHT OF 10 or 12 FEET, and produces fruit of an ENORMOUS size and of the FINEST FLAVOR. At an enormous price we purchased the true stock of this tomato from the originator, and this seed CAN BE PROCURED ONLY FROM US. It is ORNAMENTAL, as well as USEFUL. Two or three of these plants will make a wonderful display, and if cared for, will produce all the tomatoes one family can use. Single specimens often measure over 6 inches in diameter and weigh over 3 lbs. The demand for this rare novelty last season was greater than the supply. SEND IN YOUR ORDER EARLY THIS YEAR.
FLOWER and VEGETABLE SEEDS FREE TO READERS OF THIS PAPER.
 In order to induce every reader of this paper to test Northern Grown Seeds, we will give, free of charge to every person who sends us 25 cents in silver or postal note for a packet of this rare tomato, and names this paper and number of offer, a COUPON that entitles them to a collection of either flower or vegetable seeds, which at our catalogue prices amounts to 25 cents. WE MAKE THIS LIBERAL OFFER SIMPLY TO INTRODUCE NORTHERN GROWN SEEDS into all sections. The seeds will be sent to you post-paid on return of the coupon to us.
GRAND UPRIGHT PIANO VALUED \$650 and thousands of valuable premiums will be distributed among our patrons this year. Our catalogue will tell you how to get them.
OUR CATALOGUE for this season is by far the most complete ever published, containing colored plates and hundreds of illustrations. It is a thoroughly reliable guide, and a book that no person who uses seeds or plants should be without. Price, 25 cents. Live Stock Commission Co.

KANSAS CITY, MISSOURI.
 Consignments of stock receive the personal attention of some member of the company. Parties wanting assistance in feeding accommodated on reasonable terms.

The Kansas City Stock Yards
 Are by far the most commodious and best appointed in the Missouri Valley, with ample capacity for feeding, weighing and shipping cattle, hogs, sheep, horses and mules. They are planked throughout, no yards are better watered, and in none is there a better system of drainage. The fact that higher prices are realized here than in the east is due to the location at these yards of eight packing houses with an aggregate daily capacity of 3,600 cattle and 37,300 hogs, and the regular attendance of sharp, competitive buyers for the packing houses of Omaha, St. Louis, Indianapolis, Chicago, Cincinnati, New York and Boston.
 All the sixteen roads running into Kansas City have direct connection with the yards, affording the best accommodations for stock coming from the great grazing grounds of all the western states and territories, and also for stock destined for eastern markets.
 The business of the yards is done systematically and with the utmost promptness, so there is no delay and no clashing, and stockmen find here and will continue to find that they get all their stock in worth with the least possible delay.
 Receipts for 1890 were 1,472,229 cattle, 75,568 calves, 2,865,171 hogs, 525,869 sheep, 37,118 horses and mules. Total number of cars, 108,160.

KANSAS CITY STOCK YARDS HORSE AND MULE MARKET.
W. S. TOUGH, Manager.

Regular trade auction sales every Wednesday and Saturday.
 In connection with the Sales Market are large feed stables and pens, where all stock will receive the best attention. Special attention given to receiving and forwarding. The facilities for handling this kind of stock are unsurpassed at any stable in this country. Consignments are solicited with the guarantee that prompt settlements will be made when stock is sold.
