This is the Rubber Porous Plaster

Years ago the Rubber Porous Plaster was recognized as a useful and efficient external remedy.

These improvements have been made in BENSON'S CAPSINE POROUS PLASTER.

It is prepared by a firm of skilled pharmaceutical chemists, who have had large experience in manufacturing various kinds of plasters and liniments for the surgeons and hospitals of this and other countries.

This plaster, the result of their experiments and study, is indorsed by the best physicians as greatly superior to ordinary plaster and liniments.
