

## Special Portrait Offer to Voice Subscribers

We have just received a shipment of 30 splendid portraits to fill orders taken by our representative, Mr. L. S. Boyer. They are first class in every way. A substantial and elegant gilt or oak frame and a perfect likeness in crayon finished with oil. Can be cleaned when soiled and will last for years. Samples can be seen at the Voice office. By a special arrangement with the Great Western Art Co. we are able to make this remarkable offer.

## To Old or New Subscribers the Voice one year Portrait and Frame \$2

Remember we guarantee this work to be durable and first-class in every particular. A solid gilt or oak frame 20x24 inches. This is an elegant and appropriate ornament for the walls of any room. Come in and see Our Samples of some of those who have ordered and see for yourself. Any photograph or tin type may be used. Do not say this is some cheap and inferior thing because the price is so low. It is well worth \$5.00.

## SYSTEMIC CATARRH.

Thousands Suffer From It and Do Not Know It.

Hon. A. T. Wimberly, Collector of the Port of New Orleans, La., and member of the National Republican Committee, in writing of Pe-ru-na, says:

Hon. A. T. Wimberly,

"Pe-ru-na Drug Mfg Co., Columbus, O.: 'Gentlemen—I have used Pe-ru-na and can gladly recommend it as being all you represent. I wish that every man who is in need of a good tonic could know of it. I would advise all such to take it now, and am sure it would never be regretted.' A. T. Wimberly.

Pe-ru-na is an internal remedy—a scientific remedy for catarrh. It cures catarrh wherever located. Its cures last. Pe-ru-na gives strength by stopping waste. By saving the mucus it enriches the blood. By cleansing the mucous membranes it preserves the vital forces.

A constant drain of mucus from the system is known as systemic catarrh. This may occur from any organ of the body. Systemic catarrh is more common in spring and summer than in the winter.

Dr. Rachel A. Magaw, 67 West Jefferson Street, Springfield, Ohio: "Your Pe-ru-na is worth its weight in gold. I feel like a new woman. I can't praise it enough. I spent a great deal of money on doctors, but nothing ever did me any good until I sent to you and tried your Pe-ru-na. I now feel well of the catarrh."

Ralph W. Chulip, of La Porte, Ind., says the following as regards Pe-ru-na for catarrh: "I had been troubled with catarrh for the past eight years. I became so bad a year and a half ago that I took treatment from two different specialists on catarrh. The discharge from my head was dreadful. Finally my stomach became affected, and eight months ago I had to quit work. I lost in weight from 155 pounds to 140. I was completely discouraged. I procured a bottle of Pe-ru-na and had not taken half the bottle, when, to my joy and surprise, I began feeling better. My head began to get better; the discharge began to dry up. I kept on, and have now taken two bottles. I have resumed my work, have a good appetite, and have not felt better in ten years. I am now 30, and I thank Pe-ru-na for the way I feel to-day."

For free book address Dr. Hartman, Columbus, Ohio.

## BRICK SIDEWALKS.

The City Council Let a Big Batch of Contracts Last Night.

The city council Thursday let the contract for building all of the advertised brick sidewalks except those in process of building or where the material for building them is on the ground, and the walk in front of Gus Zenz's house on East Fourth street, to Hanley & Co. of Topeka, the lowest bidder. The bids on all the cement walks except the lots where the old Phillips house used to stand, were in excess of the city engineer's estimate, and were rejected. The contract for this walk was let to Charlie Cooper of Wellington. The walk in front of Gus Zenz's house seems to have been included in the advertisement through a mistake or misunderstanding.

Hanley & Co. will be requested to furnish a sample of the brick which they intend to use in building the walks, before the contract with them is closed. Their bid was about \$2@10c per square foot, according to the bids required. Other bidders were Wilson & Stuckey of Coffeyville, Geo. E. Hopper of Arkansas City, and W. P. Beaton and Charlie Cooper of Wellington. The council wrangled awhile over complaints about Ed Hayes emptying water in the street south of his store, and adjourned without doing anything.

## Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester, Michigan, says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and is able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, and dizzy spells. It is a godsend to weak, sickly, run-down people. Cure guaranteed. Only 30c. Sold by F. R. Snyder, druggist.

## Died of Diphtheria.

Claude, the 5 year old son of G. W. Aubrey, living at the corner of Third and Douglas streets, died Thursday at 5:20 o'clock of diphtheria, after an illness of one week. The remains were buried in the afternoon between 3 and 4 o'clock, in Prairie Lawn cemetery. Mr. Aubrey is a brother of Wm. Aubrey, the liveryman. Two other children in the G. W. Aubrey family are sick with diphtheria, but they are not in a dangerous condition.

## The Bravery of a Woman

Was grandly shown by Mrs. John Dowling of Butler, Pa., in a three years' struggle with a malignant stomach trouble that caused distressing attacks of nausea and indigestion. All remedies failed to relieve her until she tried Electric Bitters. After taking it two months she wrote: "I am now wholly cured and can eat anything. It is truly a grand tonic for the whole system as I gained in weight and feel much stronger since using it." It aids digestion, cures dyspepsia, improves appetite, gives new life. Only 50c. Guaranteed, at F. R. Snyder's drug store.

## Lights for the Jubilee.

People are worrying about lights for Jubilee week. Fifty "air lights" have been engaged for the residence portion of the city. The air lights are better than electric lights. An ordinary store air light has twice the brilliancy of an electric arc light. The air lights engaged are the regular street lights, and are several times as brilliant as the air lights used in the stores. The residence portions of the city will be lighted with gas lamps during Jubilee week.

Electric lights for certain midway attractions will be supplied by a 20 horse power engine and dynamo which will be installed in the alley in the rear of the Smith Implement Co.'s building.

The town will be better lighted during Jubilee week than you ever saw it.

## Cheap Rates Via "Frisco" Line.

Call at City Ticket Office, corner Main and Douglas, Wichita, Kan., for full information or any Frisco Line agent to: Oberlin, Ohio, June 23-27; Nashville, Tenn., July 23-29; Atlantic City, New Jersey, July 10-17; Williams Bay, Wisconsin, June 15-September 5; Milwaukee, Wisconsin, July 23-27; Detroit, Michigan, August 27-September 1; Chicago, Illinois, August 27-September 1; Denver Colorado, July 23-24; Colorado and Utah points, July 23-27; August 1. BRYAN SNYDER, General Passenger Agent, St. Louis, Mo. R. P. DENX, District Pass. Agent, Wichita, Kansas.

A. Murphy, the last of the Unlucky Thirteen to return from Nome, arrived in Wellington Thursday. He was delayed by the voyage from Nome to Seattle on a sailing bark, which was 38 days at sea, nearly two weeks of which time they were lost. Mr. Murphy tells the same story about Nome. He says that the Seattle transportation companies gave Nome its reputation; that there is no gold there and never was to amount to anything.

## STRUCK WITH A HATCHET.

Walt Amick of Wellington, Seriously Injured at Woodward by J. F. Hart.

Fireman Walt Amick was struck on the head with a hatchet at Woodward Wednesday by J. F. Hart, the Santa Fe pumpman at that place. Amick and Hart had had trouble several months ago, and the quarrel was renewed Wednesday when the Pennsylvania passenger pulled into Woodward. We have not heard the full particulars, but it is reported that Hart picked up a hatchet and struck Amick near the eye with the blade part of the instrument, inflicting a very serious wound and severing the leader of the eye. Amick partly warded off the blow with his hand, or it would have killed him instantly. He was brought to Wellington Thursday evening.

The trouble grew out of a dispute over pasturage for a horse. It seems that Amick had put a horse in Hart's pasture, and that Hart used the animal to work and drive. Hart formerly lived in Wellington, and was in the Santa Fe water service under Ben Sharpstein. He moved to Woodward about two years ago.

Immediately after the trouble Hart gave himself up to the sheriff and was released on \$1,000 bond.

