PRESCOTT, ARIZONA, WEDNESDAY EVENING, APRIL 24, 1901

A case which has attracted much attention in the northern portion of the territory was decided by Honorable Judge R. E. Sloan, on the 18th inst., viz: Thomas Bassford vs. the Santa Fe & Grand Canyon Railroad

In regard to the priority of liens the court ruled that the liens or lien attached "covers the whole ground." ers in camp was a colored man known His ruling was against the sub-conas "Nigger Ben." It so happened tractor on the basis that those who that at that time a few Indians (Walare entitled to the liens must have lapais) would venture into camp and "contractural relations with the rail-The Indians saw road company," or in other words this black man and supposed he must have contracted directly with

definitely but it runs up into the hundreds of thousands of dollars, and in magnitude is second only to the transfer recently of the Congress mine, of Ben, after consultation with Mr. titled to \$28,435.48 for the labor perwonderful treasure vault are the pres-to show him the country from which
