KERNVILLE AND VICINITY (Continued from 1st Page)

ing of liquid pep. It is now definitely understood that the ministrations of the community bootlegger will not be required or tolerated at the Kernville dances. A toast to the man who remembers the "bouncer" of olden days, and is game to use his tactics in the dance hall. Here's looking at you Brady! The dance continued all night without any dampening of enthusiasm. Last night another dance at the same place was equally successful.

The pupils of the three schools taught by Mrs. Strome, Mr. Glaser and Miss Alma Ojala are preparing a joint entertainment for the Eve of Washington's Birthday. Mr. Goin, the County Superintendent of Schools, is expected over from Toledo. The program will last about two and a half hours. It will be presented in Bruno Rydjeska's hall, near Kernville, on Tuesday evening, February 21st, at 7:30 o'clock. There will be no charge and no collection. Everybody will be there—You too!

The school problem is attracting wide and active interest thruout the community. The movement for a Union High School at Taft is opposed by the people of district 50 on the ground that they should not be asked to support a school that would be out of reach of their children. A counter proposal was suggested by Mr. Glaser is a projected consolidation of the six districts in this vicinity.

UPPER DEPOE VALLEY

On the afternoon of February 5th, at 2:30, a representative gathering of the residents of the Upper Depoe Valley met in their school house. The prime purpose of this meeting was to form a club, the object of this club being for the betterment of the community as a whole, (not individually) socially, morally and perchance intellectually.

The meeting first took the form of an entertainment, a program being given which was enjoyed immensely by all.

With the program brought to a finish the real business of the afternoon was brought to the attention of those present.

Officers were elected:
Fred Romtvedt, president.
J. W. Rogers, vice-president.
Mrs. J. W. Rogers, Secy-Treas.
Mrs. J. L. Thomas, Asst. Secy.
The election of officers was followed by a discussion of "whys and why-fors."

The first subject up for discussion was the naming of the school house, from which emanated some very pretty and appropriately suggestive names. However it was decided to choose a name next Sunday, Feb. 12, when there will be another meeting in the schoolhouse, at 2:30 P. M., so let all interested be present that they may have something to say about the naming of their school.

Among other subjects up for discussion was membership and who was to be eligible, but outside of deciding that those living in the district and having the welfare of the district at heart were eligible, it left over until next meeting when the constitution will be drawn up. The making of it is now in the hands of Mrs. Rogers, secretary, Mrs. Thomas, assistant secretary, and Mrs. Fred Romtvedt, and let's hope it will be truly American in principle.

It was also decided to name this club after the school house, when its name will be chosen. The chosen name of the school will be representative of the community concerned.

We are going to put ourselves on the map as we have become fed up with waiting to see our names in print.

It might interest farmers who were not present, to know that Mr. J. L. Thomas was chosen to represent this district's interests at all Farm Bureau meetings.

It behooves you farmers of Depoe Valley to attend the meetings of your home organization if you wish to be up and coming.

Admiral Kato of Japan, who is attending the conference at Washington, says that short skirts American girls wear are shocking. Somebody should tell the admiral that he was sent to this country to discuss arms, not legs.

JOHN WIRT ROBERTSON

The passing of John W. Robertson removes from Yaquina Bay one more of the early pioneers. Their number is gradually decreasing and soon all will be gone. Mr. Robertson's father and mother came to Yaquina and took up a homestead, I believe in 1869 on the Olalla where the family lived for a good many years. Toledo then was a small village. But few of the early pioneers are now living that were here at that early date. We might mention some of the names that have lived to see the country grow to its present state of development, and to witness some of the most stirring events of the world's history. Here are some of the names that I remember—but most of the pioneers have passed over the Great Divide and are now enjoying the fruits of a better world we hope:

Mrs. Thomas Espy, Mrs. W. H. Rich, Mrs. Wm. Alexander, Mr. and Mrs. John McCluskey, Mrs. J. J. Galt, Thomas Fish, Mrs. F. M. Stanton, Mrs. E. S. Altree, Mrs. Dan Grady, Lon Dondon, John and Rude Butler. These honored pioneers were the first to open up the country, blaze out the trails, build the roads, new out homes in the wilderness and helped to lay the foundations upon which the city of Toledo is being built and whatever prosperity may attend this city in the future will be due largely to the courage, character and work of the pioneers of the community. Mr. Robertson was one who did his share of the work.

These pioneers were kind, helpful to each other and for real sociability and friendship the people then enjoyed themselves but that they do now notwithstanding the trials and hardships they had to go through. They were all on an equality and there were no frills and style put on as it is today. Mr. and Mrs. Robertson, father and mother of J. W. were true Christian people and the son took after them. The elder Mr. Robertson died on the homestead. His death being caused by hard work and exposure. J. W. spent most of his life on the old homestead where the unbroken family circle was kept up for many years. Here amid these familiar scenes and pleasant associations, Mr. Robertson in an unexpected moment passed to the unseen world, like his father who died suddenly of heart disease.

John W. Robertson came to his death in a peculiar way. On Monday, January 31st, 1922, while he was cutting an alder tree, and when it fell it did not break off from the stump but when he struck it with the axe the tree sprang back, the handle of the axe striking Mr. Robertson in the pit of the stomach so as to produce death in a few hours.

The funeral was held at the M. E. Church of which deceased was a member, conducted by Rev. J. D. Cain, pastor. The remains were taken to Portland and the interment took place in the Lone Fir cemetery under the auspices of the East Side Funeral Directory—other members of the family have been buried in this cemetery. The body was accompanied to Portland by his widow, nee Katherine Blower, two children and a friend, Mrs. Rounds.

He is survived by his widow, three children, Sidney, Martha and Mabel, sisters, Mrs. Carl Boeckman of Toledo and Mary Royal of Washington and three brothers, Captain W. H. Robertson and Willards of Portland and Frank of Idaho, Mrs. Annie McClure who died several years ago and Mrs. Minnie Williams.

The pioneers are rapidly passing away. Who will be next to take the long, long trail? F. M. Carter.

BACKACHE IS DISCOURAGING

But not so bad if you know how to reach the cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys and calls for prompt treatment. The best recommended remedy is Doan's Kidney Pills. Profit by this nearby resident's experience:

Mrs. Rosa Babb, 364 Harrison St., Corvallis, Ore., says: "I have used Doan's Kidney Pills for some time and give them the highest praise. My kidneys were weak and the least cold settled on my kidneys. I had backaches so I could hardly get about. In bad weather I had rheumatic pains in my limbs and joints and the action of my kidneys was irregular. I used Doan's Kidney Pills and they relieved the complaint. I seldom have any trouble now but use Doan's for occasional attacks and they always help me."