Walt Amick, who was smashed with a hatchet by J. F. Hart at Woodward Wednesday, came home on 204 Thursday. The leaders of his eye were not cut as reported, but he has a bad looking face, which will not heal for some time and will always be marked by a scar. The fight between Amick and Hart was next done to a kin quarrel, which probably accounts for its viciousness. Joe Amick, brother of the injured man, and Hart are brothers-in-law. Hart has the reputation of having a ugly temper. He assaulted Baker Jagers in Wellington eight or nine years ago with a neck yoke, and narrowly escaped killing him.

Agent J. V. Williams of the Rock Island received notice last night that the request of the Jubilee committee for a straight one fare rate to the Jubilee had been granted, and the Rock Island will issue circulars advertising the Jubilee at once. The rate is effective from all points between Herington and Kingfisher. Dates of sale, September 17 to 22, inclusive; good returning the 24th.

## To the Deaf.

A rich lady, cured of her deafness and noises in the head by Dr. Nicolson's Artificial Ear Drums, gave \$10,000 to his institute so that deaf people unable to procure the Ear Drums, may have them free. Address No. 4379c, The Nicholson Institute, 680 Eighth Avenue, New York.

The late Governor Lewelling carried a life insurance policy in the K. & L. of S. lodge for \$1,000 in favor of his daughter, Pauline Lewelling. He died Monday night, and Tuesday his dues reached the grand lodge headquarters in Topeka. The grand lodge will investigate the time when the dues were sent. Miss Pauline Lewelling was formerly a teacher in the Sumner County High school.

## Where the Real Credit Belongs.

Great credit has been given to the Allied Generals in China for prompt action in saving the Americans at Peking, but the credit of saving thousands of American citizens dragged down to death's door by the long, trying months of hot weather belongs to the prompt action of Dandelion Bitters. The quickest acting and most satisfactory general system tonic ever made.

Indigestion, Liver and Kidney troubles, low malarial fevers, dizziness, fainting spells, melancholy, poor appetite, sleeplessness, all indicate a dangerous condition of the system, which require an immediate toning up to prevent some of the contagious diseases. Dandelion Bitters digests your food, and is the best tonic known. Especially recommended for all female troubles and for mothers worn out with the care of a nursing baby. It makes sick people well, try it now and be convinced. For sale by all druggists.

Mayor and Mrs. S. P. Kramer are anticipating the visit from many of their Caldwell friends during Jubilee week. They have sent invitations to nearly all of their friends there to come up to the Jubilee and stop with them. If every Wellington family would invite their friends in the county to stop with them the problem of handling the Jubilee crowds would be solved as near as possible. The restaurants and lodging houses will be overtaxed in any event.

The Eastern Star lodge will have a House of Rest in front of the Beehive grocery during the Jubilee, for the benefit of visiting members of the order. Ice water, ice tea and other light and cooling drinks will be served free. The place will be supplied with plenty of chairs, fans, etc., and will afford a desirable retreat from the crowds and an excellent vantage place to witness the parades and look at the people.

Belle Byer, daughter of Mr. and Mrs. J. A. Byers, has returned from a trip to the Santa Fe hospital at Topeka, where she was sent to have an X-ray examination made of her arm and shoulder which was broken six or seven weeks ago by falling off a horse. The X-ray showed that the bone in the child's shoulder had not connected when it began to heal, and the arm will never resume its natural condition. The girl has some use of the member, but it will not be as strong as before.

Belle Plaine News: Of our candidate, the elected guest, 100 much cannot be said. She is the daughter of our beloved physician, Dr. B. F. Sippy, now the leading physician of Ponca City, O.T., and sister of our resident physician, Dr. J. J. Sippy, the youngest practicing physician in the state and holding one of the largest practices. Miss Sippy belongs to a family unusually talented and accomplished. A graduate of our High school, also of the Southwestern Kansas college at Winfield. She has always carried off the highest honors of her classes. Noble in character, handsome in face, she will bear the honors she has won with credit to herself and to her friends.
