## Kansas City Grain.

KANSAS CITY, Nov. 2.—There was not enough wheat offering on change to-day to interest buyers. Prices were nominally 1 to 2c higher. Sales were as follows on track: Hard, No. 2, nominally 65c; No. 3, 2 cars 63 1/2c, 2 cars 62 1/2c; No. 4, 1 car 60c, 1 car 59c, 2 cars 58c, 3 cars 57 1/2c; rejected, 2 cars 52 1/2c; no grade, nominally 40c @ 41c. Soft, No. 2 red, nominally 81 1/2c; No. 3 red, nominally 74 1/2c; No. 4 red, nominally 62 1/2c; rejected, nominally 50c @ 51c. Spring, No. 2, 3 car 64c; No. 3, 1 car 61c.

Receipts of corn to-day, 86 cars a year ago, 481 cars.

# CHANCE OF A LIFETIME

# New Empire Opened to Settlement

Only once in a lifetime is there a town located that has a tributary country for fifty miles in every direction—also a division point on the great North and South railroad, the KANSAS CITY PITTSBURG & GULF, now building due south from Kansas City to Port Arthur, on the Gulf of Mexico. This time it is MENA, a new town in Western Arkansas.

This new railroad opens up the best agricultural lands in Western Missouri and the fruit and health belt of Southwest Missouri and Western Arkansas.

# LOOK AT THE MAP.

# MENA, ARK

Has 17,500 square miles of tributary territory, 80 miles from MENA to Hot Springs due east, 85 miles to Tuskahoma, I. T., west; 90 miles to Fort Smith, north; 115 miles to Texarkana, south—not a railroad in this district save

# THE PORT ARTHUR ROUTE

943,000 acres of government land and 61,000 people, census 1890. Division point on the Port Arthur Route. Valleys fertile and well watered that grow every product of the temperate zone. Black walnut, oak and pine timber. Elevation 1,350 feet, 535 higher than Kansas City. Will be the county seat of Polk county.

No hot winds, no blizzards, no drouths. Climate equal to Southern California. Cool summers, temperate winters. Cheap land values, 80 miles from any railroad except the Port Arthur Route. The sale of agricultural implements and household goods will beat Oklahoma's record. Mena is one town against Oklahoma's dozen.
