We are pleased to know that all of the Class of 1911 are profitably employed. Five are teaching and two are employed in Liberal.

The class of 1912 is composed of ten bright, young people, four boys and six girls. Each year the number of graduates increases and as they take up their work in the community, their efficiency speaks well for the training given by the High School. We hope that every boy and girl in Seward county will plan to take advantage of the opportunities offered by the Seward County High School.
