DR. RANSOM'S
HIVE SYRUP AND TOLU
—OR—
HONEY SYRUP
Dr. Cox's Hive (Croup) Syrup has been known and used by the medical profession over 100 years, and as a remedy for Cold and Coughs has an older and better reputation than any other Cough medicine ever offered to the public. It is known as the Compound Syrup of Squills, and a formula may be found in every medical dispensatory.
Dr. Ransom's Hive Syrup and Tolu, in addition to the ingredients for Cox's Hive Syrup, contains Balsam of Tulu, decoction of Skunk Cabbage Root and Lobella, a combination that must commend it to every one as a superior remedy for Croup, Whooping Cough, Asthma, Bronchitis, Coughs and Colds, indeed for all affections of the Throat and Lungs when a cough medicine is necessary.
This syrup is carefully prepared under the personal direction of a regular Physician of over twenty years' practice, whose signature is attached to the directions on the bottle.
Its taste is very pleasant and children like it.
Every family should keep it as a ready remedy for Croups and Colds, etc., among the children.
D. RANSOM, SON & Co., Propr's, Buffalo, N. Y.

DR. J. R. MILLER'S
UNIVERSAL
MAGNETIC BALM.
This medicine may with propriety be called an "Universal Remedy," as it is fast superseding all others as a general family medicine. It cures, as if by MAGNETIC INFLUENCE, Neuralgia and all pain, and is therefore very properly termed "Magnetic Balm." It is purely a vegetable preparation. It has no equal as a remedy for Cholera, Cholera Morbus, Diarrhœa, Dysentary, Colic and all Bowel Complaints.
Its timely use will cure Colds, Croup, Diphtheria, Quinsy, and all Throat affections.
When properly used, Fever and Ague, and other complaints incident to our western and southern climates, are easily broken up.
Nervous Pain, Sick-Headache, and Rheumatism are cured by this medicine when all others have failed. Toothache, Earache, Burns, Chilblains and Bruises are relieved at once by its use.
The genuine has D. Ransom & Co.'s private Revenue Stamp on the outside, and Dr. J. R. Miller's Magnetic Balm blown in the bottle.
Examine closely and buy none but the genuine.
Sold by all Druggists. Price 25 cents per bottle.

MOTT'S
LIVER PILLS!
An old physician once said that nearly all diseases originate from A DISEASED CONDITION OF THE LIVER, and this statement is true, although it may at first seem like an exaggeration. When the Liver is out of order the whole system and every organ and function suffer more or less in consequence. In the incipient stages of the disease a man
DOES NOT KNOW WHAT AILS HIM.
He is moody, restless and despondent; and that is the time to take a SIMPLE REMEDY that will restore him to health.
IN A SINGLE DAY,
and prevent a whole train of diseases that may follow.
MOTT'S LIVER PILLS cure torpidity of the Liver.
MOTT'S LIVER PILLS gives tone to the stomach.
MOTT'S LIVER PILLS cleanse the system of bile.
MOTT'S LIVER PILLS drive out febrile affections.
MOTT'S LIVER PILLS strengthen the whole system.
MOTT'S LIVER PILLS regulate the Liver, and are more reliable as a Liver medicine than any of the mineral preparations that DO MORE HARM THAN GOOD.
For sale by all druggists. Price 25 cents per box.

Prospectus for 1874 EVENTH YEAR
THE ALDINE.
An illustrated Monthly Journal, universally admitted to be the handsomest periodical in the World. A representative and champion of American taste.
NOT FOR SALE IN BOOK OR NEWS STORES

The Aldine, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure light and graceful literature; and a collection of pictures, the rarest specimen of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of The Aldine will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, the Aldine is an unique and original conception—alone and unapproached—absolutely without competition in price or character.

ART DEPARTMENT, 1874.

The illustrations of the Aldine have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages the advantages of superior artistic quality with greater facility of production. The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

PREMIUMS FOR 1874.

Every subscriber to the Aldine for the year 1874 will receive a pair of chromos The original pictures were painted for all to the publishers of the Aldine, by Thomas Moran, whose great colorado pictures and purchased by congress for ten thousand dollars. The subjects were chosen to represent ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives the Cliffs of Green river, Wyoming territory. The chromos are each worked from thirty distinct plates, and are in size 16(2x16) and appearance exact fac-similes of the originals.

NWARK, N. J., Sept. 20, 1873.
Messrs. James Sutton & Co.:
GENTLEMEN—I am delighted with the proofs in color of your chromos. They are wonderfully successful representations by mechanical process of the original paintings.
Very respectfully. THOS. MORAN.

These chromos are in every sense American. They are by an orinal American process, with material of American manufacture, from designs of American scenery by an American painter, and presented to subscribers to the first successful American Art Journal. If no better because of all this, they will certainly possess an interest no foreign production can inspire, and neither are they any the worse if by reason of peculiar facilities of production they cost the publishers only a trifle, while equal in every respect to other chromos that are sold singly for double the subscription price of the Aldine.

If any subscriber should indicate a preference for a figure subject, the publishers will send "Thoughts of Home" a new and beatiful chromo, 14x20 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

$5 per annum, in advance, with Oil Chromos free.

For $50 CENTS EXTRA, the chromos, mounted, varnished, and prepaid by mail.

The Aldine will, hereafter, be obtainable only by subscription. There will no be reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the facimile signature of James Sutton & Co.

CANVASSERS WANTED.

Any person wishing to act permanently as a local canvasser will receive full and prompt information by applying to

The great discovery of the age. There is no pain which the Centaur Liniment will not relieve, no swelling which it will not subdue, and no lameness which it will not cure This is strong language, but it is true. It is no humbug; the recipe is printed around each bottle. A circular containing certificates of wonderful cures of rheumatism neuralgia, lock-jaw, sprains, swellings, burns, scalds, caked-breasts, poisonous bites, frozen feet, gout, salt rheum, ear-ache &c., and the recipe of the Liniment will be sent gratis to anyone. It is the most wonderful healing and pain relieving agent the world has ever produced. It sells as no article ever before did sell, and it sells because it does just what it pretends to do. One bottle of the Centaur Liniment for animals (yellow wrapper) is worth a hundred dollars for spavined, strained or galled horses and mules, and for screw-worm in sheep. No family or stock-owner can afford to be without Centaur Liniment. Price, 50 cents, large bottles, $1. J. B. Rose & Co., 54 Broadway, New York.
